Summer 2019

Slovene Fest is Just Days Away

The “Slovenski Festival” will take place on Saturday August 10th on the grounds of Slovenian National Home located at 2717 West 10th Street in Haughville (Near West Side - Indianapolis).

The doors will be opening at 2pm and closing at 8pm. Excellent Slovenian food and drinks will be accompanied with the sounds of polka from Indy Polkamotion. To add to the fun, there will be a raffle, vendors and guest exhibits along with many activities for kids both young and old.

Why Haughville? *Haughville has been the historic epicenter of Slovene community in Indianapolis since the 1880s. Like many Indianapolis neighborhoods, Haughville is joining the urban renewal movement, and we want to be a part of it. In spite of what the Haughville area became over time, the Slovenian National Home stood as a reminder of all those who lived, labored and loved in order to build their community. With its location in the heart of the Haughville Historic District, the Slovenian National Home has been a pillar of the Slovenian community for 100 years. Its spacious events hall, kitchen and dining area combined with surrounding parking offers a great location for hosting events. For these reasons the Board of Directors approved the change of venue for the annual Slovene Fest from Lion’sPark in Claremont to the “Nash” in Haughville.*

Authentic Slovenian Polka Music at the Fest

2019 Slovenski Festival will feature music by Indianapolis based Indy Polkamotion

Indianapolis has been known for excellent polka music. Indy Polkamotion has been a cornerstone of Indianapolis polka scene for the past 30 years and has expanded its following from original Slovenian to many other European communities.

The band is known for the refined polka technique and musicianship resulting in outstanding performances. Such performances included the centennial celebration of Slovenian National Home (Stoletnica) and the State of Indiana Bicentennial Celebration.

Indy Polkamotion will take the main indoor stage at 2pm and will be followed at 5pm by its sister band Polkamotion Lite. The performance of Indy Polkamotion is sponsored by a generous donation of Slovenian business owner Andy Mohr.

Polka Bob

Bobby Klemen was born into Polka music which became his destiny. Bobby's father passed his love for Slovenian heritage and music on him at an early age. As the years passed the love just grew stronger.

Bobby leads Indy Polkamotion, sings, entertains and plays multiple instruments such as Chromatic Accordion, Button Box, Piano Accordion and 4 String Banjo.

AUTOMOTIVE

Potica (Slovenian nut roll) is a traditional festive pastry from Slovenia.

Potica consists of a rolled pastry made of leavened paper-thin dough filled with any of a great variety of fillings, but most often with walnut filling.

Potica will be baked by our dedicated "Potica Team" of Slovenian National Home and served at the Festival.

Kranjska Klobasa

Carniolian sausage (Krainger) is not your regular brat. It is named after Slovenian region of Carniola and follows a strict recipe. As such it has been successfully entered it into the register of protected geographical indications (trademarked).

Our Indianapolis version of Kranjska Klobasa will be prepared fresh at the Slovenian National Home and served with sauerkraut.

Success of our event depends on countless hours of dedicated volunteers and generosity of donors like you. Please help us keep our Slovenian heritage alive and vibrant, so that we can pass it on the generations to come.

“Slovenski Festival” is our biggest event of the year (August 10th). We anticipate that upwards of 500 Slovenian-Americans as well as people from various Indianapolis communities will join us for food & drinks, live polka band and a dance performance. All of this will happen right at our traditional home in Haughville. This is a huge effort and a great time had by all. A success is critical for continued existence of our mission.

All of the proceeds will be used for upkeep of our Slovenian National Home which is nearly 80 years old and desperately needs some major structural work in order to stay open. Our most urgent need is the new roof, but windows, plumbing, electric and many other structural issues are at the breaking point. Again, all this is possible due to tremendous efforts of volunteers (nobody in Nash gets paid) and generosity of donors like you.

2019 Goal Keeping Slovenian National Home Dry

Sound structural integrity of our beautiful building on 10th Street is crucial for continuous operation of Slovenian National Home. Our ancestors put great effort in constructing a building of highest quality, however after 80 years of operation the building requires substantial work on the roof at the cost of

\$27,500. This amount substantially exceeds our revenue from membership dues and Nash activities. At this years Slovenski Festival we are hoping to raise \$10,000 toward the needed roof repair.

Your support is critical to making this event successful and in return, sponsors will reach thousands of people in the community through the Slovenian National Home website, Slovenian National Home social media, event signage, street banners and throughout the evening on the main stage. The following page list our suggested sponsorship levels. We hope that you are able to fill out the form to become a sponsor.
