## Walton County Commissioner

### Responsible Growth:

Ensure Rezoning Requests are Sensible for all

Discuss a Temporary Moratorium on Major Development (With Public Safety in Mind) to help catch up, complete and start much needed road improvements

Priority list on current infrastructure needs and quarterly updates on web Site / social media and or at BCC meetings

Updated Traffic Studies to Determine and Forecast Future Public Safety Needs

Form Citizen work groups in each District to discuss Issues and Concerns in their perspective Districts, Commissioners would meet with these groups Bi-monthly

### Misc Issues and Concerns:

Move Forward and Prioritize a Permanent In-House County Atty, be it additional advertising or a Head Hunter that will help in getting this accomplished

More Citizen involvement / work shops with the Budget Process, by Dept and Line Item.

Citizen Work Order Link on County Web Site for Parks n Rec, Road n Bridges and Building Maintenance

I support Term Limits on County Commissioners; 2 Terms would be ideal but no more than 3 terms

### Employee Training and Needs:

Implement Sexual Harassment and Discrimination Training / Classes for all Walton County Employees to include Elected Positions

Annual Review of Salaries and Benefits to ensure we are in the Experience and Education Wheelhouse on each employee

Monthly Safety / Risk Meetings in all Departments with an in house "Safety / Risk Manager". We need to ensure everything is being done to forecast and evaluate financial and safety risks together with the identification of procedures to avoid or minimize their impacts.

Cross Training Programs for Employees wanting to move within the county Departments when that Opportunity Arises.

### Parks and Recreation:

Prioritize & Fix the needs of past neglect and complacency at all Parks

Look into adding Ball fields at the North and South ends

Vendor Options with Concessions

Propose removing the Restaurant and Liquor services at Eagle Springs, we need to look into other options and use that funding to help expand youth recreational needs

Monthly meetings with the supervisors of each zone, determine priorities and plan accordingly to include the WCSO and or Walton CI work crews

### Departmental Audits:

Recognize and adjust accordingly any and all waste

Updated Job Descriptions on every Position, include interviewing each employee on their job tasks they perform each day

Accurate and Established Chain of command in every Dept

Anonymous Procedure / Policy Process for employees to use in order to express Issues and Concerns without fear of Retaliation on the following but not limited to Governmental Waste and Abuse
