## **“Tiny Dancer” Virtual Summer Camp Registration**

STUDENT: \_\_\_\_\_

DATE: \_\_\_\_\_

### **Welcome to Ballet Forte’s “Tiny Dancer” online summer camp!**

*Ballet Forte is located in Chester NJ and has been training beautiful young dancers for 17 years!*

*You can choose one week, two weeks, or take all three weeks!*

*Each week will be focused on a completely different theme to keep your child engaged!*

**Session 1 July 13-17**

**Session 2 July 20-23**

**Session 3 July 27-31**

*Our week long program is divided into two age groups:*

**Minis - 4 to 6 year old Monday-Friday 11:30-12:45pm**

**Juniors - 7 to 9 year old Monday-Friday 9:30-11:15am**

*Here’s the unique part about our camp!*

*Once you have registered, you will be invited to come pick up your “Tiny Dancer Box” from our studio in Chester. The box will be full of very special treats, one for each day of our camp related to your lessons! We ask that you keep the contents a surprise and only give your dancer the treat related to that day, to ensure each day they will be filled with excitement for what might come next!*

*The camp will consist of:*

**-20 to 30 minutes of classical ballet training;** teaching them the proper French terminology for all of the positions and movements

**-15 minutes story/snack time;** the dancers will sit and enjoy a light snack that you provide for them at home, while the instructor shares with them a story related to dance.

**-15 to 20 minutes to work on a craft project related to the story.** All supplies will be in your box except for common household items such as crayons, tape, glue. We suggest you peek at that day’s project in advance so your dancer can be prepared with any household items they may need. We will also supply you with a suggested supply list inside the box.

**-15 minutes of creative movement;** this is a positive and fun way to end class where the dancers work with images conveyed to them by the instructor and explore their own way of interpreting them through movement!
