ARTICLE I

Organization of the BMWED

Section 1. This Organization shall be known as the Brotherhood of Maintenance of Way Employes Division (BMWED) of the International Brotherhood of Teamsters (IBT). The BMWED shall also be a member of the Rail Conference within the International Brotherhood of Teamsters. BMWED shall have full and exclusive jurisdiction over wages and working conditions in classes, crafts or bargaining units where it holds bargaining rights. BMWED shall consist of a National Division, System Divisions and Federations and Local Lodges.

The National Division may merge itself with another division of the IBT Rail Conference only upon approval of the majority of the ballots returned by the active membership in good standing through a referendum ballot.

Applications from other labor organizations to merge or affiliate with BMWED must be presented to the National Division Officers for consideration. Authorization of the National Division Officers must be obtained before negotiations with such an applicant, and any expenditures connected to a proposed merger or affiliation occur. The National Division shall not merge itself with another labor organization without first obtaining approval of the majority of the ballots returned by the active membership in good standing through a referendum ballot, and approval of the written merger agreement by the IBT General Executive Board pursuant to Article IX, Section 12 of the IBT International Constitution. Such a merger or affiliation may include a provision allowing the other labor organization appropriate proportional representation with BMWED.

Sec. 2. The National Division shall have jurisdiction over all matters pertaining to the National Division not otherwise referable to the IBT pursuant to the terms of the Merger Agreement.

Each member specifically retains the right to communicate with any other BMWED member at any time.

The use of words such as he, his and him, as they appear in these Bylaws are not intended to restrict the application of these Bylaws or a particular Article or Section to a specific gender, but are used solely for the purpose of grammatical convenience and clarification.

Sec. 3. The Officers of the National Division shall consist of a President, five (5) Vice Presidents, a Secretary Treasurer, and six (6) members of the Executive Board. The National Division President may appoint a Chaplain, Messenger, Sentinels and Sergeants at Arms at each Convention of the National Division.

Between Conventions of the National Division all administrative, executive and judicial power and authority of the Division shall be

1 vested in the National Division Officers as provided in these Bylaws,
2 except for matters referable to the IBT pursuant to the terms of the
3 Merger Agreement.

4
5 **Sec. 4.** The National Division Officers shall be members of
6 a BMWED lodge and shall be nominated and elected at the regular
7 quadrennial Conventions of the National Division by a representative
8 majority vote of the duly accredited delegates elected by secret ballot.
9 In the event balloting results in no candidate winning a majority vote
10 (a number greater than half of the total possible votes), the candidate
11 garnering the fewest votes shall be dropped from the ballot, and a
12 run-off ballot will be conducted. If there is only one nominee for an
13 office, there shall be no ballot for that position, and the nominee will
14 be declared elected. Four (4) Vice Presidents and four (4) members
15 of the Executive Board shall be from a System Division or Federation
16 in his respective region and shall be nominated by delegates from his
17 respective region. One (1) Vice-President and two (2) members of the
18 Executive Board shall be from any System Division or Federation
19 and may be nominated by any delegate, regardless of region. Those
20 officers so nominated at election may be referred to as "at-large."
21 National Division Officers shall serve for a term of four (4) years unless
22 removed by death, resignation or for cause, and shall be eligible for
23 re election. They shall be installed during the session of the National
24 Division Convention in which they are elected, their installation and
25 term of office to be effective commencing September 1 following
26 election except in the case of filling an unexpired term, when such
27 Officer shall take charge of his office immediately upon being elected
28 and he shall serve for the remainder of the term; provided, however,
29 that the term of office of any temporary National Division Officer will
30 expire immediately upon the election and installation of his successor.
31 Any vacancy in such office, temporary or permanent in nature, shall be
32 filled in accordance with the terms of these Bylaws.

33
34 Eligibility and good standing to nominate, second, run for office
35 and vote shall be governed by the terms of the Merger Agreement.

36
37 Every bona fide candidate for National Division office shall have
38 certain rights with respect to the distribution of campaign literature and
39 freedom from discrimination. The National Division will comply with
40 all reasonable requests of all such candidates to distribute, by mail or
41 otherwise, at the candidate's expense, campaign literature in aid of his
42 candidacy to all members in good standing of the BMWED. Whenever
43 the National Division or its incumbent Officers authorize distribution
44 to members, by mail or otherwise, of campaign literature on behalf of
45 any bona fide candidate for office or on behalf of the National Division
46 itself with reference to elections, similar distribution shall be made by
47 the National Division and its Officers for any other bona fide candidate
48 if so requested by such candidate, and equal treatment will be accorded
49 as to the expense of such distribution to be borne by such candidate.
50 Every bona fide candidate shall have the right, upon request, once
51 within thirty (30) days prior to National Division elections in which he
52 is a candidate, to inspect the list containing the names and last known
53 addresses of all members of the BMWED who are subject to Union Shop

Agreements requiring membership in the BMWED as a condition of their employment; lists shall be maintained by the Secretary Treasurer at the Headquarters of the BMWED. Every bona fide candidate for National Division office may supply the National Division with a picture and a brief campaign announcement of 250 words or less to be published in the BMWED Journal. All information shall be published in the same Journal edition as the last proposed Bylaws changes prior to the National Division Convention. The National Division shall also provide adequate safeguards to ensure that its elections are fair and impartial, and any candidate has the right to request and designate an observer at the polls and the counting of ballots.

No funds received by the National Division through initiation fees, dues, assessments or similar levy shall be contributed or applied to promote the candidacy of any person in elections of National Division Officers, nor shall any money of an employer of members of the BMWED be so contributed or applied. The BMWED may, however, expend its funds for notices, factual statements and other expenses necessary for the conduct of its elections so long as such activities do not involve promotion of candidates for office.

The National Division Secretary Treasurer shall preserve for one (1) year the credentials of all delegates and alternates and all ballots, minutes and other records of the Convention pertaining to the election of National Division Officers.

Sec. 5. The National Division shall convene in regular Convention in the month of June, quadrennially, at a time and date and in such city as may be determined by the National Division President and National Division Secretary Treasurer jointly, with the approval of the National Division Executive Board.

The rules contained in the current edition of Robert's Rules of Order shall govern the BMWED in all cases to which they are applicable and provided they are not inconsistent with these Bylaws and any special rules of order the BMWED may adopt.

Sec. 6. At each regular Convention of the National Division, delegates shall be entitled to cast one vote for every member in good standing of the membership which he represents. Each National Division Officer shall be a delegate ex officio but he may not participate in the election of National Division Officers unless he has been elected as a delegate by secret ballot vote of members of a Local Lodge.

Sec. 7(a). In the event a National Division Officer becomes incapacitated, upon receipt of notice of such incapacitation, the President or Secretary Treasurer shall within ten (10) days thereafter, call a meeting of all remaining National Division Officers to determine if such office should be filled and, if so, they shall appoint a member from the region, if applicable, to fill the position.

Any vacancy or vacancies resulting from such temporary appointments, or election, if deemed necessary, shall be filled in the same manner.

1 **Sec. 7(b).** Excluding those positions elected from nominations
2 made at-large, in the event of a vacancy in the office of Vice President
3 or Executive Board member, those eligible to be elected to fill such
4 vacancy must be from a System Division or Federation of the region
5 where the vacancy occurs, and must be nominated by a System
6 Division or Federation Officer from that region.
7

8 Each National Division Officer will be entitled to cast one vote,
9 and each General Chairman or his duly authorized representative,
10 will be entitled to cast the representative vote of the membership of
11 the System Division or Federation he represents, for the membership
12 paid up to the end of the previous quarter, as shown by the National
13 Division record as of the date the vacancy occurred.
14

15 In the event of a vacancy in the office of Vice President or
16 Executive Board member, those eligible to be elected to fill such
17 vacancy, must be from a System Division or Federation of the region
18 where the vacancy occurs, and must be nominated by a System
19 Division or Federation Officer from that region.
20

21 The election must be held not more than sixty (60) days from the
22 date the vacancy occurs, or the date it becomes known that a vacancy
23 will exist. Any vacancy or vacancies resulting from said special
24 election and/or any vacancy or vacancies occurring between the date
25 the call is issued and the date of the election will also be filled at that
26 election in the same manner.
27

28 The expenses of the General Chairmen and System Federation
29 General Chairmen, or their duly authorized representatives, attending
30 these meetings will be borne by their respective System Divisions or
31 Federations.
32

33 Vacancies occurring less than three (3) months previous to a
34 Convention of the National Division will remain vacant until the
35 Convention, except in the office of the President, Secretary-Treasurer
36 or Executive Board, in which case the temporary Officer elected by the
37 National Division Officers will hold office until the Convention.
38

39 If the President is unable to issue the calls provided for by this
40 Section 7, such calls shall be issued by the National Division Secretary-
41 Treasurer.
42

43 **Sec. 8.** Special Conventions of the National Division may be
44 called by the President with the written consent of a majority of the
45 members of the Executive Board. The President shall call a special
46 Convention of the National Division upon petition of any four (4)
47 members of the Executive Board. At least sixty (60) days' notice
48 in writing must be given to System Divisions and Federations and
49 Local Lodges indicating the time and place of holding such special
50 Convention and its purpose. No other business except that specified in
51 the call shall be considered or transacted at such special Convention of
52 the National Division.
53

Upon written request of a majority of the delegates and National Division Officers at the last regular National Division Convention, setting forth the reason for such request, and bearing the seal of the Local Lodges, a special Convention shall be called for the purpose of considering such question or questions as are specified in the request for such special Convention, and it shall be the duty of the Secretary-Treasurer upon receipt of such majority request, within ten (10) days thereafter, to make the necessary arrangements for the holding of such special Convention, the same to be held not later than sixty (60) days from the date of the filing of the majority request.

Sec. 9. At such special Conventions the voting shall be as prescribed in Section 6 of this Article.

Sec. 10. The representation at all special Conventions of the National Division shall be the duly accredited delegates at the last preceding regular Convention of the National Division. In case of a vacancy of both the delegate and alternate of a Local Lodge, such Local Lodge shall immediately proceed to elect another delegate and alternate.

Sec. 11. At least one hundred fifty (150) delegates entitled to a seat on the floor of the house shall form a quorum of the National Division.

Sec. 12. The fiscal year of the National Division and all of its subordinate bodies shall end on March 31 of each year.

Sec. 13. Only the elected officers of the National Division are authorized to be its agents for service of process. The officers and employees of subordinate bodies are not authorized to be agents of the National Division for service of process under any circumstances.

ARTICLE II

National Division Jurisdiction and Supervision

Section 1. The National Division shall exercise general supervision and control over all System Divisions and Federations, Local Lodges, Officers and the entire membership of the BMWED, as well as all subjects pertaining to the same. In authorizing expenditures or loans, neither the Executive Board nor any other established body of the BMWED or Officer thereof shall directly or indirectly authorize or make any loan or loans to any Officer or employee of the National Division or of any of its System Divisions, Federations or Local Lodges which result in a total indebtedness on the part of such Officer or employee to the BMWED in excess of two thousand dollars (\$2,000.00).

Sec. 13. None of the funds of the BMWED shall be obligated or used directly or indirectly to pay the fine of any Officer or employee convicted of any willful violation of the Labor Management Reporting and Disclosure Act of 1959, but this prohibition shall not prevent the assumption by the National Division or by any System Division, Federation or Local Lodge of the costs of defending the BMWED or any of its constituent bodies or Officers, agents, representatives or employees in any civil or criminal proceedings in which they may become involved for any alleged violations of law.

Sec. 14. In addition to the foregoing, the National Division Executive Board shall exercise authority and perform such other duties as are additionally prescribed in these Bylaws or other governing laws of the BMWED or which may be delegated or assigned to it by the National Division Convention.

22 **Sec. 3.** Organization of State Boards. Each Local Lodge shall,
23 at a regular or special meeting held between January 1 and June 30
24 in the year following a National Division Convention, elect by secret
25 ballot a local Legislative Representative to serve as a member on
26 the State Legislative Boards, and in addition they shall elect a Vice
27 Legislative Representative who shall serve in the event the Legislative
28 Representative is unable to carry out the prescribed duties. The
29 Secretary-Treasurer of each Local Lodge shall report immediately
30 to the National Division President the results of the election, giving
31 the name of the persons elected as Legislative Representative and
32 Vice Legislative Representative together with any other personal
33 data pertaining thereto. After June 30 in the year following a regular
34 National Division Convention, the National Division President or his
35 designee will direct the incumbent Director of the State Legislative
36 Board to convene the members elect at some convenient location within
37 the State for a Legislative Convention for the purpose of reviewing its
38 work and achievements, and to elect Officers. An accurate record of the
39 proceedings of the State Convention shall be forwarded to the National
40 Division President, the BMWED National Legislative Director and the
41 Director of the IBT Department of Government Affairs, within 30 days
42 after the State Convention.

44 **Sec. 4.** Officers of State Legislative Boards. Each Board shall
45 elect a State Legislative Director and an Assistant State Legislative
46 Director.

49 Local Lodge, as provided in the Merger Agreement, falling under
50 the jurisdiction of said State Legislative Board shall be eligible to be
51 nominated and elected to the position of State Legislative Director and
52 Assistant State Director.

The election shall be by secret ballot with each Local Legislative Representative entitled to cast a vote. There shall be no voting by proxy in the election.

Local Lodge Legislative Representatives shall be given at least fifteen (15) days advance notice in writing at their last known home address of the time, date, and place at which elections will be held.

Incumbent Directors and Assistant Directors shall be representatives ex officio, unless elected as a Local Legislative representative, and shall be entitled to run for re election as an officer of their respective Boards, but shall not be entitled to cast a vote.

Sec. 5. Term of Office. Members of State Legislative Boards shall serve a four year term of office beginning January 1 in the year following the holding of their regular Legislative Convention.

Sec. 6. Eligibility Requirements. Any member who at the time of nomination for the position of Local Legislative Representative or Vice Legislative Representative, must be a resident and registered and/or qualified voter of the State from which elected to serve and meet the eligibility requirements set forth in the Merger Agreement. These requirements shall also apply to the position of Legislative Director and Assistant Legislative Director at the time of nomination to the position.

Sec. 8. Duties. It shall be the duty of the Legislative Directors when authorized by the National Division President, or his designee, to carry out the program promoting legislation that will advance the wages, hours and working conditions and improve the quality of life for the membership and their families and to oppose legislation deemed detrimental.

The Legislative Directors will preside at all meetings of their respective State Legislative Board and cast the tie breaking vote.

The Legislative Directors shall comply with all applicable Lobbying Laws and cooperate with the IBT Government Affairs Department in the filing of reports required thereunder.

The Legislative Directors shall render appropriate bills for salary and expenses and a written report outlining their legislative activities to the National Division President and his designee not later than the 1st and 15th days of each month.

Should any of the Legislative Directors for any reason be unable to attend to their duties, they shall at once notify the National Division President, who will instruct the Assistant Legislative Director of that State Legislative Board to serve as the Legislative Director until the incumbent Legislative Director is able to resume duties or until the end

1 of the term, whichever the case may be. If for any reason the Assistant
2 Legislative Director is unable to serve, the National Division President
3 or his designee may appoint a Local Lodge Legislative Representative
4 recommended by the Legislative Director to perform necessary
5 duties of the Legislative Director until the Legislative Director and/or
6 Assistant Legislative Director is able to resume duty.

7
8 For all elections held on or before December 31, 2005, eligibility
9 and good standing to nominate, second, run for office and vote shall be
10 governed by the provisions of the BMW Constitution and Bylaws in
11 effect immediately prior to the merger. For elections held on January

13 for office and vote shall be governed by the provisions of the Merger
14 Agreement.

15
16 The Legislative Directors shall attend legislative meetings in
17 their home state as directed by the National Division President or his
18 designee to keep informed on pertinent Legislation, and in every way
19 possible advance the interests of the Union. The Legislative Director
20 will work with the Local Lodges and other IBT Local Unions and Joint
21 Councils and oversee the formation of a working COPE and Legislative
22 Action Committee in each of the Electoral Districts in their state and
23 to increase participation in IBT's DRIVE (Democratic, Republican,
24 Independent Voter Education) fund in the United States.

25
26 The Legislative Directors, upon authorization of the National
27 Division President or his designee, shall seek membership in various
28 state labor and interest groups that share in the Union's goals.

29
30 The Legislative Directors, upon authorization of the National
31 Division President, shall represent the Union before regulatory agencies
32 for the purpose of disposing of questions that arise concerning safety,
33 health and sanitary conditions that directly affect the membership.

34
35 **Sec. 9.** VVacancies. Should the incumbent State Legislative
36 Director be unable to serve for any reason, the Assistant State
37 Legislative Director shall be notified by the National Division
38 President or his designee to fill the temporary vacancy or the unexpired
39 term. Should a vacancy occur in the office of the Assistant State
40 Legislative Director, said vacancy shall be filled by appointment by
41 the National Division President or his designee. Should the Local
42 Legislative Representative position in any Local Lodge become
43 vacant, the Vice Local Legislative Representative shall fill the vacancy
44 for the unexpired portion of the term and an election shall be held at
45 the next regular Lodge meeting for the purpose of filling the position
46 of Vice Local Legislative Representative for the unexpired portion of
47 the four-year term of office. Such elections shall be subject to the terms
48 of the Merger Agreement.

49
50 **Sec. 10.** Assignment. The National Division President shall
51 appoint a National Legislative Director from the BMWED to work
52 cooperatively with the IBT Department of Government Affairs to carry
53 out, direct and coordinate Legislative activities in the United States.

Unless otherwise provided for in these Bylaws, no Legislative Director shall become active on legislative matters until authorization has been obtained from either the National Division President or his designee.

Sec. 11. Salary and Expenses. The salary and expenses of Officers of State Legislative Boards will be fixed by the Director of the IBT Government Affairs Department in accordance with the IBT Constitution. The salary and expenses of Local Lodge Legislative Delegates attending State Legislative Conventions, as provided for in Section 3 of this Article, will be borne by the respective Local Lodges.

Sec. 12. Endorsing of Candidates for Public Office. Legislative Directors, after consulting the appropriate COPE committees, if in place, may submit to the National Division President, for approval, recommendations with respect to the endorsement of candidates for any public office. Prior to the COPE Committee or Legislative Director making any recommendation, they shall advise the Local Lodges in that electoral district of the proposed endorsement. Under no circumstances shall any member of the National Division issue or publicize endorsements of any kind utilizing the National Division's name in any form, for any candidate to any public office without the written approval of the National Division President.

Sec. 13. Legislation. State Legislative Directors shall not advocate or oppose legislation without the specific approval or authorization of the National Division President or his designee except where bills directly affecting the BMWED, or railroad labor, require immediate attention.

Sec. 14. Cooperating in Legislative Work. State Legislative Directors of the BMWED shall cooperate with Legislative Representatives of the Legislative Boards of other standard labor organizations in organizing and maintaining joint legislative boards or committees in the respective States in order that our organization may be in a position to do its part in securing favorable legislation and in opposing unfavorable legislation concerning matters in which the BMWED and such other organizations have mutual interests. However, State Legislative Directors shall not incur or commit the BMWED to any joint expense without first securing the approval and authorization of the National Division President.

The Officers of the System Divisions or Federations and Local Lodges of the BMWED should fully cooperate in actively supporting such legislative programs as may be agreed upon by such Joint Legislative Boards or Committees; and, if possible, such Officers should furnish the Legislative Representative information requested by him or the National Division President for the purpose of carrying out the legislative program.

Sec. 15. Neither elections of officers nor any other business of a State Legislative Board shall be valid unless a quorum is present. A Legislative Convention quorum, at minimum, requires that at least one half of all Local Lodges eligible to be represented by a Local

1 Legislative Representative must have such Representative or alternate
2 in attendance.
3

4 If the positions of State Legislative Director or Assistant State
5 Legislative Director are unfilled, due to a failure to conduct valid
6 elections, the National Division President may appoint a member,
7 otherwise eligible to hold such office, to serve the remainder of the
8 then-current term.

10 ARTICLE XIII

11 BMWED Death Benefit Department

12
13 **Section 1.** Subject to the provisions of these Bylaws, the National
14 Division shall maintain a Department known as the Death Benefit
15 Department. The Department heretofore maintained and known as
16 the Provident Department and the Superintendent of said Provident
17 Department shall henceforth be known, respectively, as such Death
18 Benefit Department and the Superintendent of such Death Benefit
19 Department.
20
21
22

23 **Sec. 2.** The Secretary-Treasurer of the National Division
24 immediately upon his election as such Secretary-Treasurer, and
25 qualification, ex officio, shall be and become also the Superintendent
26 of the Death Benefit Department and shall act as such Superintendent
27 during his tenure in office as Secretary-Treasurer and shall have
28 custody of all property, funds, securities, papers, records, books and
29 documents of every kind relating to or belonging to said Death Benefit
30 Department.
31

32 **Sec. 3.** Upon due proof of the death of any member of the
33 BMWED, who, at the time of such death shall be in good standing
34 in said BMWED, and who shall be eligible to receive death benefits
35 pursuant to Section 13 of this Article and whose participation in
36 the benefits of the Death Benefit Department is not limited under
37 Section 4 or debarred under Sections 6, 8 and/or 13 of this Article, the
38 Superintendent of the Death Benefit Department shall, out of the funds
39 or property coming into his custody or control as such Superintendent,
40 pay the beneficiary of such member the sum of five hundred dollars
41 (\$500.00) if such member has had a continuous membership since
42 January 1, 1971.
43

44 **Sec. 4.** New or rejoined members who are eligible to receive death
45 benefits pursuant to Section 13 of this Article but who had reached the
46 age of fifty years at joining date or last rejoining date (whichever was
47 latest) may participate in the benefits of the Death Benefit Department
48 to the extent provided in this Section. Upon due proof of the death
49 of any such member who at the time of such death shall be in good
50 standing in the BMWED, and who is not debarred from participation in
51 the BMWED, and who is not debarred from participation in the benefits
52 of the Death Benefit Department under the provisions of Sections 6,
53 8 and/or 13 of this Article, the Superintendent of the Death Benefit

Department shall, out of the funds or property coming into his custody
 or control as such Superintendent, pay the beneficiary of such member
 the sum of one hundred and fifty dollars (\$150.00) if such member has
 had a continuous membership since January 1, 1971.

Sec. 5. A copy of the death certificate or Coroner’s Report must
 be furnished to the Superintendent to establish proof of the member’s
 death. Said Superintendent may require further and other proof and
 data including satisfactory proof of the deceased member’s date and
 year of birth where there shall exist a reasonable doubt as to his age.
 Such proof of death and other data will be furnished without cost to
 the BMWED.

Sec. 6. Any member eligible for death benefit rights pursuant
 to Section 13 of this Article who shall fail to pay all of his dues and
 properly levied assessments on or before the first day of the month
 for which such dues and assessments are due shall be deemed to be
 delinquent insofar as his status in the Death Benefit Department is
 concerned and to have forfeited all rights, interests and benefits of, in
 and to said Death Benefit Department, its funds and property, except
 that any such member may regain such rights if such member, prior to
 death and during the month for which such dues and/or assessments
 became payable, pays such dues and assessments in full; provided,
 however, that a retired member eligible for death benefit rights
 pursuant to Section 13 of this Article who shall fail to pay all of his
 dues on or before the first day of the first month (i.e., January, April,
 July or October) of the quarter of the calendar year for which such dues
 are due shall be deemed to be delinquent insofar as his status in the
 Death Benefit Department is concerned and to have forfeited all rights,
 interests and benefits of, in and to said Death Benefit Department, its
 funds and property, except that any such retired member may regain
 such rights if such retired member, prior to death and during the month
 on the first day of which such dues became payable, pays such dues in
 full. While such member is delinquent neither he, nor his beneficiary,
 widow, estate or Local Lodge, nor any other person who might
 otherwise be entitled to the death benefit as to such member, shall
 be entitled to any rights, interests or benefits of, in or to said Death
 Benefit Department, its funds or property. If such member remains
 delinquent during the entire month on the first day of which such dues
 became payable, he, his beneficiary, widow, estate and the aforesaid
 Local Lodge and persons shall permanently forfeit all rights, interests
 and benefits of, in and to said Death Benefit Department, its funds and
 property and become ineligible for death benefit rights unless such
 member shall have rejoined prior to January 1, 1963, and shall have
 become entitled to benefits computed from the date of said rejoining
 under Sections 3 or 4 and 13 of this Article.

Sec. 7. In the event a member is expelled from membership in
 the BMWED, or his System Division or Federation or Local Lodge
 disaffiliates with the BMWED, he, his beneficiary and aforesaid
 Local Lodge and persons, shall be deemed to have forfeited all rights,
 interests and benefits of, in and to said Death Benefit Department, its
 funds and property, and no payments to any person shall be made under

1 this Article by reason of death of said member.
2

3 **Sec. 8.** Any member eligible for death benefit rights pursuant
4 to Section 13 of this Article holding a Retiree Membership Card or
5 an Unemployment Card may nevertheless continue his rights in said
6 Death Benefit Department, subject to the provisions of this Article,
7 without payment of other than National Division dues, as provided in
8 Article XV, Section 3, provided, however, that if such member shall
9 not resume full active membership in good standing in the BMWED
10 within thirty (30) days after returning to the service of any company
11 in a position under the jurisdiction of the BMWED, all of the rights,
12 interests, benefits and privileges of said member, his beneficiary,
13 and aforesaid Local Lodge and persons, in and to said Death Benefit
14 Department, its funds and property, shall immediately upon the
15 expiration of said thirty (30) days cease and no payments to any person
16 shall be made under this Article by reason of the death of said member.
17

18 **Sec. 9.** Each member of the BMWED eligible for death benefit
19 rights pursuant to Section 13 of this Article (including retired members
20 and unemployed members) may from time to time designate one or
21 more persons and/or institutions to whom any benefits to which he
22 may be or become entitled shall be paid, and the last valid designation
23 in force at his death shall be given effect; provided, that a valid
24 designation shall not be revoked except by burning, tearing, canceling
25 or obliterating the same, with intention to revoke the same, by the
26 member or by some person in his presence and by his direction or
27 by a subsequent valid designation; but the death of any designated
28 beneficiary prior to the death of the member shall automatically revoke
29 the designation as to that beneficiary. Unless otherwise provided in
30 the designation, the entire benefits payable thereunder shall be paid in
31 equal shares to the beneficiaries who survive the member, if there is
32 more than one such surviving beneficiary; otherwise entirely to the sole
33 survivor thereof. A designation shall be valid only if made in writing
34 upon a beneficiary form provided by the BMWED for such purpose
35 and: (1) If the beneficiary or beneficiaries was filled in by the member
36 himself and was signed by the member other than by mark, or, if not
37 so filled in and signed, then (2) If said form shows the beneficiary or
38 beneficiaries and bears the signature or signature mark of the member
39 and the signatures of two other persons each of whom thereby attests
40 that the designation of beneficiary or beneficiaries so shown is in
41 accordance with the member's expressed wish and that they witnessed
42 the member's signature or signature mark thereon.

43 No claim based upon any beneficiary designation shall be
44 considered or allowed unless such designation is delivered to the
45 Superintendent of the Death Benefit Department, supplemented by
46 proof satisfactory to him that such designation was not revoked. Where
47 a member dies leaving in force no valid beneficiary designation or where
48 no designated beneficiary survives the member, any benefits which are
49 payable shall be paid to the widow or widower of said member if one
50 survives, otherwise to the estate of said member; provided, however,
51 that in either of said cases, the Superintendent, upon due proof of the
52 death of said member and of the amount and status of the expense of
53 his funeral or burial, may, in his discretion, pay said benefit, or any

part thereof, not to exceed the amount of said benefit or the amount of said expense, whichever be smaller, to the Local Lodge or person or persons, including representatives of the estate of said member, who have paid said funeral or burial expense, or, in cases where said expense has not yet been paid, jointly to said Local Lodge or person or persons who assumed financial responsibility for such expense and to the undertaker of the funeral home involved. Any balance remaining after any such payment shall be paid to the widow or widower or to the estate as the case may be. Where the amount payable after payment of the funeral or burial expense is One Hundred Dollars (\$100.00) or less, and where no widow or widower survives, the Superintendent may, in his discretion, make such payment to the legal representative of the deceased. No claim as to any death benefit shall be recognized unless made within two years after the death of the member. All questions which may arise as to the Death Benefit Department or death benefit matters shall be decided in accordance with these Bylaws and applicable State and/or Federal law. Where conflicting claims are made as to the benefit, the Superintendent may, in his discretion, enter into an agreement with the claimants whereby the claimants agree as to how the benefit shall be paid or agree to submit the matter to arbitration or judicial determination, in which event any payment made by the Superintendent in accordance with any such agreement shall be in full discharge of all obligation of the BMWED, the Superintendent, and the Death Benefit Department; provided, however, that no such agreement, arbitration or judicial proceedings shall entail cost or obligation other than payment of the benefit on the part of the BMWED, the Superintendent or the Death Benefit Department.

Sec. 10. The Superintendent of the Death Benefit Department shall receive all claims against said Department and shall issue checks signed by himself as such Superintendent or by someone whom he has duly authorized to sign checks for him, and countersigned by the President of the National Division, or someone authorized by him to do so, covering all claims which he shall determine to be valid and payable. A Reviewing Committee, composed of the National Division President and of at least four (4) members of the Executive Board, shall meet at the call of the National Division President to review and determine the validity of any death benefit claims appealed or referred to it. The Superintendent of the Death Benefit Department shall not be a member of the Reviewing Committee. In all cases in which any claimant to a death benefit shall be dissatisfied with the disposition of the claim made by the Superintendent, such claimant shall appeal from the disposition made by the Superintendent to the Reviewing Committee, and, unless the Committee then fails to determine the validity of the claim during the ensuing four (4) months, the claimant shall secure the determination of the Committee as to the validity of the claim before instituting any action at law or in equity as to it. Appeals to the Committee shall be taken in writing, delivered to the Reviewing Committee at National Division Headquarters. The claimant and the Superintendent shall submit in writing all evidence and arguments they wish considered and shall furnish each other with copies of all material submitted. The Superintendent may also refer doubtful undetermined claims to the Committee for its decision as to their validity.

1 **Sec. 11.** The Superintendent of the Death Benefit Department
2 shall have jurisdiction over all matters pertaining to the Death Benefit
3 Department. No other Officer, representative, member, Local Lodge
4 or Officer or representative thereof, nor any other person, shall,
5 without express written authority to do so from said Superintendent
6 first obtained, have any right, power or authority to act as agent or
7 representative of said Department or of said Superintendent.

8
9 **Sec. 12.** The Superintendent of the Death Benefit Department
10 shall, at the close of each fiscal year, prepare and submit to the
11 Executive Board of the BMWED a detailed statement of all monies,
12 funds and property received and all claims paid, as well as all charges
13 against the Death Benefit Department. He shall prepare a statement in
14 detail similar to the foregoing to be presented to the delegates at each
15 National Division Convention and shall also cause the publication in
16 the Official Journal of the names of those individuals for whom a death
17 benefit was paid.

18
19 **Sec. 13.** Participation in the benefits of the Death Benefit
20 Department is closed to members joining or rejoining the BMWED after
21 December 31, 1962. Only those members of the BMWED whose joining
22 date and whose last rejoining date, if any, prior to death pursuant to
23 Article XV, Sections 5, 5(a) and 5(b) are each prior to January 1, 1963,
24 shall be eligible to receive death benefits. Death benefits are payable
25 solely to eligible members and are payable solely for, and solely in
26 consideration of, continuous promptness in the payment of the required
27 regular union dues and assessments which must be paid in any event
28 for the maintenance of BMWED membership. No extra fee or
29 charge can be paid for them. Questions as to whether a death benefit
30 is payable or the amount to be paid shall be determined solely by the
31 deceased member's period of continuous membership for death benefit
32 purposes. Continuous membership of a member for death benefit
33 purposes shall mean that period preceding the death of the member
34 during which all of his dues and assessments were continuously and
35 without interruption paid in advance or within the month in which due
36 or in the case of retired members, in advance or within the first month
37 of the quarter in which due. In computing said period of continuous
38 membership of a member, no period prior to his joining date or to his
39 last rejoining date pursuant to Article XV, Sections 5, 5(a) and 5(b),
40 whichever of said dates is latest, shall be included; nor shall said period
41 include any period after the date of death of said member, even though
42 his dues may have been paid beyond the date of death.

43
44 **Sec. 14.** This Article shall govern all claims and payment thereof
45 where the member's death occurs on or subsequent to said date. Where
46 the death occurs prior to said date the claims and payment thereof shall
47 be governed by the provisions of these Bylaws as in effect at the date
48 of death.

49
50 **Sec. 15.** Any member of the BMWED eligible for death benefit
51 rights pursuant to Section 13 of this Article entering the military service
52 of the United States of America, shall have his death benefit standing
53 maintained as of the date of entering military service; provided,

however, that upon his returning to the BMWED represented service he will, within thirty-five (35) days, re affiliate himself with the BMWED by paying the current month’s dues or, if totally disabled, securing a Retiree Membership Card; and further provided that while in military service neither the member, his beneficiary, nor his estate, will have any claim upon the Death Benefit Department of the BMWED.

A member in military service has all the rights and privileges in the BMWED, including any death benefit rights for which he is eligible, if he continues to pay his dues, as required by these Bylaws with respect to eligibility for and maintenance of said rights, while in such service, subject to the terms of the Merger Agreement.

ARTICLE XIV

Bonds

Section 1. All National Division Officers, organizers, representatives and employees who handle funds or property of the BMWED or of a trust in which the BMWED is interested shall be bonded in such amounts as are determined by the National Division Secretary-Treasurer with the approval of the Executive Board to be required by applicable law; provided, however, that the bonds of the National Division President and Secretary-Treasurer shall be not less than the amount of \$500,000 each, the bonds of the members of the Executive Board in the sum of at least \$100,000 each, and the bonds of each Vice President, National Division organizer, representative or traveling auditor not less than \$100,000 each irrespective of the requirements of applicable law. The expenses of all such bonding shall be paid from the general funds of the National Division.

Sec. 2. 38 in accordance with these Bylaws, plus amounts earned through
39 investments and other miscellaneous receipts. Aside from such sums
40 as these Bylaws provide shall be allocated to and placed in other funds,

45 with supplies at no cost.

46
47 **Sec. 2.** Initiations for new members shall be \$100.00, the entire
48 amount of which will be collected in every instance and given to the
49 local lodge that the member joins. Initiation fees for new members
50 hired where a non standard contract is in place or for non-rail contracts,
51 shall be \$20.00, the entire amount of which will be collected in every
52 instance and given to the local lodge that the member joins. No

The National Division President, with the approval of the Executive Board, may issue dispensations temporarily eliminating the initiation fee.

System Divisions or Federations operating under check off agreements on properties where a Union Shop Agreement is not in effect, shall deduct the required initiation fee from the initial dues payment withheld from the employee's earnings and remitted to the BMWED.

New members paying their initiation fee in accordance with the provisions of the preceding paragraph shall be required to make application for membership by filing a membership request form with the proper System Division or Federation office. The average straight time hourly rate of pay for standard contracts will be based on the information reflected in the annual statement published by the National Railway Labor Conference which shall be used as an equivalent formula. In the event that the National Railway Labor Conference ceases to publish the annual statement or alters it materially, and for non standard and non rail contracts listed in Paragraph 3.8 of the Merger Agreement, an alternative equivalent formula shall be adopted so as to accurately reflect increases in rates of pay provided for under Agreements during the appropriate measurement period. The Non-Working rate shall equal the sum of the then current applicable IBT and Rail Conference per capita remittances, plus one dollar each to National Division, his System Division or

1 Federation, and his Local Lodge. Dues timely paid at the Non-Working
2 rate shall supersede any System Division or Federation or Local Lodge
3 rate of dues and assessments set by action of their governing bodies.
4 Members paying Non-Working dues will be counted in National
5 Division's per capita remittances to the International Union.

6
7 The National Division President may temporarily waive these
8 dues obligations on new-organized properties with the approval of the
9 National Division Officers. Such waiver will not continue beyond the
10 effective date of the first collective bargaining agreement.

11
12 Each January 1 any monies in the strike fund in excess of 15

26 Except that any Local Lodge Secretary Treasurer who is delinquent
27 for more than ninety (90) calendar days in the execution and filing
28 of Local Lodge reports as required in accordance with Article XVIII,
29 Section 13, will be responsible for the payment of full dues, fees and
30 assessments retroactively for each month, beginning the month such
31 report was due and continuing each month until such written report is
32 finally compiled and received.

33
34 System Division or Federation dues and Local Lodge dues shall
35 be paid to the System Division or Federation and to the Local Lodge
36 having jurisdiction over the position to which a member is regularly
37 assigned.

38
39 New and rejoining members shall be required to pay the full
40 month's dues for the month in which they become members.

41
42 Newly merged or consolidated System Divisions or Federations
43 may temporarily preserve their pre-merger or pre-consolidation dues
44 structures, and those of their respective affiliated lodges, provided that
45 they be gradually equalized in accordance with a plan approved by the
46 National Division President and Executive Board.

47
48 System Divisions or Federations shall consider the odd cents
49 collected in conjunction with the foregoing provisions as Local Lodge
50 dues and such monies shall revert to the Local Lodge.

51
52 Newly merged or consolidated System Divisions or Federations

Any increases in Local Lodge dues may be made on the uniform basis required by said Section 3 after authorization by the membership of the Local Lodges within a given System Division or Federation voting as follows: (1) by majority of those Local Lodges voting, each lodge vote will be governed by majority vote by secret ballot of the members in good standing voting at a general or special membership meeting after reasonable notice of the intention to vote upon such question; or (2) by majority of those voting members in good standing voting in a membership referendum conducted by secret ballot.

Sec. 5. Effective January 1, 1983, upon written request of a member, the Superintendent of the Death Benefit Department shall promptly notify any member in writing who upon retirement is ineligible for death benefits as a result of a late or missing dues payment. Except as to his status in the Death Benefit Department as governed by Article XIII, a member who is not otherwise delinquent and who pays his current dues and assessments in

1 full within the current month will be considered in good standing and
2 entitled to all benefits and privileges of the BMWED, subject to the
3 terms of the Merger Agreement. A member refusing or failing to pay
4 his unpaid back dues and assessments in full or refusing or failing to
5 pay his current dues and assessments in full within the current month
6 is not in good standing, is delinquent for all purposes and shall not
7 be entitled to a seat in his lodge or to any of the benefits or privileges
8 of a BMWED member; provided, however, that a retired member

20 a member any dues paid in advance beyond the month or quarter in
21 which death occurs shall be refunded.

22
23 (a) A member coming under the provisions of a Union Shop
24 Agreement who becomes delinquent for all purposes by reason
25 of failure to pay his dues and assessments shall be considered in

29
30 An individual residing in the United States covered by a
31 Union Shop Agreement must pay the initiation fee, dues and
32 assessments (not including fines and penalties) required of all

36 joining the BMWED or if presently a member, by resigning such
37 membership and continuing to pay a fee equivalent to periodic
38 full (monthly) dues and assessments required for the acquisition
39 or retention of membership in the BMWED. If a member chooses
40 to resign his/her membership, he/she must notify the National
41 Division Secretary-Treasurer in writing. Such individual shall be
42 referred to as an agency fee payer and thereafter, considered a non
43 member and deemed to have met the membership requirements
44 of the Union Shop Agreement. Agency fee payers shall be equally

required by the agreement shall be considered in violation of said agreement; such violation requires the filing of a citation notice, after which such initiation fee, dues and assessments cannot be accepted.

(b) A member not coming under the provisions of a Union Shop Agreement who becomes delinquent for all purposes for a period of less than six (6) months may, subject to the limitations of Article XIII, and particularly Sections 3, 4, 6, 8 and 13 thereof, rejoin as a member upon payment of all back and current dues and assessments; if six (6) or more months delinquent, he may rejoin upon payment of an initiation fee and the current month's dues.

28 foregoing, the National Division shall provide each remitter on
29 checkoff with an annual dues receipt following January 1 of each year,
30 reflecting the dues paid by each remitter during the preceding 12 month
31 period. Any such receipt must be completely filled out showing actual
32 date of payment, name of remitter, identification number, date of birth,
33 occupation, employer, Lodge number, month to which paid, amount

shall be entitled to an Unemployment Card, without cost, when laid off through a reduction in forces, sickness or temporary disability, strikes or lockouts, or when serving in the Military Service of the United States. Any member now or hereafter holding an Unemployment Card shall be entitled to retain such card only while he holds seniority rights to a position under the jurisdiction of the BMWED. When he has lost such seniority rights, such Unemployment Card shall become void, and shall be forthwith surrendered and such member shall thereafter be subject to the provisions governing Withdrawal Cards and Retiree Membership Cards; provided, however, that if such member leaves the service of the employer, transfers to or becomes employed in a position not under the jurisdiction of the BMWED, or becomes employed in an official capacity, he will be required to pay full dues. 19 current retiree dues rate. Dues payments in the first and/or last year
20 of membership will fulfill the dues requirement for that year. Life
21 members shall continue to have all of the rights and benefits afforded
22 a full dues paying retired member in accordance with the provisions of
23 these Bylaws, subject to the terms of the Merger Agreement.

giving name, address, membership number and cause of expulsion.

Sec. 6. Duties of Members. Each member shall pay all required dues, as well as all assessments or fines properly levied, to a proper representative of the BMWED, and shall, after paying such dues, assessments or fines in full, receive an official dues receipt card.

It shall be the duty of every member to pay all dues and assessments promptly; to attend the meetings of his Local Lodge regularly unless prevented by sickness or other just cause; to comply with and assist in enforcing provisions of these Bylaws and other laws, rules and regulations of the BMWED; to see that these Bylaws are not violated; to recognize any member in good standing as a Brother and to never knowingly harm a fellow member; to never discriminate against a fellow worker on account of race, color, religion, sex, age, physical disability, sexual orientation, or national origin; to refrain from any conduct that would interfere with the Union’s performance of its legal or contractual obligations; and at all times to bear true and faithful allegiance to the BMWED and his Local Union.

Sec. 7. Maintenance of Good Standing. Subject to the terms of the Merger Agreement, “Good Standing” means the payment of all required dues on or before the last day of the current month without a late or missing payment for the required number of months, or time stipulated in the various provisions of these Bylaws. Membership in good standing in the BMWED includes any person who has fulfilled the requirements for membership and who has not voluntarily withdrawn from membership, become ineligible for continued membership, or been suspended or expelled as provided in these Bylaws; provided, however, that the exercise of certain rights and privileges of membership shall be subject to the reasonable rules, regulations and limitations set forth in these Bylaws, the Merger Agreement or in those of the member’s System Division. Any member who fails to meet the requirements set forth in these Bylaws regulating the payment of dues and assessments shall automatically lose his membership and all rights, privileges and benefits pertaining thereto.

Those members unemployed due to legal strike by our organization or sister railroad organization will maintain good standing for the duration of said strike without said payment of dues, assessments and fees for any month for which they do not receive compensation, subject to the terms of the Merger Agreement.

Sec. 8. PPrivileges of Membership. Every member in good standing shall be entitled to all rights, privileges, benefits and protection guaranteed by these Bylaws of the National Division and the Merger Agreement.

Any member in good standing shall be admitted as a visitor to any Local Lodge of the BMWED while said Local Lodge is in session provided he can prove that he is in good standing with his own Local Lodge.

1 Every member in good standing shall have the right and
2 privilege to vote in elections or referendums of the BMWED, to attend
3 membership meetings and participate in the business of such meetings
4 subject, however, to applicable provisions of these Bylaws, the Merger
5 Agreement and to such reasonable rules and regulations, qualifications,
6 limitations or restrictions as may be provided by other applicable laws,
7 policies or decisions of the BMWED including those contained in
8 Constitutions and/or Bylaws of System Divisions or Federations or
9 Local Lodges.

10 11 12 **ARTICLE XVIII**

13 14 **Government of Local Lodges**

15
16 **Section 1.** Formation of Local Lodges and Application for
17 Charters. To institute a Local Lodge twenty-five (25) or more persons
18 eligible for membership under the provisions of these Bylaws shall meet
19 under the auspices of someone authorized to represent the BMWED,
20 and after paying the required fees and dues, they shall proceed to vote
21 by secret ballot upon each applicant in turn in alphabetical order. If
22 two or more negative votes are cast against an applicant he shall be
23 rejected. When the ballot is closed those who have been accepted shall
24 be initiated by the duly accredited representative, and those who have
25 been rejected shall have their fees and dues returned. If the necessary
26 number have been accepted they shall decide upon a name for their
27 Lodge, leaving the number blank, and proceed to elect Officers as
28 hereinafter provided in Section 9 of this Article. After the Officers
29 are installed, application must be made for a charter upon blanks
30 furnished by the duly accredited representative of the BMWED and
31 requests for instructions addressed to the National Division Secretary-
32 Treasurer with respect to the bonding of Officers, representatives and
33 employees. When the said application and request for instructions are
34 received by the National Division Secretary-Treasurer, accompanied
35 by the necessary fees and dues, he shall at once issue and forward a
36 charter, a full set of supplies to the Secretary-Treasurer of the Lodge
37 and instructions governing bonding of the Local Lodge's Officers,
38 representatives and employees.

39
40 **Sec. 2(a).** Dissolution of Local Lodges. A Local Lodge cannot
41 voluntarily surrender its charter if ten (10) members in good standing
42 desire to retain it. When the membership of any Local Lodge is less
43 than ten (10) for six (6) successive months, the National Division
44 Secretary-Treasurer may, with the approval of the System Division
45 or Federation General Chairman, consolidate the Local Lodge with
46 another Local Lodge and reclaim its charter and the National Division
47 or IBT property as hereafter provided in the next paragraph of this
48 Section. When the membership of a Local Lodge is down to five (5)
49 or less for six (6) successive months, or should a Local Lodge fail
50 to hold meetings for a period of twelve (12) months, the National
51 Division Secretary-Treasurer may, after consultation with the System
52 Division or Federation General Chairman, dissolve the Local Lodge
53 and reclaim its charter and the National Division or IBT property as
hereafter provided.

All minute books, record books and charters furnished to Local Lodges by the National Division Secretary-Treasurer or IBT shall remain the property of the National Division or IBT and be returned to it should the Local Lodge be dissolved as hereinbefore provided, and in such event the funds and properties of said Local Lodge shall be forwarded to the National Division Secretary-Treasurer and shall be equally divided and assigned to the National Division and the System Division/Federation having jurisdiction of the dissolved Local Lodge; provided, however, that in the event of consolidation of two or more Local Lodges, the funds and properties of all such Local Lodges which consolidate shall revert to the Local Lodge(s) in which they are consolidated.

Sec. 2(b). Consolidation of Local Lodges. Local Lodges of the same System Division or Federation may consolidate in order to facilitate the representation of the members therein, in the following manner:

(i) Each Local Lodge will assemble at a special meeting to determine by majority vote of the attending members in good standing if they desire consolidation with another Local Lodge or Lodges;

(ii) If approval for consolidation is attained, a joint special meeting of the Local Lodges involved will be called by the Presidents of the respective Local Lodges. At such joint session all officers' positions shall be declared vacant and new officers elected. Subsequently, it will be determined which charters will be returned to the National Division.

In all cases of consolidation of two (2) or more Local Lodges, the funds and physical assets of those Local Lodges which consolidate shall revert to the Local Lodge in which they are consolidated; however, the charter(s) and all National Division and IBT property as hereinbefore provided shall be returned to the National Division.

Sec. 3. Jurisdiction. Except as otherwise provided in these Bylaws or the Merger Agreement, Local Lodges shall have jurisdiction over all their members on subjects pertaining to the BMWED, provided, however, that their decisions in all matters shall be subject to appeal to be handled in accordance with the applicable provisions of these Bylaws and the Merger Agreement. Local Lodges shall have power to summon witnesses and impose penalties for violation of these Bylaws, the IBT Constitution or the Merger Agreement by any member after charges and trial.

Sec. 4. Governing Laws. Each Local Lodge, its Officers, representatives and members shall recognize, observe and be bound by the provisions of these Bylaws, the Merger Agreement and the IBT Constitution and including interpretations thereof rendered by the individual granted authority under these Bylaws, the IBT Constitution or the Merger Agreement, the resolutions, decisions and directives of the governing body of the BMWED or IBT when made in conformity

1 with the authority granted by these Bylaws, the Merger Agreement
2 or the IBT Constitution, and the resolutions adopted and the policies
3 established at National Division or IBT Conventions.

4
5 **Sec. 5. Provisions Governing Local Lodge Assessments.**

6 Assessments may be levied by Local Lodges for special purposes upon
7 a two thirds vote of members voting by secret ballot in accordance
8 with the procedures governing increases in Local Lodge dues set forth
9 in Article XV of these Bylaws, provided, however, that all members of
10 the Local Lodge have been notified by mail and email with read receipt
11 of such proposed assessment no less than thirty (30) days previous to
12 the vote of its membership, provided, further, that such assessments
13 shall become effective only after approval of the National Division
14 President.

15
16 **Sec. 6. Membership Meetings.** Regular and special meetings of
17 a Local Lodge shall be held as determined by the membership of the
18 respective Lodges.

19
20 Special meetings may be called by the IBT General President,
21 National Division President, the General Chairman, the President, or
22 Secretary-Treasurer of the Local Lodge, or at the request of five (5)
23 members in good standing, of which all members shall be given due
24 notice by mail which shall also specify the purpose of the meeting. Any
25 other business than that for which such special meeting was called may
26 be transacted at such meeting with the consent of the majority of the
27 members present.

28
29 Five (5) members in good standing shall constitute a quorum and
30 shall be qualified to transact all business properly coming before the
31 Local Lodge.

32
33 Every member in good standing of a Local Lodge shall have the
34 right to attend all regular and special meetings of the Lodge and to
35 participate in its deliberations and vote, and to express at such meetings
36 his views upon candidates in elections of the Local Lodge or upon
37 any business properly before the meeting subject, however, to such
38 reasonable rules and regulations as the Local Lodge shall establish
39 pertaining to the conduct of its meetings including its right to enforce
40 reasonable rules governing the responsibility of every member to his
41 Local Lodge and the BMWED as an institution and prohibiting conduct
42 which would interfere with the Local Lodge's or the BMWED's
43 performance of their legal or contractual obligations.

44
45 Members of Local Lodges shall also have the right to meet and
46 assemble freely with other members of the BMWED and express their
47 views, arguments or opinions; provided, however, that in so doing they
48 are not guilty of misconduct under these Bylaws, the IBT Constitution
49 or the Merger Agreement or as may be prescribed in the Constitution
50 and/or Bylaws of the System Division or Federation with which it is
51 affiliated.

52
53 **Sec. 7. Investment and Expenditure of Funds.** The money and

the property of a Local Lodge shall be used solely for the benefit of the BMWED, the Lodge and its members and not for the personal gain or profit of any Officer or member. Local Lodge Officers, agents, representatives and employees who handle the Lodge’s funds or property shall be held to this standard of conduct and accountable for any breach thereof under these Bylaws, the IBT Constitution and the Merger Agreement and as provided by law. Such Officers as are given the responsibility under these Bylaws, the Merger Agreement, the IBT Constitution or applicable System Division or Federation governing laws shall manage, invest and expend its funds and property only in accordance with the applicable provisions of said governing laws and any resolutions properly adopted thereunder.

A Local Lodge shall not contract, agree or be obligated in any way to pay salary or expenses to any Local Lodge member or Officer or to incur any obligation of any kind with members, or others, beyond the extent of the Local Lodge funds and current income of such Local Lodge. Any obligations incurred contrary to the foregoing provision shall not create a claim or lien against the Lodge beyond the extent of available funds in the Local Lodge Treasury.

None of the funds of a Local Lodge shall be obligated or used directly or indirectly to pay the fine of any Officer or employee convicted of any willful violation of the Labor Management Reporting and Disclosure Act of 1959, but this prohibition shall not prevent the assumption by a Local Lodge of the costs of defending the Lodge or any of its Officers, agents, representatives or employees in any civil or criminal proceedings in which they may become involved for any alleged violations of the law.

In the event of a Local Lodge’s funds accumulating to the extent that the members of such Local Lodge decide by a majority vote at a regular meeting to invest their surplus funds, the Secretary-Treasurer will have the authority, with the approval of the President and Chairman of the Auditing Committee, to invest such funds in federal, state, provincial, or municipal bonds, or other investments decided upon by the members, and to collect and deposit the interest due therefrom in the Local Lodge Treasury. All such securities must be purchased in the name of the Lodge.

Sec. 8. Audits and Financial Reports. Examination of the financial affairs of a Local Lodge and audit of its books shall be performed by the Auditing Committee of the Lodge as hereafter provided in Section 13 of this Article. The National Division Secretary-Treasurer may personally or through his accredited representative examine and audit the books and accounts of any Local Lodge as hereinbefore provided in Article V, Sections 10 and 12. Such audits may also be conducted under Article X of the IBT Constitution.

Financial reports shall be prepared and submitted by the Secretary-Treasurer of each Local Lodge as hereafter provided in Section 13 of this Article.

1 **Sec. 9.** Nomination and Election of Officers. Eligibility and good
2 standing to nominate, second, run for office and vote, shall be governed
3 by the provisions of the Merger Agreement.
4

5 The Officers of each Local Lodge of the BMWED shall consist
6 of a Past President, President, Vice President, Secretary-Treasurer,
7 Recording Secretary, and Auditing Committee of three (3) members
8 and a Grievance Committee or Committees composed of at least
9 one (1) member from the different departments. The position of Past
10 President is honorary and shall be filled by nomination and election
11 of a member who formerly filled the office of President of the Lodge.
12 The offices of Secretary-Treasurer and Recording Secretary may be
13 consolidated at the option of the Lodge.
14

15 AAny member in good standing of a Local Lodge who has
16 established seniority rights on some position coming under the
17 jurisdiction of the BMWED, and who meets the eligibility requirements
18 under the IBT Constitution and the Merger Agreement at the time of
19 nomination and election and is a member in good standing at the time
20 of assuming office, shall be eligible to be a candidate and to hold
21 office unless disqualified therefrom by provisions of these Bylaws, the
22 Merger Agreement, the IBT Constitution or applicable law; provided,
23 however, that when new lodges have been established Article II,
24 Section 4(b) of the IBT Constitution will govern.
25

26 A member in good standing who accepts employment with
27 another employer to a position under the jurisdiction of the BMWED
28 without interrupting his membership, and who transfers from one
29 Local Lodge to another in accordance with these Bylaws, shall be
30 deemed to have continuous seniority on the new position for purposes
31 of election to Union office.
32

33 All Officers of Local Lodges shall be nominated and elected as
34 hereafter provided, subject to the terms of the Merger Agreement. In
35 the United States, nominations and elections shall be held once every
36 three (3) years commencing with the fall elections in 1960 at the first
37 regular meeting of each Local Lodge in the last three (3) months of
38 the year. At the option of the Local Lodge, nominations may be held
39 either at the same meeting at which elections are held or at a meeting
40 preceding the first regular meeting of the last three (3) months when
41 elections are conducted, provided that all members in good standing
42 of the Local Lodge have been given at least fifteen (15) days advance
43 notice in writing at their last known home addresses of the date, time
44 and place at which nominations shall be made and the date, time and
45 place at which elections shall be held; and provided, further, that Local
46 Lodges may at their option permit nominations to be made by mail or
47 email with read receipt to the Secretary-Treasurer of the Lodge during
48 the period following the notice and preceding the meeting at which
49 the election is to be conducted. All Officers shall be elected from duly
50 nominated candidates as aforesaid and no "write-in" candidates are
51 permitted.
52

53 All elections shall be conducted by secret ballot vote of the

members in good standing of the Local Lodge, and each such member shall be entitled to cast one vote unless ineligible therefore under these Bylaws, the Merger Agreement or the IBT Constitution. There shall be no voting by proxy in any election of Local Lodge Officers. If only one candidate is nominated for a given office, he may be declared elected by acclamation. The requirements of law respecting a "secret ballot" vote mean the expression by ballot, voting machine, or otherwise, of a choice by the member cast in such manner that such member cannot be identified with his vote.

Every member in good standing of the Local Lodge shall be permitted to nominate candidates and shall be eligible as a candidate for office unless disqualified therefrom by provisions of applicable law or ineligible by virtue of provisions in these Bylaws, the Merger Agreement or the IBT Constitution.

Every bona fide candidate for Local Lodge office shall have the right to request distribution of campaign literature on behalf of his candidacy, and the Local Lodge shall comply with all reasonable requests of any such candidate to distribute such literature, by mail or otherwise, to all members of the Lodge in good standing provided that such distribution shall be at the candidate's own personal expense. Whenever the Lodge authorizes distribution of such literature on behalf of a bona fide candidate for office, similar distribution shall be made upon request for all other bona fide candidates and equal treatment will be accorded as to the expense to be borne by such candidates. Any discrimination in favor of or against any candidate by the Local Lodge with respect to use of membership lists, or otherwise, is prohibited. If a request is made to the Secretary-Treasurer of the Local Lodge, every bona fide candidate shall also have the right, once within a period of thirty (30) days prior to election, to inspect the list containing the names and last known addresses of all members of the Local Lodge; provided, however, that this requirement shall apply only to Lodges whose membership is subject to Union Shop Agreements in which event a membership list shall be maintained and kept by the Secretary-Treasurer of the Local Lodge at its principal office.

No funds of a Local Lodge or of an employer of any members of such Lodge shall be contributed or applied to promote the candidacy of any person for office; provided, however, that a Local Lodge may make expenditures from its funds for notices, factual statements of issues, and other items necessary to conduct elections so long as they do not involve promotion of any candidate.

The Local Lodge President shall appoint two scrutineers to receive and count the ballots separately for each office. Each candidate for office shall be entitled upon request to appoint one (1) observer who shall be permitted to witness the manner of distribution, casting and tabulation of ballots. Questions concerning validity of any ballot cast or the eligibility of any member to nominate or vote shall be decided by the scrutineers and the Local Lodge President. On or after January 1, 2006 appeals concerning eligibility shall be handled in accordance with paragraph 4.10 of the Merger Agreement.

1 A majority of the votes cast for each office is necessary to elect.
2 In the event there is less than a majority vote with three (3) or more
3 nominees, the candidate receiving the lowest number of votes shall
4 be dropped and the balloting shall proceed in this manner until one
5 candidate receives a majority. In the event of a tie vote balloting shall
6 continue until the tie is broken.

7
8 The results of the election for each office, as well as the names
9 of all nominees for such office and those members proposing the
10 nomination, shall be duly recorded in the minutes of the Lodge and
11 reported to the membership at the next meeting of the Lodge.

12
13 The Secretary-Treasurer of the Local Lodge shall preserve for
14 one year the ballots and all other records pertaining to the election of
15 Officers.

16
17 The elections conducted as aforesaid shall become effective and
18 the Officers elected shall assume their respective duties on the first day
19 of January following said elections.

20
21 Except for the foregoing specific requirements which must be
22 observed in all Local Lodge nominations and elections of Officers, and
23 except as may otherwise be provided in other Articles of these Bylaws,
24 the Merger Agreement or the IBT Constitution, Local Lodge elections
25 shall be conducted in accordance with procedures established by the
26 Local Lodge.

27
28 **Sec. 10.** Terms of Office. Commencing with the election of
29 Officers in the last quarter of 1960, or the first election held by the
30 Lodge pursuant to the provisions set forth in Section 9 of this Article,
31 all Local Lodge Officers shall serve for a term of three (3) years
32 unless relieved of their duties as provided in these Bylaws or the IBT
33 Constitution or in the case of occupying office as a result of a vacancy
34 as hereafter provided.

35
36 **Sec. 11.** Vacancies in Office. Vacancies occurring in Local Lodge
37 offices because of death, resignation, incapacity, or other cause shall be
38 filled for the unexpired term by election at a regular or special meeting
39 of the Lodge, but the procedure for elections of successors to fill such
40 vacancies may be determined by Local Lodges without regard to the
41 requirements set forth in Section 9 of this Article. Officers elected to
42 fill vacancies shall be installed and assume their duties immediately
43 following election.

44
45 **Sec. 12.** Salaries, Allowances and Expenses of Officers. Salaries
46 and expenses of Local Lodge Officers shall be determined and
47 established by the membership of the respective Local Lodges.

48
49 **Sec. 13.** Authority and Duties of Officers. The Past President shall
50 attend the meetings of the Lodge, assist in the initiation of candidates,
51 install Officers when elected, preside over the meetings in the absence
52 of the President and Vice President, and perform such other duties as
53 are required by the Ritual.

The President shall preside at all meetings of the Lodge, preserve decorum and decide all questions of order subject to an appeal to the Lodge. He shall see that a correct audit of the Secretary-Treasurer's books is made by the Auditing Committee as hereafter provided in this Section not later than thirty (30) days after the end of each quarter. He shall appoint all Committees, except the Auditing Committee and Grievance Committee, the members of which shall be elected as provided in Section 9 of this Article. He shall enforce compliance by all Officers and members of the Lodge with the provisions of these Bylaws, the IBT Constitution and the Merger Agreement and any applicable System Division or Federation Constitution and/or Bylaws. He shall cast the deciding vote on all questions in case of a tie vote of the Lodge.

The President shall also discharge on behalf of the Local Lodge such duties as may be imposed upon him by applicable law, including the execution and filing of any required reports, and he shall cause to be maintained by the Lodge such records in support of such reports and for such periods as the law requires.

The Vice President shall assist the President in the performance of his duties and in the absence of the President he shall preside at all meetings of the Lodge. The Secretary-Treasurer shall receive all communications, conduct the correspondence and have charge of the records of the Lodge. He shall keep a correct account between the Lodge and its members and between the Lodge and the System Secretary-Treasurer and/or the National Division Secretary-Treasurer, and deposit all monies in a reliable bank or trust company in the name of the BMWED, selected jointly by himself and the President of the Lodge. All disbursements from funds so deposited, whether covering remittances of collections or disbursements from the Local Lodge Treasury, shall be by check, signed by the Secretary-Treasurer and may be countersigned by the President of the Lodge. He shall collect from the members of the Lodge all BMWED required dues and initiation fees, as well as any assessments properly levied and any fines imposed by the Lodge, giving properly authorized receipts for same. He shall receive all applications for membership, receive all official dues receipts issued to him by the National Division Secretary-Treasurer or the System Secretary-Treasurer and keep a proper record of the same upon his books, rendering proper reports upon the forms provided to fully account for all such official dues receipts. He shall present to the Lodge for approval at its first regular meeting in each quarter a report of all business transacted during the previous quarter. He shall deliver to his successor (when elected, qualified and bonded) all books, papers, funds, and other property of the Lodge in his possession, taking his receipt for same. This shall include verification and turning over of the monies on deposit in the bank or trust company. He shall remit to the System Division or Federation Secretary-Treasurer all required dues and initiation fees as well as any assessments collected, at least once each month. Such remittances are to be reported on the forms provided, with the necessary copies, in accordance with standing instructions. After being duly qualified under the provisions of these Bylaws, he shall assume the duties of his office and furnish

1 the National Division Secretary-Treasurer, the System Division or
2 Federation Secretary-Treasurer and the General Chairman a list of the
3 names of Officers elected for the current term. In the case of Local
4 Lodge Secretary-Treasurers remitting direct to the National Division
5 Secretary-Treasurer instead of to the System Secretary-Treasurer, all of
6 the provisions of this paragraph shall apply except that the Secretary-
7 Treasurers of all such Lodges shall be required to remit within the same
8 stipulated time but direct to the National Division Secretary-Treasurer,
9 with the necessary copies of remittance forms provided in accordance
10 with standing instructions.

11
12 The Secretary-Treasurer shall also discharge on behalf of the
13 Local Lodge such duties as may be imposed upon him by applicable
14 law, including the execution and filing of any required reports, and he
15 shall maintain such records in support of such reports and for such
16 periods as the law requires.

17
18 The Recording Secretary shall keep a true and correct record of
19 the proceedings of each meeting of the Lodge and read the same at the
20 next succeeding meeting for action thereon. He shall also read at the
21 Lodge meetings relevant communications from the National Division,
22 the IBT, the Rail Conference, System Division or Federation or other
23 sources that are of interest to the members.

24
25 The members of the Auditing Committee shall have the duty
26 of examining the financial affairs of the Lodge. They shall meet if
27 available and audit the Lodge books not later than thirty (30) days after
28 the end of each quarter. If necessary, they may employ the services of a
29 competent auditor to assist them in making such audit and the expense
30 thereby incurred shall be paid from the Local Lodge funds. The report
31 of the Auditing Committee shall be read at the next regular meeting for
32 approval of the Lodge and filed by the Secretary-Treasurer. A copy of
33 such report shall be sent to the National Division Secretary-Treasurer
34 and the System Division or Federation General Chairman (except
35 for System Divisions or Federations qualified to receive remittances,
36 the report shall be forwarded to the System Division or Federation
37 Secretary-Treasurer). Such report shall be signed by the members of
38 the Auditing Committee if available and the Local Lodge Secretary-
39 Treasurer.

40
41 The Officers of the Grievance Committee or Committees shall
42 perform such duties as are prescribed for such Committees in Article
43 XIX, Section 11, and as may be provided in the Constitutions and
44 Bylaws of System Divisions or Federations.

45
46 **Sec. 14.** Each Local Lodge in good standing shall be entitled to
47 be represented at the National Division Convention by a delegate or
48 alternate, or a delegate ex officio as set forth in the second paragraph
49 of this Section. However, in the event a Local Lodge elects not to
50 send its own member or delegate ex officio to the National Division
51 Convention, two or more Local Lodges may elect to be represented
52 by a delegate and/or alternate of another Local Lodge in the BMWED
53 from their System Division Federation. No delegate may represent

more than five hundred (500) members at the National Division Convention unless such members are all members of one Local Lodge. A delegate or alternate to the National Division Convention may represent as many Lodges as may elect him if the total membership so represented does not exceed five hundred (500) members.

All delegates and alternates to National Division Conventions must be elected by secret ballot vote of the members in good standing of the Local Lodge by which they are accredited to the Convention; provided, however, that National Division Officers shall be delegates ex officio at all National Division Conventions as set forth in Article I, Section 6, if they are not elected as a delegate by a Local Lodge; and provided, further, that if a General Chairman or elective full time System Division or Federation Officer is not elected as a delegate by a Local Lodge, such General Chairman or such System Division or Federation Officer when designated by the General Chairman will, by virtue of his election to such office, be a delegate ex officio at all National Division Conventions (at no expense to the National Division) and accorded the same rights and privileges enjoyed by National Division Officers who are delegates ex officio as set forth in Article I, Section 6. When National Division Officers or General Chairmen or full time System Division or Federation Officers are delegates ex officio at National Division Conventions, such Officers will be entitled to cast one vote in all matters before the National Division Convention except election of National Division Officers.

All National Division Convention delegates or alternates shall be members in good standing of some Local Lodge in good standing with the National Division, and shall meet the eligibility requirements as set forth in paragraph 4.9 of the Merger Agreement, and be a member in good standing to May 1 of the Convention year.

Local Lodges shall elect delegates and alternates to the National Division Convention at a meeting held on or after January 1 of the year in which the Convention convenes. Provided, however, that Local Lodges that do not ordinarily meet between January 1 and May 1 may conduct such elections during the second half of the year prior to the year in which the Convention convenes. All members in good standing of the Local Lodge will be given at least fifteen (15) days advance notice in writing at their last known addresses of the date, time and place at which election shall be held. The National Division Secretary-Treasurer will be advised of the results of such elections in ample time for this information to be recorded at the National Division. All expenses of said delegates shall be paid by Local Lodge or Lodges represented.

The alternate will take the place of the delegate in case the delegate is unable to serve.

Credentials shall be issued to the Secretary-Treasurers of Local Lodges prior to January 1 of the year of the National Division Convention. Credentials must be signed by an elected officer of that Local Lodge. In the event that there is not a Local Lodge Officer

1 present, a System Division or Federation Officer may sign the
2 credential. Original credentials shall be given to the duly elected
3 delegates. Duplicate credentials shall be forwarded to the National
4 Division Secretary-Treasurer's office as soon as possible after the
5 election of the delegates.

6
7 Representative votes for each delegate shall be determined in
8 accordance with National Division records twenty (20) days prior to
9 the opening of the Convention, and shall reflect all members in good
10 standing as of May 1 of that year. No votes shall be added and no
11 duplicate credentials shall be accepted after twenty (20) days prior to
12 the opening of the Convention.

13
14 **Sec. 15.** Representation and Election of Delegates to System
15 Division or Federation Joint Protective Boards. Representation of Local
16 Lodges within a System Division or Federation at Joint Protective
17 Board meetings and/or System Division or Federation Conventions
18 shall be governed by the provisions of the Constitution and/or Bylaws
19 of the respective System Division or Federation. All delegates shall
20 be elected by secret ballot vote of the members of the Local Lodge as
21 hereafter provided in Article XIX, Section 4.

22
23 **Sec. 16.** Charges and Trials by Local Lodges. Charges and Trials
24 by Local Lodges shall be conducted in accordance with Article XIX of
25 the IBT Constitution, subject to the terms of the Merger Agreement.

26
27 **Sec. 17.** Affiliation with and Appointment of Delegates to
28 AFL CIO. Where it is practicable, Local Lodges should affiliate
29 with the Trades Council and State Federations of Labor (affiliated
30 with the American Federation of Labor and Congress of Industrial
31 Organizations).

32
33 The National Division President, by virtue of his office, shall be
34 one of the delegates to the Convention of the American Federation of
35 Labor and Congress of Industrial Organizations. All other delegates
36 to such Convention, to which our membership entitles us, shall be
37 appointed by the National Division President. Any member of the
38 BMWED in good standing is eligible to act as such delegate, if so
39 appointed. A list of the delegates to such Conventions shall be published

41 42 43 **ARTICLE XIX**

44 45 **Government of BMWED Protective Department, System** 46 **Divisions and Federations**

47
48 **Section 1.** Organization and Composition. A Department shall
49 be established and maintained within the BMWED to be known as
50 the Protective Department. The purpose of this Department shall be
51 the promotion of service conditions and protection of its members
52 engaged on positions of employers represented by the BMWED. For
53 the purpose of conducting the business of the Protective Department

the following agencies shall be established and maintained:

(1) System Division or Federation, Joint Protective Boards.

(2) Local Lodge or Division Grievance Committees.

(3) Such other agencies, committees or associations of the BMWED which may be established for promoting the purposes of the Protective Department when approved by the National Division Convention or the National Division President.

When, in the judgment of the National Division President, a Railway System or a large branch of a Railway System, or employer has reached a stage of organization to warrant the establishment of a Joint Protective Board, he shall either direct or, through one of his authorized agents, call for a membership vote among the membership that is affected. If the majority of the returned ballots of said membership agrees with the establishment of a Joint Protective Board, then the President must call in a duly elected delegate from each Local Lodge properly instituted on such System for the purpose of the formation of the first Joint Protective Board. Said Joint Protective Board shall be composed of as many members as are determined by said Board, and there must be, so far as is consistent, an equal number of Board members from each Department.

If it is determined by the National Division President that a newly organized property does not warrant the establishment of its own independent Joint Protective Board, he shall assign the newly organized members to an existing System Division or Federation. Any appeal of the National Division President’s decision shall be submitted to the National Division Executive Board.

Sec. 2. Membership Participation. Each member in good standing in the BMWED shall be required to participate in the Protective Department subject to the laws, rules and regulations by which it is now or may hereafter be governed.

Any member of the BMWED in good standing within the jurisdiction of a System Division or Federation Joint Protective Board is eligible for membership on said Board; provided, however, that after organizing, such Boards may, consistent with the provisions of these Bylaws, the Merger Agreement and applicable law, decide eligibility to membership on said Board.

Sec. 3. Governing Laws. Each System Division or Federation Joint Protective Board, its Officers, representatives and members shall recognize, observe and be bound by the provisions of these Bylaws and interpretations thereof rendered by the National Division President as provided in Article III, Section 2, the resolutions, decisions and directives of the Executive Board or Officers of the National Division when made in conformity with the authority granted by these Bylaws, the resolutions adopted and policies established at National Division Conventions, and the Merger Agreement. Subject to these provisions

1 such Joint Protective Boards may adopt a Constitution and/or Bylaws
2 supplementary to these Bylaws for the purpose of establishing
3 procedures for the conduct of their internal affairs and business
4 provided that none of the provisions of such Constitutions and/or
5 Bylaws shall be in conflict with these Bylaws, the IBT Constitution or
6 the terms of the Merger Agreement and that prior to becoming effective
7 all such Constitutions and/or Bylaws and any amendments thereto shall
8 be approved by the National Division President. Any member or Local
9 Lodge within the jurisdiction of a System Division or Federation Joint
10 Protective Board violating or failing to comply with said Constitutions
11 and/or Bylaws after such approval and adoption shall be subject to the
12 same penalties as those prescribed for violating any provisions of these
13 Bylaws, the IBT Constitution or the terms of the Merger Agreement.
14

15 **Sec. 4.** Representation and Election of Local Lodge Delegates
16 to System Division or Federation Joint Protective Board Meetings
17 and/or Conventions. The Joint Protective Boards of each System
18 Division or Federation may decide and prescribe in their Constitutions
19 and/or Bylaws in what manner the Local Lodges coming under their
20 jurisdiction shall be represented on their respective boards, as provided
21 in Section 2 of this Article, but each such Protective Board shall
22 prescribe in its Constitution and/or Bylaws procedures governing the
23 nomination and election by Local Lodges within its jurisdiction of
24 delegates to the System Division or Federation Conventions and/or
25 meetings of the Board. Such provisions shall be subject to the terms
26 of the Merger Agreement and shall include the following requirements
27 of existing law:
28

29 All delegates and alternates shall be elected by secret ballot vote
30 of the members in good standing of the Local Lodge by which they
31 are accredited.
32

33 **Sec. 5.** Nomination and Election of System Division or Federation
34 Officers. For nominations and elections held on or before December
35 31, 2005, eligibility and good standing to nominate, second, run for
36 office and vote, shall be governed by the provisions of the BMWE
37 Constitution and Bylaws in effect immediately prior to the merger. For
38 nominations and elections held on or after January 1, 2006, eligibility
39 and good standing to nominate, second, run for office and vote, shall be
40 governed by the provisions of the Merger Agreement.
41

42 Effective with elections to be held during 1960 and thereafter, all
43 Officers of System Divisions or Federations shall be elected not less
44 often than once every four (4) years by either of the following two (2)
45 methods: (1) by secret ballot vote of the members in good standing of
46 each Local Lodge under the jurisdiction of such System Division or
47 Federation or (2) by delegates and incumbent Officers of the System
48 Division or Federation who have been elected by secret ballot vote of
49 the members of said Local Lodges to represent them on such System
50 Division or Federations. Any incumbent Officer of a System Division
51 or Federation originally elected by secret ballot vote to represent a
52 Local Lodge on the System Division or Federation may continue to
53 participate in future elections if so permitted by the System Division's

or Federation’s Constitution and/or Bylaws and so long as he remains an Officer and provided that Local Lodges are given an opportunity to elect new delegates prior to each election held by the System Division or Federation.

If such elections are conducted in accordance with Method No. 1 above, by secret ballot vote of the members in good standing of each Local Lodge comprising the System Federation or Division, such election shall be conducted by referendum of said membership and a plurality of the votes cast for each office shall be sufficient to elect. Prior to any such election a reasonable opportunity to nominate candidates shall be afforded by at least fifteen (15) days advance notice in writing to members of the Local Lodges at their last known addresses of the date, time, and manner in which nominations will be received and the election held. If elections by System Divisions or Federations are conducted in accordance with Method No. 2 above, by having only Local Lodge delegates and incumbent Officers as aforesaid participate in the election, then the elections shall be by majority vote after at least fifteen (15) days advance notice in writing to the delegates and incumbent Officers of the date, time, and place in which nominations shall be made and the elections conducted.

The following Officers (or others of comparable title) shall be elected by System Divisions or Federations: A General Chairman, Vice Chairman, Assistant Chairman, Secretary-Treasurer and an Executive Committee consisting of such Officers as shall be designated by the respective System Divisions or Federations in their Constitutions and/or Bylaws. At the option of a System Division or Federation the positions of Vice Chairman, Assistant Chairmen and Secretary-Treasurer may be consolidated in the interest of economy. In addition to the foregoing Officers required by these Bylaws, the term “Officer” and the requirements pertaining to his election shall include any member, however designated or titled in the Constitution and/or Bylaws of a System Division or Federation, who is authorized to perform the functions of any of the Officers above enumerated or those of President, Vice President, Secretary-Treasurer or other executive functions of a System Division or Federation, or those members of its Executive Committee or similar governing body, if any, and any other member performing functions designated as those of an Officer in the System Division’s or Federation’s Constitution and/or Bylaws.

No funds received by any System Division or Federation by way of dues, assessments, or similar levy, and no money of an employer of any members of a System Division or Federation, shall be contributed or applied to promote the candidacy of any person in an election conducted by the System Division or Federation; provided, however, that System Divisions or Federations may make expenditures from their funds for notices, factual statements of issues, and other expenses necessary to conduct elections so long as they do not involve the promotion of any candidate. The Secretary-Treasurer of a System Division or Federation, or such other Officer as may be designated in its Constitution and/or Bylaws, shall preserve for one year the credentials of all delegates elected by Local Lodges

1 under the jurisdiction of such System Division or Federation and all
2 minutes and other records of Conventions and/or meetings pertaining
3 to the election of Officers.

4
5 Except for the foregoing specific requirements which must
6 be observed in all elections of Officers of System Divisions and
7 Federations, and except as may otherwise be prescribed in other
8 provisions of these Bylaws, the IBT Constitution or the Merger
9 Agreement, nominations and elections of Officers by System Divisions
10 and Federations shall be conducted in the form and manner and in
11 accordance with the procedures set forth in their Constitutions and/
12 or Bylaws including eligibility requirements for Officers which shall
13 not be inconsistent with the Merger Agreement or with prohibitions of
14 applicable law, filling of any vacancies in office, and terms of office,
15 provided that no such term shall exceed four (4) years.

16
17 Following the election of Officers on a newly organized System
18 Division or Federation, or when a change is made in the position
19 of a General Chairman on an organized road, the President of the
20 National Division will officially notify in writing the Management
21 of the company or companies on which the General Chairman is to
22 serve. The General Chairman, following such notification, will advise
23 the Company Officials of any other System Division or Federation
24 Officers authorized to handle organization matters with such officials.

25
26 Following the election of a General Chairman on a newly
27 organized company and the notification of the Management by the
28 National Division President, the General Chairman will officially
29 notify each Division Superintendent, or corresponding management
30 official, in writing, of the Local Chairman or Chairmen authorized to
31 handle matters for the organization on said Division or company and
32 will keep said officials notified of any changes in said Local Chairmen.
33 This provision will also apply to all organized companies.

34
35 **Sec. 6. Authority and Duties of Officers.** System Divisions or
36 Federations shall prescribe in their Constitutions and/or Bylaws the
37 authority to be exercised and duties to be performed by their Officers
38 consistent with the provisions of these Bylaws, the Merger Agreement
39 and applicable law. In prescribing such authority and duties each
40 System Division or Federation shall include the following as a part of
41 the duties of its General Chairman and Secretary-Treasurer:

42
43 The General Chairman shall discharge on behalf of the System
44 Division or Federation such duties as may be imposed upon him by
45 applicable law including the execution and filing of any reports to
46 Federal or State authorities and he shall cause to be maintained by
47 the System Division or Federation such records as the law requires to
48 be kept for a period of not less than five (5) years in support of such
49 reports.

50
51 The Secretary-Treasurer shall discharge on behalf of the System
52 Division or Federation such duties as may be imposed upon him by
53 applicable law including the execution and filing of any reports to

Federal or State authorities, and he shall maintain such records as the law requires to be kept for a period of not less than five (5) years in support of such reports.

Each of such Officers of a System Division or Federation as are required by applicable law to execute and file reports as aforesaid shall be personally responsible for the filing of such reports and for any statement contained therein which he knows to be false.

Each elected System Division or Federation Officer shall remit to the Secretary-Treasurer of his System Division or Federation (if qualified to receive remittances; otherwise, to the National Division Secretary-Treasurer) all collections received by him, including full initiation fees, at least once each month.

Sec. 7. Meetings of Joint Protective Boards and/or Conventions. Conventions of System Divisions or Federations and meetings of Joint Protective Boards shall be held as prescribed in the Constitutions and/or Bylaws of the respective System Divisions or Federations; provided, however, that the General Chairman may convene a Joint Protective Board at such other times and places and under such conditions as he may deem necessary; and provided, further, that the National Division President may convene any Joint Protective Board in case of emergency or at the request of a majority of the members of said Board upon request in writing signed by such members and stating their reasons therefore.

Sec. 8. Investment and Expenditure of System Division or Federation Funds. The money and property of a System Division or a Federation shall be used solely for the benefit of the BMWED, the System Division or Federation and the Local Lodges and their members within its jurisdiction, and not for the personal gain of any Officer or member. System Divisions or Federations, their Officers, agents, representatives or employees who handle a System Division's or Federation's funds or property shall be held to this standard of conduct and accountable for any breach thereof under these Bylaws. Such Officers as are given the responsibility under these Bylaws or under System Division or Federation governing laws shall manage, invest and expend the funds and property of the System Division or Federation only in accordance with the applicable provisions of said governing laws and any resolutions properly adopted thereunder.

Each System Division or Federation Secretary-Treasurer must keep the System funds in his possession on deposit in the name of the System in a reliable bank or trust company and must maintain proper records of all financial transactions of the System Division or Federation and be prepared at all times to make a complete accounting of all funds turned over to him or remitted to him.

System Divisions or Federations shall not contract, agree or be obligated in any way to pay salary and expenses to any Joint Protective Board member or Officer, or to incur any obligations of any kind with members or others beyond the extent of System Division

1 or Federation funds and current income of such System Divisions or
2 Federations without the approval of the National Division Officers.
3 Any obligations incurred contrary to the foregoing provisions shall
4 not create a claim or lien against the System Divisions or Federations
5 or the National Division beyond the extent of available funds in the
6 System Division or Federation treasuries.

7
8 None of the funds of a System Division or Federation shall be
9 obligated or used directly or indirectly to pay the fine of any Officer or
10 employee convicted of any willful violation of the Labor Management
11 Reporting and Disclosure Act of 1959, but this prohibition shall not
12 prevent the assumption by the System Division or Federation of the
13 costs of defending the System Division or Federation or any of its
14 Officers, agents, representatives or employees in any civil or criminal
15 proceedings in which they may become involved for any alleged
16 violations of law.

17
18 Each System Division/Federation is required to have sufficient
19 funds available to the National Division to enable the National
20 Division to timely pay from such funds specified bills and payroll on
21 behalf of the System Division/Federation. Absent sufficient funds,
22 including dues payments received on behalf of the System but not
23 yet processed, payment of the System Division/Federation bills
24 and payroll will not be made by the National Division. A System
25 Division/Federation may provide the National Division with written
26 pre-authorization to withdraw funds from the System Division/
27 Federation funds that are maintained by the National Division for the
28 sole purpose of eliminating shortfalls that may occur in the future.
29 The System Division/Federation will be immediately advised in
30 writing of such withdrawals.

31
32 **Sec. 9.** Negotiation and Adoption of System Division or
33 Federation Collective Bargaining Agreements. The BMWED, acting
34 through its duly selected and authorized Officers, committees, or
35 representatives, has full and sole authority to represent all employees
36 who are members of the BMWED in the negotiating, interpreting and
37 applying of agreements covering wages, hours, and other conditions
38 of employment, made and entered into under the provisions of the
39 Railway Labor Act or the National Labor Relations Act; to represent
40 such employees in all conferences, negotiations, or other proceedings
41 with the management; to appear and represent all such employees
42 before any tribunal authorized to consider or adjust claims arising out
43 of the interpretation or application of such agreements, and to adjust,
44 compromise and settle all such claims.

45
46 The duly authorized committee of the Joint Protective Board,
47 acting in accordance with the System Division or Federation
48 Constitution and/or Bylaws, shall have the power, with the approval
49 of the National Division President or his designated representative, to
50 enter into agreements with company officials with respect to wages
51 and terms of employment of the men they represent. Said rules and
52 agreements, may be tentatively initialed by the General Chairman
53 or General Chairmen involved, pending approval by the National

Division President or his designated representative. Upon approval, such agreement may be signed and shall be binding upon all members employed on the company or companies. As it relates to collective bargaining following a moratorium on issues involving wages, rules and benefits, Joint Protective Boards shall not begin negotiations with company officials until the schedule to be presented has been approved by the National Division President or his designated representative, and a fund collected to defray the expenses incurred by the Board during the pendency of negotiations. Such preparatory arrangements are not mandatory for other negotiations.

The National Division will, subject to its own discretionary limitations, bear the expense of all negotiations in the changing of rules and wage conditions after same have been referred to the National Mediation Board, Board of Arbitration or other lawfully constituted body by the System Division or Federation, and will pay for and provide such System Division or Federation with a copy of any written proceedings taken before any such body. The National Division will not be required under the provisions of this paragraph to pay any part of the salary or expenses of any Officer of a System Division or Federation in the United States under the provisions of the Railway Labor Act, the National Labor Relations Act or subsequent acts.

Any System Division or Federation shall have the right to include in its Bylaws a provision which mandates the General Chairman and/or Joint Protective Boards to alter or amend the language of collective bargaining agreements and to submit any proposed agreements made by such General Chairman and/or Joint Protective Boards to affected rank and file for ratification or rejection.

All negotiating committees established and tasked with negotiating collective bargaining agreements between the National Division, and employers shall include rank-and-file members who work under such agreement and they shall have the right to fully participate as members of such committee.

Sec. 10. Violation of Collective Bargaining Agreements. If any of the rules or agreements negotiated and adopted as provided in Section 9 of this Article are violated by any member of any Grievance Committee, he shall be immediately removed from office by the National Division President subject to the provisions of Article III, Section 8.

Any Local Lodge authorizing any member or Grievance Committee to do any act or enter into any agreement by letter or otherwise whereby the provisions of said rules or agreements would be violated shall, upon conviction thereof, be suspended and its charter revoked by the National Division President subject to the provisions of Article III, Section 8.

The General Chairman shall refer any charges of said violations to the National Division President for appropriate action under Article III, Section 8, subject to the terms of the Merger Agreement.

1 **Sec. 11.** Adjustment of Grievances with Management. Any
2 individual represented by the BMWED, believing that he has been
3 unjustly dealt with by a company representative or otherwise aggrieved,
4 shall govern himself according to the terms of agreement in force on
5 the position on which employed. Each respective System Division
6 and Federation has established procedures for the handling of claims
7 and grievances which are best suited to the needs of the membership
8 represented through such System Divisions and Federations. These
9 procedures, which have been established to conform with applicable
10 claim and grievance rules, should be adhered to by BMWED members
11 and committees in the handling of grievances. It is recognized that the
12 General Chairman or his duly authorized representative is empowered
13 to initiate and handle grievances of any nature at any time to protect the
14 interests of the membership. Expenses incurred in connection with the
15 handling of grievances by a Local Lodge Grievance Committee shall
16 be defrayed by the Local Lodge. Expenses incurred in connection with
17 the handling of grievances by the System Division or Federation shall
18 be defrayed by the System Division or Federation.

19
20 The General Chairman shall carefully and impartially examine
21 all grievances and other matters referred to him and proceed to adjust
22 the same upon the basis of equity and justice, and every honorable
23 means shall be exhausted in trying to effect an amicable settlement of
24 the matter in dispute. A settlement effected between the appropriate
25 Officer of the company and the General Chairman will definitely
26 dispose of the matter at issue.

27
28 **Sec. 12.** National Division Assistance in Adjustment of
29 Grievances with Management. When a Joint Protective Board appeals
30 to a National Division Officer for aid in adjusting grievances, the Board
31 shall endeavor to have a distinct understanding as to the time and place
32 of meeting with the company representative making due allowance for
33 the convenience of both parties.

34
35 If the National Division President receives notification for aid in
36 adjusting grievances, he shall meet with or depute a National Division
37 Officer to meet the Joint Protective Board or such Committee as is
38 authorized by said Board, and efforts to reach an amicable adjustment
39 of the grievance shall be renewed. Failing in this, the Joint Protective
40 Board or such Committee as is authorized by said Board may, with the
41 sanction of the National Division President and through the procedure
42 prescribed by him, ascertain the wishes of the membership respecting
43 a strike as provided in Section 13 of this Article.

44
45 **Sec. 13.** Authorization of System Strikes. System strikes shall be
46 authorized by the procedure outlined in Paragraph (a) or (b) of this
47 Section 13.

48
49 **(a)** Ballots shall be prepared concisely stating the matter
50 in dispute, the efforts made to adjust such dispute, the results
51 of such efforts, and the question as to whether or not members
52 should concertedly withdraw from service until the said dispute
53 is adjusted. Such ballots shall then be submitted on the System or

company affected for referendum vote by the membership. If two thirds of the members in good standing on said company vote in favor of such withdrawal, the National Division President, with the approval of a majority of the Joint Protective Board and the National Division Officers, may order a strike of all employees affected, subject to the terms of the IBT Constitution.

(b) All Local Lodges on the company or companies affected shall be convened in regular or special meeting through the issuance of a special notice advising such Lodges as to the time, place and purpose thereof, at which time they shall be fully informed as to the matter or matters in dispute and the handling given to date. The members in good standing in attendance at each meeting shall then be empowered to cast the vote of the Local Lodge for or against the question at issue. The voting strength of the Local Lodge shall be predicated on its paid up membership in accordance with National Division records. If a majority of the members in attendance vote to withdraw from service until the dispute is adjusted, the vote of the Local Lodge will be recorded as favoring a withdrawal from service if such action becomes necessary. If two thirds of the members in good standing on the company or companies affected are recorded in favor of such withdrawal, the National Division President, with the approval of a majority of the Joint Protective Board and the National Division Officers, may order a strike of all employees affected, subject to the terms of the IBT Constitution.

Sec. 14. National and Regional Associations. National and Regional Associations, are hereby created for the purpose of protecting and promoting the collective bargaining and legislative interests of BMWED through the exchange of information, experience and views among and between their members, and for such other purposes consistent with promoting their members' effective performance of their respective duties.

The National Association shall be composed of all General Chairmen, Vice Chairmen, Assistant Chairmen and Secretary-Treasurers of System Divisions or Federations, or others of comparable title, and all National Division Officers and Appointees. National Division Appointees will be non voting members of the National Association.

Regional Associations shall be composed of all the General Chairmen, Vice Chairmen, Assistant Chairmen and Secretary-Treasurers of System Divisions or Federations, or others of comparable title, within a prescribed region, the National Division President, the Secretary-Treasurer, the Vice President or Vice Presidents assigned to such region, and the Vice President at-large.

Except for National Division Officers, the salaries and expenses related to attending National and Regional Associations shall be borne by the

4 Northeast Region South Region
5 Northwest Region West Region

7 When it becomes apparent that it is the desire of the members
8 to inaugurate a general movement for the improvement of wages or
9 general working conditions, the National Division President shall
10 convene the National Association for the purpose of considering
11 and determining what action shall be taken in connection with such
12 movement.

13
14 It shall be the policy of the BMWED to establish uniform basic
15 working rules and rates of pay for members performing comparable
16 work.

17
18 Effective January 1, 1999, upon acceptance of any new National
19 Agreement applicable to railroads or other companies bargaining
20 nationally in the United States under this Section and prior to the
21 execution thereof, the National Division President or his designated
22 representative shall submit a summary of the proposed new agreement
23 to all active members of the BMWED directly affected by such
24 agreement for its ratification or rejection by a majority of ballots
25 returned.

26
27 **Sec. 15. Right to Copies of Collective Bargaining Agreements.**
28 A copy of any collective bargaining agreement adopted pursuant to
29 the provisions of Sections 9 or 14 of this Article shall be forwarded by
30 the System Division or Federation, National or Regional Association
31 negotiating such agreement to each constituent System Division or
32 Federation or Local Lodge which has members directly affected
33 by such agreement; and copies shall be maintained at the principal
34 office of all such System Divisions or Federations and Local Lodges
35 available for inspection by any member or by any employee whose
36 rights are affected by such agreement.

37
38 **Sec. 16. Authorization of National Strikes.** No suspension of
39 work of national character shall be sanctioned by the National Division
40 President and National Division Officers unless a strike has been
41 authorized by one of the following methods and approved, if necessary,
42 under the terms of the IBT Constitution:

43 1. In the event of a general dispute covering wages and
44 working conditions which cannot be settled through conference
45 or arbitration, the National Division President may cause ballots
46 to be prepared, concisely stating the dispute involved, efforts
47 made to adjust it and results obtained, and submit the question
48 at issue to all employees coming under the jurisdiction of the
49 BMWED on all railways or companies affected by the dispute,
50 for a referendum vote as to whether or not they will concertedly
51 withdraw from the service of the companies until the said dispute
52 is adjusted. If two thirds of such members in good standing vote
53 to withdraw from service, the National Division President, with

the approval of the National Division Officers, is authorized to order a suspension of work of all members coming under the jurisdiction of the BMWED on all railroads or companies affected by such dispute; or,

2. If, in the judgment of the General Chairman, it would be preferable to convene the Local Lodges for the purpose of ascertaining whether or not the membership desires to withdraw from service, the method prescribed in Section 13 (b) of this Article may be followed; or,

3. If two thirds of the members in attendance at a National Division Convention, or at a National Association meeting, vote to concertedly withdraw from the service of the company or companies until the said dispute is adjusted, the National Division President is authorized to order a suspension of work of all members coming under the jurisdiction of the BMWED on all railroads or companies affected by such dispute.

4. Members participating in an authorized work stoppage shall not be ordered back to work unless the dispute has been satisfactorily disposed of.

Sec. 17. Violations of Strike Calls. When a suspension of work is ordered under the provisions of the foregoing Sections, the National Division President shall at once cause official notice to be sent to all Local Lodges, stating the causes which led to the same.

All strikes called pursuant to valid authorizations and sanctions as provided in Sections 13 and 16 of this Article are compulsory upon the members of the BMWED. Any member of the BMWED who has been found guilty pursuant to Section 21 of this Article of acting either directly or indirectly, as a strikebreaker during any authorized strike, or failing to comply with a valid strike called by our union or a sister union under the Railway Labor Act or National Labor Relations Act, shall be subject to a minimum fine of \$200.00 per day for each day that the member worked during the strike, and/or a suspension or expulsion. Such member will also be ineligible to hold any union office or position in the BMWED.

A member shall be considered as not being in compliance with a valid strike call by virtue of working at any location on the carrier or company involved, regardless of whether there are pickets at such location.

Distribution of fines levied under provisions of this Article shall be divided equally among the member's Local Lodge, the member's System Division or Federation, National Division and the strike fund.

Should any member of a Joint Protective Board decline to work in harmony with other members of a Board, or refuse to aid in carrying out the instructions of the National Division Officers, or be guilty of conduct unbecoming as a member of the BMWED, he may be

1 suspended by a two thirds vote of the members of such Board and not
2 allowed to be present or take part in the meetings between the Board
3 and the company officials, and report on such conduct made to his
4 Local Lodge for their action.

5
6 Any member of a Joint Protective Board who shall divulge
7 any part of the business or proceedings of such Board to anyone
8 not entitled to know, or who shall sign any document presented to
9 him by any person for the purpose of nullifying his obligations to
10 the BMWED, shall be deemed guilty of conduct unbecoming of a
11 member of such Board and, upon a two thirds vote of the Board, he
12 shall be expelled therefrom and report made to his Local Lodge for
13 their action.

14
15 **Sec. 18.** Special Assessments to Finance Strikes. Special
16 assessments to defray the expenses of authorized work stoppages may
17 be levied upon all members after approval of the National Division
18 Executive Board as provided in Article VI, Section 10.

19
20 The Joint Protective Board is authorized to instruct the National
21 Division Secretary-Treasurer to levy such assessments in advance,
22 upon the members employed on the System over which it has
23 jurisdiction, as may be necessary to carry forward their work, and
24 any member failing or declining to pay such assessment shall stand
25 suspended after the last day of payment mentioned in the call. The
26 National Division Secretary-Treasurer shall issue to each Local Lodge
27 and System Division or System Federation Secretary-Treasurer a
28 receipt for monies thus paid.

29
30 The National Division President in conjunction with the
31 Executive Board shall have authority to use such funds raised by such
32 assessments for payment of strike benefits and health and welfare
33 benefits to our members who are on strike or withholding service
34 observing other picket lines. All other strike related expenses must
35 come out of the general fund.

36
37 During the continuance of an authorized suspension of work,
38 participating members who are unemployed because of such strike
39 shall be exempt from the payment of the special assessment subject to
40 the terms of the Merger Agreement.

41
42 **Sec. 19.** Strike Benefits. Members out on authorized strikes or
43 locked out by management shall be paid such amounts for their relief
44 as the funds of the National Division may warrant, which payment
45 shall terminate upon the date the strike or lockout is terminated.
46 Members receiving such benefits shall register each day. Striking
47 members securing employment elsewhere shall be excluded from all
48 strike benefits.

49
50 **Sec. 20.** Unauthorized Strikes. Any member or members
51 willfully causing a strike or participating therein which has not been
52 authorized as provided in Section 13 or 16 of this Article shall be
53 guilty of misconduct and subject to expulsion from the BMWED after

charges and trial by their Local Lodges as provided in these Bylaws or the Merger Agreement.

Sec. 21. Charges and Trials by System Divisions or Federations. Charges and trials by System Divisions or Federations shall be conducted in accordance with Article XIX of the IBT Constitution, subject to the terms of the Merger Agreement. Any provision of existing System Division or Federation Constitutions and/or Bylaws which is inconsistent with these requirements or the Merger Agreement shall be of no force and effect.

Sec. 22. Consolidation of System Divisions or Federations. When two or more System Divisions or Federations are consolidated and operated as one unit, the Joint Protective Boards on such System Divisions or Federations may consolidate or federate in order to facilitate the representation of the members thereon, in the following manner.

When two or more System Divisions or Federations of approximately equal mileage and importance are consolidated, the Joint Protective Boards on such Systems may meet in joint session. At such joint session, existing Constitutions and/or Bylaws shall be suspended and all Officers' positions declared vacant, and a new Constitution and/or Bylaws suitable for the government of the Consolidated System Division or Federation shall be adopted and new Officers elected.

Where a small System Division or Federation is being consolidated or absorbed by a large System Division or Federation, the System Organization on such small absorbed System may become affiliated with the System Organization on the large absorbing System and shall be governed by the Constitution and/or Bylaws in effect on such larger System Division or Federation with respect to representation and otherwise.

In all cases of consolidations of two (2) or more System Divisions or Federations, the funds of those which consolidate shall revert to the System Division or Federation in which they are consolidated; however, all records shall become the property of and be returned to the National Division for such distribution as may be appropriate.

In all cases of abandonment of a System Division or Federation, the funds and records shall be returned to the National Division in accordance with the procedure provided in Article XVIII, Section 2, for dissolution of Local Lodges.

ARTICLE XX

Amendments

Section. 1. These Bylaws may be altered, amended or repealed in its entirety by a majority vote of the delegates present at the National Division Convention after written notice of proposed

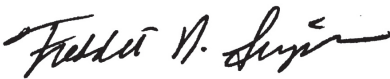

1 amendments, which shall specify the Articles and Sections intended
 2 to be changed, which have been timely submitted for publication in
 3 the official trade journal of the BMWED in advance of the National
 4 Division Convention; provided, however, that the last such notice is
 5 printed thirty (30) days before said National Division Convention; and

 7 of the National Division, three fourths of the delegates present, shall
 8 agree on the proposed alterations or amendments to the these Bylaws
 9 or the repeal in its entirety thereof, such changes may be made without
 10 the above required notice.

11
 12 When changes in our National Division Bylaws are required
 13 to comply with Federal laws, the National Division President and
 14 the National Division Secretary-Treasurer, with the approval of the
 15 National Division Officers, will be authorized to make the required
 16 changes during the interim between National Division Conventions.
 17 Such change(s) must comply with the IBT Constitution, subject to the
 18 terms of the Merger Agreement.

19
 20 **Sec. 2.** Any proposed alterations, amendments or changes in the
 21 Bylaws which are to be submitted to the Convention must be referred
 22 to the Bylaws Committee when such Committee convenes prior to the
 23 National Division Convention as provided in these Bylaws.

24
 25 **Sec. 3.** A copy of the report of the Bylaws Committee shall
 26 be placed in the hands of each delegate to the National Division
 27 Convention not later than the close of the opening day's session of the
 28 Convention.

29
 30 The primary purpose of the National Division Convention shall
 31 be to conduct the important business of the BMWED which involves
 32 the National Division's Bylaws, and amendments thereto, Reports of
 33 the National Division Officers, Reports of the Committees provided
 34 for by the National Division Bylaws and discussion involving the
 35 welfare of the BMWED. Effective with the convening of the National
 36 Division's next Regular Convention, all of the above affairs will be

RE: BMWED - IBT IN THE FOREFRONT OF RAIL LABOR

(REAFFIRMED)

WHEREAS, The ongoing and future contract negotiations are of the utmost importance to the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters; and

WHEREAS, It is important that the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters be the leading participant in rail labor's struggle for full employment, fair wages and dignity on the job; Therefore, be it

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters go on record to request that the National Division President to take all reasonable steps to ensure that the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters will be in the forefront of the rail labor unions on issues of full employment, fair wages and dignity on the job.

RESOLUTION NO. 2

RE: ARTICLE XIX, SECTION 9 - CONTRACT APPROVAL

(REAFFIRMED)

WHEREAS, Article XIX, Section 9 of the National Division Bylaws restricts a system from beginning negotiations with railway officials until the schedule to be negotiated has been presented to and approved by the National Division President or his designated representative; and

WHEREAS, Article XIX, Section 14 states that it shall be the policy of the Brotherhood to establish uniform basic rules and rates of pay for members performing comparable work; and

WHEREAS, Article III, Section 8 of the National Division Bylaws states that the National Division President shall have the power to suspend from office any National Division or system division or federation officer who, without having obtained the President's permission, deviates from any uniform wages or rules and working conditions policy that has been or shall be established; and

WHEREAS, The general chairpersons, on a day-to-day basis, have contact with carrier officers; and

WHEREAS, Many times the carrier or the Organization wishes to discuss changes in wages, rules and working conditions; and

WHEREAS, Sometimes it would be beneficial to the members we represent if we could initial an agreement at that time if the system division or federation officer only knew what the National Division policy was on wages, rules and working conditions; Therefore, be it

RESOLVED, That National Division continue its policy concerning wages, rules and working conditions; and, be it further

RESOLVED, That such policy and any changes in such policy be

distributed to each general chairperson; and, be it further

RESOLVED, That a system division or federation can negotiate with carrier officers without first getting National Division approval concerning changes in wages, rules and working conditions so long as those negotiations do not involve changes in wages, rules and working conditions below the standard set by National Division; and, be it further

RESOLVED, That if such negotiations result in a tentative agreement with the carrier, that the general chairperson will be authorized to initial such agreement pending the approval of the National Division President or his authorized representative.

RESOLUTION NO. 3

RE: HONORING OF UNION PICKET LINES

(REAFFIRMED)

WHEREAS, The members of the Brotherhood recognize that only through solidarity with their sister unions can we expect to prevail in our just demands with the railroads; and

WHEREAS, The primary method to show solidarity with other railway unions is to respect and honor their picket lines; and

WHEREAS, The Brotherhood can instruct a member to respect and honor the picket lines of another union subject to prevailing law. The Brotherhood can and must encourage each of its members to respect and honor the picket lines of another union; Therefore, be it

RESOLVED, That it shall be the policy of the Brotherhood to honor the picket lines of unions on strike. For clarification, the Brotherhood considers all locations on the lines of a railroad to be picketed where such lawful strike action has been taken by a union whether or not a picket sign is physically present; and, be it further

RESOLVED, That it shall also be the policy of this Brotherhood to represent, to the best of our ability and means, any member of our Brotherhood who has been subjected to any disciplinary action by a carrier as a direct result of having voluntarily honored a union's picket line; and, be it further

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters reaffirm this policy of honoring picket lines when a sister union is on strike.

RESOLUTION NO. 4

RE: UNEMPLOYMENT BENEFITS

(REAFFIRMED)

WHEREAS, Members of our Organization drawing unemployment benefits are faced with the continued rise in the cost of living; and

WHEREAS, The present daily benefits thereof are not sufficient to meet today's high cost of living; and

WHEREAS, The continued rise in inflation has placed extreme hardships on our members; and

WHEREAS, The effects of sequestration have affected the value of unemployment benefits; Therefore, be it;

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters go on record requesting that said daily benefits be increased to the amount consistent with the current cost of living; and, be it further

RESOLVED, That the Delegates of the Fifth Regular National Division Convention urge our National Division President to take this matter into consideration for handling in an expeditious manner.

RESOLUTION NO. 5

RE: RAILROAD EMPLOYEES' MEDICAL RECORDS (REAFFIRMED)

WHEREAS, Railroad employees do not pay into state workers' compensation funds; and

WHEREAS, Railroad employees are ineligible for state workers' compensation benefits; and

WHEREAS, State workers' compensation acts provide that an employee receiving workers' compensation benefits automatically grants release of confidential medical information concerning his/her injury to his/her employer as a condition of receiving benefits; and

WHEREAS, The Railroad Unemployment Insurance Act does not require such medical disclosure to the railroad employer as a condition of receiving Railroad Sickness Benefits; and

WHEREAS, The Federal Employers' Liability Act provides railroad employers with unlimited liability for job-related injuries to railroad employees; and

WHEREAS, Medical practitioners, clinics and hospitals rarely understand the differences between medical information release requirements of the job-related injury compensation programs for non-railroad and railroad employees; and

WHEREAS, Railroad claims agents frequently illegally obtain confidential medical information about injured railroad employees by knowingly and falsely asserting to the medical care providers that the injured railroad employee is covered by the information release provisions of state Workers' Compensation Acts; Therefore, be it

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters go on record instructing BMWED - IBT-endorsed State Representatives and Senators to introduce and/or support legislation requiring:

1. All licensed medical practitioners, clinics, hospitals and other medical facilities to carry out a program to educate all of their employees with

access to medical records that railroad employees are not covered by the Workers' Compensation Acts and that medical information cannot be released without the written consent of that employee.

2. Automatic suspension or revocation of the operating license(s) of any medical practitioner, clinic, hospital or medical facility which releases any medical records of any railroad employee to his/her employer or that employer's agent without the employee's prior written consent.
3. Immediate notification of the railroad employee affected at his/her last known address of the identity of any individual or corporation to whom his/her medical records, or any portion thereof, are released.
4. Felony penalties including mandatory minimum prison sentence for any railroad employer's officer or agent who attempts to obtain any portion of any other railroad employee's medical records by asserting that he is acting under state workers' compensation statutes and/or that the employee whose records are being requested is covered by state workers' compensation benefits.
5. Any medical practitioner, clinic, hospital or other medical facility to immediately notify the State Attorney General of any request made for any portion of any railroad employee's medical records under the pretense of workers' compensation coverage to allow prompt investigation and prosecution by the appropriate enforcement agency.

RESOLUTION NO. 6

RE: INSURANCE - FURLOUGHED EMPLOYEES

(REAFFIRMED)

WHEREAS, Furloughed employees lose their health insurance and other benefits after four months of furlough; and

WHEREAS, These employees are least able to afford to pay the premiums to continue coverage through their furlough period; Therefore, be it

RESOLVED, That the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters attempt to negotiate a contract to continue insurance benefits to all furloughed employees holding seniority under a BMWED - IBT Agreement.

RESOLUTION NO. 7

RE: CONTRACTORS TO PAY RAILROAD RETIREMENT TAXES

(REAFFIRMED)

WHEREAS, The contracting out of work is one of the most important issues facing our membership; and

WHEREAS, Thousands of our members have lost their jobs on account of contractors performing Maintenance of Way duties and are unable to continue to provide a decent standard of living for themselves and their families; and

WHEREAS, The contractors' forces are not required to pay into the Railroad Retirement system; and

WHEREAS, The National Carriers Conference Committee has announced through past Section 6 Notices that they have a work exit strategy to eliminate the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters' forces; Therefore, be it

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters instruct the National Division President and the IBT General President to do everything possible in order to see that all contractors and their employees are required to pay into the Railroad Retirement system.

RESOLUTION NO. 8

RE: SHORT LINES & SUCCESSORSHIP RIGHTS

(REAFFIRMED)

WHEREAS, The Staggers Act deregulating the railroad industry was passed with the support of rail labor; and

WHEREAS, The Surface Transportation Board (STB) has chosen to reinterpret the Staggers Act to permit carriers to divest themselves of property to newly formed carriers without paying protective benefits which have historically been required under the Interstate Commerce Act; and

WHEREAS, Carriers across the United States are taking advantage of this new interpretation of the Interstate Commerce Act by divesting themselves of property to newly formed carriers, causing our Brothers and Sisters to lose jobs or be transferred to the new carrier at reduced pay and benefits and without union representation; Therefore, be it

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters go on record requesting the National Division President and all system division and federation general chairperson to negotiate agreements to provide any active, furloughed or transferred employee with a successorship agreement and a protective agreement which minimizes the adverse affect of such transactions; and, be it further

RESOLVED, That the National Division solicit the support of our IBT Rail Conference associates.

RESOLUTION NO. 9

RE: JOB STABILIZATION

(REAFFIRMED)

WHEREAS, The drastic reduction in Maintenance of Way forces on railroads and relocation of employees is a matter of grave concern to our Brotherhood because of the unsettling effects that they have on our members, as well as the resultant reduction in employment levels; Therefore, be it

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters reaffirm our desire to secure improved protection for Maintenance of Way employees, not only for the benefit of the individual employee, but also for the well-being of rail transportation in the United States; and, be it further

RESOLVED, That we direct our National Division and system officers to do everything within their power to secure the jobs of the Brotherhood's members through the negotiation of improved agreements and inclusion of proper safeguards in appropriate laws.

RESOLUTION NO. 10

RE: FEDERAL EMPLOYERS' LIABILITY ACT

(REAFFIRMED)

WHEREAS, The Nation's railroads have initiated an assault to repeal the Federal

Employers' Liability Act (FELA); and

WHEREAS, Through the carriers' efforts, many of our Nation's Senators and Representatives have been led to believe that an inferior state no-fault workers' compensation should replace FELA; and

WHEREAS, With the help of many of our elected friends of labor in both the House and Senate, and the superior efforts of our appointed law firms; Therefore, be it

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters commend and encourage our elected friends and legal firms for their untiring and continuing efforts to protect and preserve FELA; and, be it further

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters pledge our support to our law firms and elected officials by continuing to contact and write all of the Senators and Representatives who believe that FELA should be repealed; and, be it further

RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters go on record empowering our National Division President to join our elected friends and FELA firms in protecting rail labor's FELA rights.

RESOLUTION NO. 11

RE: FELA EVALUATION FORM

(REAFFIRMED)

WHEREAS, At times our members experience on-the-job injuries and at times even fatalities and, as a result, these members or their survivors have

cause to seek out legal counsel for recovery under the auspices of FELA; and

WHEREAS, It is the desire of the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters to provide its membership with a list of designated and approved names of law firms for their use if they so desire; and

WHEREAS, To ensure that when any member does utilize a legal firm included on such list for that purpose, they will continue to receive the utmost professional, courteous and responsive legal assistance at the most reasonable fee allowable in a consistent manner coast to coast; Therefore, be it

RESOLVED, That each BMWED-IBT designated and approved law firm provide, to each and every Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters member or their survivors retaining same, an approved form on the date the retainer agreement is signed for the purpose of personally evaluating that firm's legal assistance and service to such member or their survivors during the handling of that member's legal case; and, be it further

RESOLVED, That such approved form shall be completed at the conclusion of such member's legal case by such member or their survivors and mailed to National Division, with a copy to the respective general chairperson, and that National Division shall retain and file such evaluations by corresponding approved law firms. Such file to be reviewed annually by the National Division Executive Board to determine if the members' or their survivors' evaluations deem that legal firm's assistance and representation as acceptable, and if any emerging pattern to the contrary exists, appropriate action will be undertaken. As such, a copy of this resolution shall be forwarded to each designated counsel as a reminder of these obligations; and, be it further

RESOLVED, Such form shall be clearly and explicitly spelled out that such member or their survivors do not, if at all possible, refer to such monetary settlement award, as such evaluation does not concern itself with that matter.

RESOLUTION NO. 12

RE: NON-DESIGNATED LAW FIRMS

(REAFFIRMED)

WHEREAS, It has long been the policy of this Brotherhood to select reputable law firms of high standards to represent this Organization and its members; and

WHEREAS, Amtrak workers tend to live and work in areas of the United States with the highest cost of living; and

WHEREAS, For the last thirty-nine (39) years Amtrak workers have been forced to bargain with a federal government that has been hostile to their rights and legitimate demands for fair treatment. Many times this government attempted to eliminate the Union altogether. This made a fair valuing of Amtrak labor impossible to achieve; and

RESOLUTION NO. 54

RE: CONTINUING THE FIGHT FOR HEALTH CARE JUSTICE: WE NEED SINGLE PAYER WITH MEDICARE FOR ALL

(REAFFIRMED AS AMENDED)

WHEREAS, Healthcare in the United States remains a national disgrace with the highest costs in the world, ranking 28th in infant mortality and 24th in life expectancy with nearly 50 million Americans having no coverage at all and millions more having such meager coverage that a single major medical event will push them into bankruptcy; and

WHEREAS, For Unions, these high costs have helped to sustain a climate of concessionary bargaining, pushing down wages, causing bitter strikes and lockouts, government imposition of agreements, triggering attacks on public sector workers and retirees and shifting more and more of the costs onto the backs of the workers; and

WHEREAS, We in the United States spend approximately twice as much of our gross domestic product as other developed nations on health care, we remain the only country without universal coverage. Our problem worsens each year as insurance costs increase and as gradual solutions have failed to make a dent in the problem; and

WHEREAS, The United States health system continues to treat health care as a commodity distributed according to the ability to pay, rather than as a social service to be distributed according to need. Insurance companies and

HMOs compete not by increasing quality or lowering costs, but by avoiding covering those whose needs are greatest; and

WHEREAS, The Affordable Care Act (ACA) has been supported as a preliminary step because it will improve access to healthcare for millions of Americans but, under the ACA, up to 30 million will remain uninsured and profit will continue to drive healthcare policy; and

WHEREAS, The ACA will pose significant challenges to our unions' ability to negotiate decent coverage for their members and families by increasing 'race to the bottom' pressures through tiered benefits and the so-called "Cadillac" excise tax and undermining the ability of union sponsored multi-employer plans - long recognized as providing the gold standard of healthcare for America's workers - to compete with nonunion employers and to continue to provide decent benefits to low wage, part time and seasonal workers; and

WHEREAS, A single payer, Medicare for All healthcare program would be a powerful alternative to the austerity policies being foisted upon America's workers because economists have determined that the entire federal deficit would be eliminated if the United States spent per capita on healthcare what other industrialized nation that treats healthcare as human right spends; and

WHEREAS, Congresswoman Pramila Jayapal, joined by 121 co-sponsors in the 117th Congress, has introduced HR 1976, Expanded and Improved Medicare for All Act. A similar bill sponsored by Senator Bernie Sanders with 17 co-sponsors is being put forward in the Senate. This single payer health care program proposes an effective mechanism for controlling skyrocketing health costs while covering all 50 million uninsured Americans. The bill also restores free choice of physicians to patients and provides comprehensive prescription drug coverage to all; and

WHEREAS, HR 1976 would save billions annually by eliminating the high overhead and profits of the private health insurance system and HMOs. The transition to national health care would apply the savings from administration and profits to expanded and improved coverage for all. HR 1976 will also save Medicare from those who seek to cut its benefits or destroy it entirely. Therefore,

BE IT RESOLVED, That this Fifth National Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters wholeheartedly go on record of endorsing HR 1976 and work with other Unions and community groups to build a groundswell of popular support and action for single payer universal health care and HR 1976 until we make what is morally right for our nation into what is also politically possible; and

BE IT FURTHER RESOLVED, That this Fifth National Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters will send a copy of this resolution to Congresswomen Jayapal, to all members of the United States House and Senate and to President O'Brien and the International Executive Board; and

BE IT FURTHER RESOLVED, That this Fifth National Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters offer education and training on

this issue to all National Division officers and Staff, Federation and System Officers and make this training available for all other internal education programs of the National Division; and

BE IT FURTHER RESOLVED, That this Fifth National Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters continue to join the Labor Campaign for Single Payer and applaud President Simpson for his leadership role in this important movement on the Board of Directors and continue to assign representatives of the National Division to support and coordinate the work of Labor Campaign for Single Payer in general and specifically within the Rail Labor movement.

RESOLUTION NO. 55

RE: SENIORITY RETENTION, EXERCISING SENIORITY RIGHTS AND HEALTHCARE FOR CARRIER EXEMPT EMPLOYEES

(REAFFIRMED)

WHEREAS, Employees who choose to go to carrier exempt positions and pay a seniority retention fee not only retain seniority, they also accumulate seniority; and

WHEREAS, These employees also have opportunity to gain seniority in ranks on rosters which they did not possess such seniority when first becoming an exempt employee; and

WHEREAS, These employees often return to the scheduled ranks prior to retirement solely to qualify for GA-46000 Plan insurance; and

WHEREAS, These employees at times are dismissed from their exempt position and subsequently return to a scheduled position; Therefore, be it

RESOLVED, That the National Division and all systems and federations will work to obtain the following language in collective bargaining agreements:

Future Exempt Employees

“Employees who accept assignment to exempt positions shall have the choice to either: 1) pay a seniority retention fee and have their seniority frozen at such date of accepting the assignment to the exempt position; or 2) not pay the seniority retention fee and forfeit all seniority within the maintenance of way seniority rosters.”

Current Exempt Employees

“Existing exempt employees who agree to pay the seniority retention fee will have their seniority frozen on the effective date of this agreement. However, if the existing exempt employees do not pay their seniority retention fee, they forfeit all seniority within the maintenance of way seniority rosters.”

Exempt Employees Dismissed By the Carrier

“If an exempt employee, who retains seniority within the maintenance of way seniority roster, is dismissed from service of the carrier, he/she will not be permitted to exercise seniority back

into the maintenance of way department. However, if an exempt employee, who has retained seniority by paying a seniority retention fee, resigns from their exempt position, he/she may exercise seniority back into the maintenance of way department.”

Healthcare for Returning Carrier Exempt Employees

“If an exempt employee exercises seniority back into the maintenance of way department with less than 36 months until retirement, the carrier must pay employee health care payments into our Healthcare Fund until the employee reaches age 65.”

RESOLUTION NO. 56

RE: STOP THE HI-JACKING OF OUR REPUBLIC - DEFEND THE RIGHT TO VOTE OF ALL CITIZENS – STOP GERRY-MANDERING, GIFT GIVING AND VOTER SUPPRESSION

(REAFFIRMED)

WHEREAS, In many states the political system is so badly rigged to favor the powerful by a process known as gerrymandering that the citizen’s vote is rendered meaningless and this outrageous process has been shown to be corrected in states that have non-partisan citizen panels that design the voting districts; and

WHEREAS, In ten states the giving of unlimited gifts to politicians is allowed by state law and this legalized bribery has created a situation in which politicians do the business of the gift givers and not the business of the people and this has been shown to be corrected by making gift giving illegal; and

WHEREAS, In many states the voter registration process is unduly complicated and this has left millions of voters disenfranchised and this has been shown to be corrected in states that have adopted automatic voter registration processes; and

WHEREAS, There is a concerted effort to suppress the right to vote by the right wing and undemocratic forces in American politics and this practice must be stopped; and

WHEREAS, These practices are being resisted and challenged by citizens who are often led by non-partisan religious, civic and labor organizations who have come together to demand that every citizen’s vote be a meaningful vote and that all citizens who have the right to vote be able to exercise this right in an unfettered fashion; and

WHEREAS, There is a strong non-partisan citizen democracy movement emerging in the United States of America which is demanding that all American citizens have an equal right to vote that seeks fair election districts, an end to legalized bribery, establishing an automatic voter registration process and ending voter suppression policies. This movement has lobbied, demonstrated and engaged in acts of civil disobedience to promote legislation sponsored by both Republicans and Democrats which seek to restore democracy to our Republic; and

WHEREAS, Our Union strongly encourages our members to be involved in the electoral and political process but in many States today

that involvement is marginalized by this legal corruption and until this is corrected the efforts of our union and members in the political process will be significantly less effective,

THEREFORE BE IT RESOLVED, That this Fifth National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters go on record to form an alliance with all organizations regardless of political affiliation and offer nonpartisan support to end gerrymandering, legal gift giving, voter suppression and support automatic voter registration, and that we support this movement with financial, organizational and lobbying assistance. Furthermore this Convention urges National Division organizers and officers, System and Lodge officers and members to participate in the lobbying, demonstrations and civil disobedience designed to end this corruption and attack on our Republic.

RESOLUTION NO. 57

RE: BMWED WOMEN'S COMMITTEE

(REAFFIRMED)

WHEREAS, The Brotherhood of Maintenance of Way Employes Division has women working on various railroads in different classes and sub-departments across the Nation and more and more women are working these good, union jobs for the same reasons that the men are working these jobs and that is to provide for their families and enjoy the job protections that a trade union offers; and

WHEREAS, In 2006 the BMWED Women's Committee was formed by our Sisters in every effort to encourage our Sisters to become active members within their Local Lodges and to assist them through education to gain confidence needed to seek out leadership positions; and

WHEREAS, Through education and mentoring we can provide our Brothers and Sisters with a better understanding of the problems women face daily while working on the railroad and assist in educating our Sisters and Brothers on legislative issues that affect women and working families in their everyday life; and

WHEREAS, By voluntary contributions our women members have been able to assist members in situations such as donations for hotel rooms, meals, etc. while in the hospital or in recovery, provided donations for flood and hurricane victims, provided donations for those who have lost their homes in fires, have organized fund raisers for members diagnosed with cancer or other illnesses, purchased a headstone for one of our Brothers whose family could not afford to purchase one, and sent a donation to a Brother whose son was fatally injured in an ATV accident; and

WHEREAS, Our women members have participated in giving back to the community in projects such as Habitat for Humanity Projects, teamed up with elementary school students to provide over 30 care packages to the men and women serving our country in the military and participate in sending women to the IBT Women's Conferences on a yearly basis to educate them on our work and duties as women while working on a railroad.

BE IT RESOLVED, That the Fifth National Division Convention of the

Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters call for the support of the independent committee of union women workers with the following mission statement:

“Our mission is to create a network of active union sisters to provide avenues for our women members to address issues related specifically to their needs as women workers in non-traditional jobs. Because our women workers work in relative isolation from one another, it is our goal to provide them with regular opportunities to come together for meetings. We will provide communication, education, strategy and a support system to advocate for equality and economic security for our sisters and their families, as well as promoting a quality work environment. We believe that we are committed to supporting the safety and health of our women members which includes a zero tolerance for all sexual harassment behaviors. Sexual harassment is an offensive working condition which can lead to serious physical and emotional health and safety problems. We will further engage to promote social, economic and political justice within our workplace, our communities, our nation and within our Union.”

BE IT FURTHER RESOLVED, That the Delegates of the Fifth Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters support the BMWED Women’s Committee to encourage women members to unite for the purpose of addressing their concerns and issues, promote women involvement and recognition within their Local Lodges, Systems or Federations and National Division in an effort to strengthen solidarity within our union.

RESOLUTION NO. 58

RE: INTERNAL ORGANIZING (REAFFIRMED AS AMENDED)

WHEREAS, Nearly eight years ago, our National Division Officers took a hard look and made an honest assessment of the state of this Union. Understanding that many of our members did not value our Union, as we sometimes failed to communicate how being organized enabled us to win and maintain the level of wages and benefits that have been lost by much of the American working class, they decided to act. Rather than passively worrying about how we might hold up if we lost the right to have the union shop, or wondering if we could hold an effective picket line if needed, our leadership decided that we needed to change the Union’s relationship to our rank-and-file. They decided that we would have to ‘organize the organized’, just as if we were organizing for the first time, in a unionizing drive on a new property. With the help of seasoned trade union organizers, President Simpson created a committee of national Officers and executive staff to draw up a strategic plan, and put it in motion. This was how the Communication Action Team (CAT) was born; and

WHEREAS, Organizing involves the creation of networks of volunteers, communicating with their fellow workers, and asking them to act together for our common betterment. Outreach to rank-and-file members told us that they wanted better communication with their elected officers, a deeper engagement with the Union at the worksites, at Local Lodges, and

with their System Divisions and Federations. So, central to CAT organizing are these goals: strengthen communication with BMWED members; promote member involvement in BMWED activities; build visible member support for national bargaining goals; and build a culture of solidarity at worksites, all leading to a deeper identification by our members with their union; and

WHEREAS, The new CAT conducted a survey of our membership regarding negotiation priorities, with freight members telling us that preserving and defending our healthcare is the most important, with Amtrak members in high-cost parts of the United States saying wages are issue number one. Our CAT team organized national “Healthcare NOT Wealthcare” sticker-up days, both to communicate to the carriers our resolve, and build our internal networks. Next, we petitioned the railroad CEOs, insisting that our healthcare benefits be preserved. CAT upped the ante again, with a national day of rallies in May 2017, again showing our resolve to preserve our healthcare, which had emerged as the main target of the freight railroads’ attack in national bargaining. In late 2017, targeted informational picketing, organized by the CAT, demonstrated that BMWED members are willing and able to engage in selective strikes, targeting critical supply chains, should national negotiations proceed to a “self-help” phase. And all along, we’ve been joining with members of other rail unions to create an all-crafts rank-and-file culture, to breathe new life into the old union slogan, “An injury to one is an injury to all”; and

WHEREAS, When the CAT started, new volunteers heard a presentation on “The Crisis We Confront”. The crisis is worse today; and

WHEREAS, This year, the Supreme Court of the United States decided to revisit an issue that it had decided just months earlier, after President Trump’s appointment of a new justice to a slot left vacant for over a year. The Court will likely decide to reverse a legal precedent that goes back nearly forty years, strip power from state governments, and declare the union shop illegal in the public sector. Although passenger rail operations like Amtrak, Metra, SEPTA and others are all covered by the Railway Labor Act, we can expect the anti-union forces to file cases to stretch the meaning of ‘public employees,’ to prohibit the union shop on all those passenger operations where BMWED members work. They won’t stop there. Railroads and airlines are among the last of the heavily unionized industries. We know that the anti-labor forces were already well advanced in pushing a Railway Labor Act case that would ask the Supreme Court to bar the union shop in those industries. We must assume that they will try it again, egged on by the justices who have invited them to bring such a case; and

WHEREAS, These attacks on union shop are calculated to deprive us of the resources we need to operate in what is the most political collective-bargaining environment in the private sector, and just as the freight rail carriers geared up for the opening of 2020 labor negotiations, intending to use technology and automation to shrink train crew sizes by one half. Along the way, they will try to make the operating crafts give up wage and benefit concessions to slow the loss of their membership, and they will turn around and claim those concessions are ‘pattern settlements’ that must apply to the maintenance of way employees and all other crafts. As rail employment falls, we can also expect new battles over the funding for our Railroad Retirement system. Rail labor will be under the sort of pressures that we’ve not seen in a generation; and

WHEREAS, We cannot count on the courts or politicians to preserve our jobs, wages, benefits, working conditions or retirement. To save our middle-class wages and benefits and protect our retirement, we will need to mobilize are one greatest asset: our membership, who can strengthen our hand in collective-bargaining, and make the politicians listen to us. CAT has begun the transformation of this union. Organization will be the key. It is not time to throw away the progress that we've made, but to build on it and to strengthen ourselves to meet the new threats; Therefore, be it

RESOLVED, This Fifth Regular Convention of the National Division of the Brotherhood of Maintenance of Way Employees Division goes on record as pledging our full support and needed resources to the Communication Action Team, to help prepare us to take on the carriers and the anti-union corporate forces that would steal from us the gains won through 135 years of struggle.

RESOLUTION NO. 59

(NARVRE), etc.

RESOLUTION NO. 60

RE: QUALITY OF LIFE FOR MEMBERS IN HIGH COST OF LIVING REGIONS

(REAFFIRMED)

WHEREAS, The rising Cost of Living in several Metro-areas and their surrounding communities combined with wage increases that are much less, BMWED Members in these areas have had their Quality of Life diminished; and

WHEREAS, There have been high numbers of resignations from both Senior and Junior members seeking higher wages from other employers, transfers to other crafts seeking higher wages, and relocations within Seniority Districts and out seeking regions with lower cost of living. The loss of these members puts a strain on the areas they vacate and displace members where they relocate; and

WHEREAS, Members have also been working more hours to just meet ways to continue standard levels of living. Some members have taken to secondary employment to make ends meet within households. These conditions are detrimental to the Members work life and family life; Therefore be it

RESOLVED, BMWED will seek a permanent agreement with the Carriers to raise the income of members in regions with a Higher Cost of Living, equalizing the Quality of Life employees receive across the Nation regardless of their Cost of Living. There have been similar agreements in the past but they have been temporary and inconsistent across the system; Further be it

RESOLVED, BMWED will also institute an official committee to research, study, and oversee regions experiencing Cost of Living Situations detrimental to the BMWED and its members. This committee will also make recommendations on actions to be taken by BMWED in negotiations with the Carriers or within the BMWED itself to aid members in these regions.

RESOLUTION NO. 61

(REAFFIRMED)

RE: RESOLUTION IN SUPPORT OF RAIL UNION UNITY

WHEREAS, Railroad workers and their craft unions have been divided and separated from each other for decades; and

WHEREAS, The leadership of various rail crafts over that same time period have purposefully and dishonestly withheld information or selectively distributed partial information to their members with the intention of deceit or malevolence; and

WHEREAS, The International Brotherhood of Teamsters (IBT) Teamster Rail Conference consisting of two affiliates - The Brotherhood of Locomotive Engineers (BLET) and the Brotherhood of Maintenance of Way Employes Division (BMWED) can provide leadership and direction in the effort to build rail labor unity and solidarity, rather than fragmentation and division; and

WHEREAS, The BMWED having already established and allowed for the opportunity of unifying the rank and file of all rail crafts by establishing all-rail craft coalitions with intent of forming a unified membership leading to a single bargaining coalition; therefore, be it

RITUAL

Brotherhood of Maintenance
of Way
Employes Division

of the
International Brotherhood
Of Teamsters

TO THE LODGE PRESIDENT

This ritual is a guide that should be referred to at every meeting of the Lodge. Its importance should be impressed upon every member.

It is the duty of the President to open the Lodge promptly, to preserve order and discipline during the sessions, and to see that the other officers perform their duties in accordance with applicable laws and our Bylaws and Ritual.

The Bylaws of the Brotherhood are enacted by the members through their regularly elected delegates and are binding upon all members alike. The authority to interpret the Bylaws is vested in the National Division President, and his decision is final, except as provided in the Bylaws. As all members through their chosen representatives had a voice in making the Bylaws, all should aid in their enforcement.

RULES OF ORDER

1. The Bible shall remain open on the altar while the Lodge is in session.
2. After the Lodge has been duly opened the Conductor will conduct all visiting members to the altar and introduce them. The President will call up the Lodge and welcome the visiting Brothers/Sisters, after which the Conductor will escort the visitors to seats.
3. No Brother/Sister shall interrupt another in their remarks, except to raise a point of order.
4. During opening or closing ceremony, or during the reading of the minutes, the Inner Sentinel will require those in the ante-room to wait until the business is finished, after which they will be permitted to enter.

Conductor will then introduce the visitor, giving the member's name and Lodge number. The President will rise, call up the Lodge and welcome the visitor. No visitor shall be examined during initiation. Every courtesy should be extended to visiting Brothers/Sisters and they should be made to feel that their presence at the meeting is appreciated.
6. The Secretary-Treasurer must fill out all receipts with pen and ink, and must not use a stamp to sign his name.
7. No motion shall be subject to debate until it has been seconded and stated from the Chair. It shall be reduced to writing upon the request of two members.

INSTALLING OFFICER:

PARLIAMENTARY PROCEDURE

The object of parliamentary procedure is to insure that business is conducted in an orderly manner, with items taken up one at a time and disposed of in a democratic fashion. When a meeting is called to order by the chair, an agenda, or order of business, should be offered for approval. The Ritual of the Brotherhood prescribes the Order of Business to be followed in the absence of a formal agenda being offered for adoption.

The business of a meeting is carried forward by motions. A motion is made from the floor and then followed by debate on the question. Motions must be seconded to be entitled to debate. If the motion is not seconded, the chair is obliged to point out that the motion has failed for lack of a second, and then proceed with the meeting.

In making a motion, the member should rise, face the chair, and signal or call for attention in a manner which will not disrupt the meeting. Once recognized by the chair, the speaker should first state his or her name in order that such information can be recorded in the minutes.

Before a motion has been stated by the chair, the maker has the right to withdraw it, or modify the language. After it has been stated by the chair, the maker cannot withdraw or modify his or her motion without the consent of the assembly, since it belongs to the assembly. Once a motion has been duly made, seconded and is on the floor, it is subject to amendment. The object of an amendment is to change or modify the original motion, without destroying the sense of it.

Amendments to motions are debatable and like motions, require seconding. Discussion on an amendment must be confined to the amendment itself. In taking the vote, after debate, the amendment is first voted upon and then the motion itself voted upon. Sometimes, the nature of the amendment is such that passing or defeating the amendment carries or defeats the motion also. In that event, it is not necessary to take a vote on the original motion.

The question of privilege is the privilege of getting the attention of the chair at once to ask a question, make a point of order, or draw attention to pressing business which cannot wait. Rising to a "Point of Procedure" means that you question the procedure the chair is following - you feel that the chair is acting contrary to regular procedure. Rising to raise a "Point of Order" usually means that you feel a member of the assembly, rather than the chair, has departed from the prescribed procedures and you want the chair to take action.

You should refer to Robert's Rules of Order in the event you require more detailed information relative to specific issues pertaining to parliamentary procedure.
