

## 360 Degree Feedback Assessment & Development Planning Workshop

A 360 Degree Feedback Assessment targeted at the knowledge, skills, and abilities that make successful leaders. This interactive workshop includes the assessment, along with guidance & tools to prepare, process feedback, and plan for development.

### Individual Assessment & Development Planning Workshop

Leveraging the model that best fits your current role, this assessment will gather input from multiple perspectives and provide feedback on your perceived effectiveness in your role.

This package includes an assessment tailored to your role and guides you through preparing for the assessment, selecting and communicating to your raters, processing your results, seeking additional feedback, and planning for development.

Individual Assessment & Virtual Workshop: \$499

Groups of 5 or more done on the same timeline: \$475 each

Add-on 60 minute 1:1 live development planning session: \$250 each

We will help you select the model best for you.  
Options include:

- Individual Contributor
- Internal Consultant
- Key Account Manager
- Sales Manager
- IT Manager
- First Level Leader
- Mid-level Leader
- Business Unit Leader
- Senior Executive

### Group Results

For groups going through the same assessment, we can provide group results and insights. This perspective is particularly valuable to identify group strengths, opportunities, and other trends.

You will receive a detailed group report in pdf form for your perusal, a PowerPoint with highlights and insights and a 60 minute facilitated session for the leaders and/or individuals to walk through the results, discuss insights and create next steps.

Group Trends, Insights & Next Steps: \$1500 (regardless of group size)
