Achtung!

Important part of this process is for you to download the registration form for each model, print it and bring it to the show. If we don't get it, the whole space program collapses, PASA (Polish Aeronautics and Space Agency) goes kakaka-kaboom and I get fired (probably better for the club).

If you encounter any problems, please contact Mark Stevens at [mstevens@gaelhobbies.com](mailto:mstevens@gaelhobbies.com)

Disclaimer.

If you are successful, kudos go to Mark, if there is a problem it is probably my fault ☺.
