YORK CHAPTER #67 **MONTHLY NEWSLETTER • NOVEMBER 2025**

FROM THE PRESIDENT'S DESK

It's November. Muzzleloader season has come and gone. Archery season is coming to an end, and rifle season for deer is just around the corner. Did you sight in your rifle yet? If so, you may have noticed the rifle range was pretty busy. Rifle range usage for November averages around 245 members.

For the other eleven months of the year, we average about 105 members per month. I suspect the week before Thanksgiving is the busiest, so if you didn't sight in your rifle yet, plan according. Good Luck hunting, and please be safe out there!

York IWLA's annual Christmas party will be held on Tuesday, December 16th after a brief membership meeting, which will begin at 6:00 pm (not 7:00 as usual). Members are invited to bring a side dish or dessert. The club provides ham and turkey. Be sure to bring cash for the juniors' gift auction. This is a major fundraiser for the Juniors program.

TROUT COMMITTEE

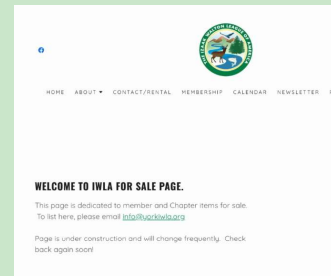

Our trout are adjusting well to their new home. We have lost around 60 so far due to stress from transporting and the difference in water temperature and quality. This is a yearly occurrence with the trout. We have some new members on our team and are always open to anyone who would like to get involved in our program. Send me an email at tiglax13@comcast.net if interested or catch me at a club meeting.

The IWLA York Archery Committee

The IWLA York Archery Committee is being reorganized! We need (and very much want) your help! We need some manual labor, some creative thinkers, and just some people who love drawing a bow!

If you'd like to help fix up the archery range and organize some events reach out to Mike Boehm, the new Archery Committee Chair at mike.boehm@gmail.com

PISTOL COMMITTEE

The Pistol committee at York Izaak Walton does much more than just run pistol matches. We now run matches just about every weekend March through November and some involve not only pistols, but pistol caliber carbines, rifles and shotguns as well. Our events range from casual shoots for novices to competitions which draw and

challenge some of the best shooters in the world. We have something for everyone. All of our matches are open to the public but most require advance registration, and some require shooters to be qualified before competing.

FUNSHOOTS

What a Good weekend we had! This two day format is working very well and generating many smiles. We even made a few new friends. 40-45 shooters each day enjoyed a chilly temperature start followed by a mild morning shooting steel, moving steel, paper and of course pumpkins! we were clear of the range by noon and can't wait for the next one.

Our November FunShoots will be on Saturday Nov 8th, and Sunday Nov 9th, sign in at 8am. We will also be having our fall Night FunShoot on Saturday Nov 8th, sign in at 4:30 pm.

All three events are on practiscore for registration, or contact us here for info.
thanks for a grand weekend!

WALNUT & STEEL MATCH

Every Second Wednesday

[November 12th](#)

[SIGN UP HERE](#)

9:30 am - 11:30 pm

Monthly event for pre-1960 surplus military rifles, issued from any nation. The match is a very light competition with the emphasis being marksmanship, fun and few firearm regulations (other than safety). All shooting will be done from the bench from a front rest. No rear bags allowed. No prone, or seated on the ground. This is designed for the average shooter, not the high power match competitor. If you're looking for serious competition this will not be a good match for you.

There will be two simple classes:

1. Optics: Anything using glass.
2. Irons: Iron sights (including rear peeps).

Round count: 33

STEEL CHALLENGE MATCH SERIES

Steel Challenge is back at York!

There will be 4 dates this winter,

November 22nd, December 13th and January 10th and February 15th.

Steel Challenge is a no movement speed shoot on steel targets that is great for new and experienced shooters alike, and has the same family friendly atmosphere you have come to expect from all of our shooting events.

For more information, see our website calendar date entries for more details.
