Students in this program must log 160 hours of work per semester, earning tuition credits as they work on campus or in the nearby southern Illinois community. Blackburn's Work Program is unique in that it is managed by its students, providing participants the opportunity to gain higher-level skills that may be more attractive to employers.
25. **Ecclesia College:**  
9653 Nations Dr  
Springdale, AR 72762  
(479) 248-7236  
A private Christian school, has a student population of less than 200. Each of the seven available degree programs is taught from a Biblical perspective. Every student at Ecclesia is eligible for financial aid through the school's Work Learning program. Participants spend 15 hours per week in positions on campus; junior and senior students are placed in jobs that align with their field of study. Tuition credits of up to \$2,000 per semester may be earned to defray the cost of attendance.  
The school offers a scholarship that greatly discounts the cost of online enrollment.
26. **Sterling College:**

## **Best Colleges Providing Free Tuition Based on Family Income.**

### 31. [Cornell University](#)

Parents with a combined income of less than \$60,000 and assets totaling less than \$100,000 pay nothing for their child's education. Students contribute money from a summer job and a small amount of money from savings. The total estimated cost of attending Cornell University for one year is \$59k which includes tuition, student activity fees, housing, dining, books and supplies, personal expenses, and travel expenses.

The university doesn't have a minimum or maximum amount of grant awarded. Income, family size, and assets, as well as the number of children in college, are all factors for calculating the amount a family is required to contribute and Cornell University doesn't have a standard "income bracket" or ceiling for grant-aid recipients; rather, eligibility is determined on a case-by-case basis.

Established in 1865, Cornell University is a private research university located in Ithaca, New York. As a private university and a land-grant institution of New York State, Cornell University is the most educationally diverse member of the Ivy League.

The university has seven undergraduate and seven graduate divisions at its main Ithaca campus. The school's research covers a wide array of subjects.

The university has over 29,000 students from all 50 states and 122 countries.

Additional Cornell University highlights include:
