Dear Beef Customer,

Enclosed you will find a copy of the "Sale of Beef Contract". Since there is still a great demand for locally grown beef but corn and hay prices are down slightly, we decided to keep our price the same as last year at \$4.00 per # hanging weight. We have a limited number of reservations at Country Pride Processing and a limited number of calves to fatten this year, so please return your contracts to us as soon as possible.

As in the past, you have the option of either paying a deposit for your beef now (Option 1) with the balance being due in full while it is being processed; **or** paying for it in installments for 10 months (Options 2 or 3) with the remaining balance due while it is being processed in the summer of 2025. The installment options (Options 2 or 3) will allow you to receive a 5% discount on the full price of your beef. If you have an email address, please include it on your contract so I can send out updates and payment reminders-especially for those of you who choose to use Option #3.

Please mark one of the boxes in each grouping on the "Sale of Beef Contract" which includes: 1. The amount of beef you want. 2. The month in which you want your beef available to be picked up, and 3. Whether you prefer payment Option #1, #2 or #3.

Lastly, return one copy of the SALE OF BEEF CONTRACT to us by **October 1, 2024** along with a check for either the amount of deposit **or** the first payment. The second Sale of Beef Contract copy is for your records. Again, we have a limited number of calves and processing spots, so they will be reserved on a "first come, first served" basis.

Call Don if you have any questions at: 308-530-6568 or at home: 308-584-3229.

Thanks,

Donald L & Connie Hansen
