GENERAL RULES

Pit speed limit is 5 MPH (no hot rodding in Pit area). Drivers must wear DOT approved Helmet.

Drivers must have eye protection, gloves, boots, and long pants.

Seat belts/harness must be always worn during operation.

Machine roll bar/roll cage must be intact and in safe working order.

No studded tires or chains allowed.

Machine operation only allowed between race surface, pit area and overflow areas.

Use or possession of drugs or alcohol in pit area is strictly prohibited. Violation will result in removal from pits and forfeiture of any entry fee collected.

Any participant appearing to be under the influence of drugs or alcohol will be disqualified.

Race Officials reserve the right to review any scenarios not covered by General Rules.

Race Officials reserve the right to combine, eliminate, or add classes dependent on participation.

Unsportsmanlike conduct will not be tolerated and will result in disqualification and forfeiture of race entry fees.

Race will be starting lights, with 2 runs combined times.

Best of 2 runs combined.

We will race a full round of one class before moving onto the next class.

All decisions by Race Officials are final say.
