

Highland Middle School Choir

Guidelines for Membership

1. Individual actions are a reflection of the entire choir. Students must conduct themselves in a manner worthy of membership. This includes following school rules and maintaining passing grades in all courses.
2. An orderly environment is necessary to achieve a high performance level; therefore, proper behavior is required at all rehearsals and events. Please follow these guidelines:
 - a. Be in your seat and ready to learn (with music and pencil) at the beginning of class.
 - b. At the start of class, sit quietly and complete any assigned bellwork while attendance is taken.
 - c. Food, drinks, or gum are not allowed.
 - d. When the director or another student is speaking, all students are to be quiet and attentive. Disruptive noises, talking or actions are not permitted during class.
3. Class Supplies: Students will need a black binder for select concerts/performances. Students need to bring their music and a pencil to class everyday.
4. Students are encouraged to take music home to practice. Music may also be kept in the folder cabinet in the choir room. Place your choir folder/binder in the slot that matches your assigned seat number.
5. **Attendance at all performances is required.** Performances are the equivalent of an exam for this course. If a student has an unavoidable conflict, his or her parent/guardian should notify Mrs. Wesselmann by email or in writing as soon as possible before the performance. A written request for absence does not necessarily constitute being excused from the performance. Unexcused absences from performances can result in a lower grade and/or students not being allowed to attend special events.
6. Students should demonstrate proper care for music and our facility. Music will be collected at the end of the year. Any damaged or lost music will result in a \$3 fee to replace each piece of missing music.
7. Students should be musically prepared for each rehearsal, having practiced assigned music and completed any written assignments. Bring a pencil to class every day.
8. Students will be graded on the average of daily rehearsal participation (50%), individual assignments (15%), and performance attendance (35%).
9. Concert Attire: Choir attire for choir is black and white dress clothes.
