Come and join us for the 2025 ANNUAL GRAPE ARBOR DANCE

Come celebrate the Slovenian tradition revolving around the annual gathering and harvesting of the grapes. Slovenia is known for its wine and vineyards. A good grape harvest is marked by celebration that includes accordion music, singing, dancing, wining and dining. Attendees will try to steal the grapes hanging from the arbor, if caught, those individuals will need to have a fine paid by a willing dancer to get out of jail and rejoin the festivities. Music to be provided by Bobby Klemen and his Polka Jammers!
