

Leading Change

Luminaries Consulting, LLC

Organizations must constantly change to survive, and the ability to navigate an organization, a team and yourself through change is a vital leadership skill. Through this half-day hands on workshop participants will gain a deeper understanding of organizational change and develop skills and tactics to make their next change a success.

Audience

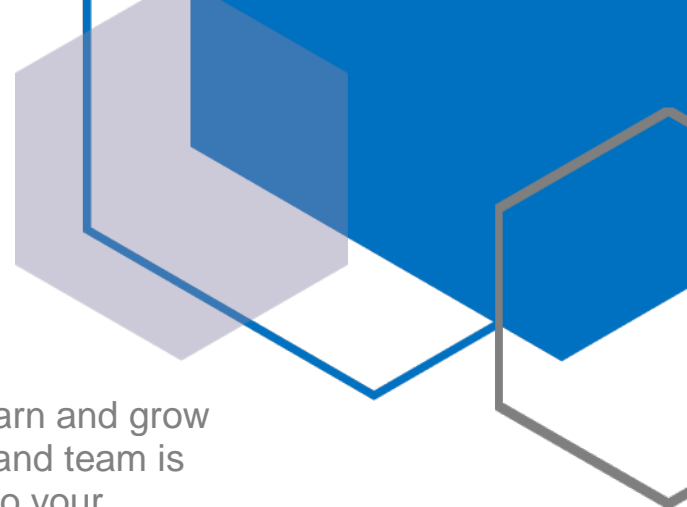

Anyone who wants to improve their ability to lead or implement organizational change, including senior leaders, mid-level managers and project managers.

Participants will be able to

- Understand how people and organizations change
- Fulfill your role as a change leader
- Develop custom strategies to successfully lead your team through change

The organization will gain

- Increased confidence in your employees leading organizational change
- A process and set of tactics that can be used time and again for successful change
- Minimized struggle and productivity loss as employees process change
- The ability to make changes stick in your organization!

Customized Solutions to Drive Client Impact

Our courses are designed to help all participants learn and grow their business. We also know that every company and team is different, so we offer customized solutions tailored to your unique needs.
