To be eligible, applicants must be US citizens currently enrolled in an accredited American 2- or 4-year university or college, preferably in one of the following fields: technology, software development, or transportation. However, there is no major or minor requirement. Applicants must also submit an essay (500- to 700-words) or a video (less than 2 minutes) on one of the following topics: "How has technology changed the transportation industry? How do you think it will continue to change?" or "How can your field of study impact the creation of smart cities?"

Learn Between the Lines Scholarship Slam

Deadline: 7/11/18

Available to: Ages 13-25

Award Amount: \$1,000

April is National Poetry Month — the largest literary celebration in the whole world (!) — and a time when people from all walks of life unite to celebrate the impact poetry has had on them. Through reading and writing poetry we are able to learn new things about ourselves, each other, and the world around us. What is something that poetry has taught you? Did writing a poem about a problem actually help you solve it? Have you learned something about a friend by stepping into their shoes and writing a poem from their perspective? Maybe you read a poem that changed your life and set you on a new path? Tell us in a poem about what poetry has taught you for your chance to win.

\$1,000 Financial Freedom Scholarship

Deadline: 8/01/18

Available to: High School Seniors through College Seniors

Award Amount: \$1,000

You must log into your Fastweb account to obtain your personal referral link.

For each person who registers for Fastweb via your personal referral link during the Promotion Period, you and your referral will entered as a pair into the monthly drawing.

Jack Kent Cooke Foundation Young Scholars Program

The Young Scholars Program, a selective 5-year pre-college scholarship for high-performing middle school students with financial need, is the largest scholarship of its kind in the nation. It provides individualized academic advising, financial support, and a pathway to the foundation's \$40,000 per year College Scholarship. The application period is open from January to April. Up to 65 Young Scholars are selected for this program each year. Final notification is in the early fall.

Jack Kent Cooke Foundation College Scholarship Program

The College Scholarship Program is the largest undergraduate scholarship program available to high-achieving high school seniors with financial need who seek to attend the nation's best four-year colleges and universities. College Scholars receive up to \$40,000 per year, college planning support, ongoing advising, the opportunity to network with the larger Cooke Scholar community, and a pathway to the foundation's \$50,000 per year Graduate Scholarship. The application period is open from September to November. Up to 40 College Scholars are selected for this program each year.

Jack Kent Cooke Foundation Undergraduate Transfer Scholarship

The Undergraduate Transfer Scholarship is the largest scholarship in the country for top community college students seeking to complete their bachelor's degrees at four-year colleges or universities. Undergraduate Transfer Scholars receive up to \$40,000 per year for up to three years, ongoing advising, the opportunity to network with the larger Cooke Scholar community, and a pathway to the foundation's \$50,000 per year Graduate Scholarship. The application period is open from October to December. Up to 85 Undergraduate Transfer Scholars are selected each year.

Buick Achievers Scholarship Program

The Buick Achievers Scholarship Program, funded by the GM Foundation, is designed to help students who are leaders in both the classroom and their communities, but who may not have the financial means to attend college. The Buick Achievers Scholarship Program is open to high school seniors or college undergraduate students who plan to major in a specified course of study that focuses on Engineering/Technology or select Design and Business-related programs at an accredited four-year US college or university. Scholarships will be awarded based on participation and leadership in community and school activities, interest in the automotive industry, academic achievement and financial need. Special consideration will be given to those who are a first-generation college student, female, minority, military veteran or a dependent of military personnel.

Robert C. Byrd Honors Scholarship Program

The Robert C. Byrd Honors Scholarship program is funded by the federal government and administered by the state governments in each state. This merit scholarship program is open to high school seniors. Students apply through the State education agency in their state of legal residence. Each state has its own deadlines.

Coca-Cola Scholars Program Scholarship

The Coca-Cola Scholars Foundation Scholarships are open to US high school seniors who have a GPA of at least 3.0 on a 4.0 scale. Recipients are selected based on leadership, character, civic and extracurricular activities, academic excellence, and community service. This is an extremely competitive program, with more than 100,000 applications received each year.

Collegiate Inventors Competition

The Collegiate Inventors Competition to encourage undergraduate and graduate students to pursue new ideas, processes and technological innovations. The invention must have been reduced to practice and patentable. It may not have been made available to the public as a commercial product or process or been patented or published more than one year prior to the date of submission to the competition. Submissions are judged on originality and inventiveness, as well as on their potential value to society (socially, environmentally, and economically), and on the range or scope of use.

Davidson Fellows

Davidson Fellowships are awarded by the Davidson Institute for Talent Development to US students under age 18 who have completed a significant piece of work in the fields of Mathematics, Science, Technology, Music, Literature, Philosophy or Outside the Box. The significant piece of work should have the potential to benefit society. The focus of the program is on gifted and talented students.

Elks National Most Valuable Student Competition

The Elks National Foundation "Most Valuable Student" Competition awards 500 four-year scholarships to high school seniors. US citizenship is required. (Resident alien status does not qualify.)

Gates Millennium Scholars

The Gates Millennium Scholarship program is sponsored by the [Bill and Melinda Gates Foundation](#) and administered by the [United Negro College Fund](#). Nomination by a professional educator (principal, teacher, guidance counselor, etc.) is required. The focus of this program is on students who will be pursuing careers in mathematics, science, engineering, education or library science. Candidates must be African America, American Indian/Alaskan Native, Asian Pacific Islander American, or Hispanic American, a US citizen or permanent resident/national, have a cumulative GPA of 3.3 on a 4.0 scale, and be entering a US accredited college or university as a full-time degree-seeking freshman in the fall.

Benjamin A. Gilman International Scholarship

Established by the International Academic Opportunity Act of 2000, the Gilman Scholarship aims to diversify and expand participation in international study by supporting undergraduate students who have been traditionally underrepresented in study abroad, including students with high financial need, community college students, students in underrepresented fields such as the sciences and engineering, students with diverse ethnic backgrounds, students with disabilities, and students of nontraditional age. The program also encourages students to choose nontraditional study abroad destinations, especially those outside of Western Europe and Australia.

Barry M. Goldwater Scholarship

The Barry M. Goldwater Scholarship program was established in 1986 by the United States Congress to honor Senator Barry M. Goldwater. Up to 300 Goldwater Scholarships are awarded each year. The scholarships cover tuition, fees, books, and room and board up to a maximum of \$7,500 per year. (The scholarship is renewable for students who receive it during their junior year of college.) Each four-year institution may nominate up to four students who are currently sophomores or juniors for the award. Second-year students who are currently enrolled in a two-year college but intend to transfer to a four-year college or university are also eligible. The students must intend to pursue careers in math, science or engineering.

Ernest F. Hollings Scholarship (NOAA)

The Ernest F. Hollings Scholarship was established in 2005 by the [National Oceanic and Atmospheric Administration \(NOAA\)](#) to honor retired Senator Ernest F. Hollings of South Carolina who promoted ocean research and the study of our atmosphere throughout his career. The program supports a variety of majors related to oceanic and atmospheric science, research, technology and education, including earth, environmental and marine sciences, biology, agricultural science, life sciences, mathematics, computer science, physical science, engineering, social and behavioral sciences, and teacher education.

Intel Science Talent Search

The Intel Science Talent Search, formerly known as the Westinghouse Science Talent Search, is one of the most prestigious scientific research competitions for high school seniors in the United States. Winners are selected on the basis of their potential as future scientists and researchers. Each year 300 students are named semifinalists and receive a \$1,000 award. 40 of the semifinalists are named finalists and are invited on an all-expense-paid trip to the Science Talent Institute in Washington, DC in March, where the winners are selected.

Intel International Science and Engineering Fair

The Intel International Science and Engineering Fair (ISEF) is the world's largest science fair. Each year more than 1,200 students in grades 9-12 from more than 40 countries are selected at regional science fairs to compete at the ISEF for more than \$3 million in scholarships and prizes.

NIH Undergraduate Scholarship Program

The NIH Undergraduate Scholarship Program (UGSP) is a competitive scholarship program sponsored by the National Institutes of Health (NIH) for students from disadvantaged backgrounds who are interested in pursuing biomedical, behavioral and social science careers at the NIH.

National Merit Scholarship Corporation

The National Merit Scholarship Corporation (NMSC) sponsors the [National Merit Scholarships](#) and [National Achievement Scholarships](#) programs. These are among the largest scholarship competitions in the United States, with more than 10,000 students receiving college scholarships totalling \$47 million. High school students enter the competitions by taking the PSAT test, also referred to as the National Merit Scholarship Qualifying Test (NMQT).

Presidential Scholars Program

The Presidential Scholars Program provides recognition (but no scholarship funding) for up to 121 high school seniors each year on the basis of academic achievement. An additional 20 students each year are selected on the basis of scholarship in the visual arts, performing arts or creative writing. US citizenship is required.

Rotary Foundation Ambassadorial Scholarships

The Rotary Foundation's Ambassadorial Scholarship program provides approximately 1,000 to 1,100 scholarships for study abroad each year. The scholarships are available for undergraduate and graduate students worldwide. (Applicants must be citizens of a country in which there is a Rotary club.) Candidates must have completed at least two years of college. Applications are made through the local Rotary club. Each Rotary club has its own deadlines.

Siemens Westinghouse Competition in Math, Science and Technology

The Siemens Westinghouse Competition is one of the most prestigious scientific research competitions for high school students in the United States. Students submit research reports individually or in teams of two or three. Some of the projects are selected for further competition in six regional events. One individual and one team are selected as Regional Winners and are invited to participate in the National Competition.

Morris K. Udall Foundation Undergraduate Scholarship

The [Morris K. Udall Foundation](#) awards 50 undergraduate scholarships of up to \$5,000 to college juniors and seniors in fields related to the environment.

Xerox Technical Minority Scholarship Program

The Xerox Technical Minority Scholarship Program provides scholarships for full-time undergraduate and graduate minority students in the following fields: Chemistry, Information Management, Computing & Software Systems, Material Science, Printing Management Science, Laser Optics, Physics and Engineering (Chemical, Computer, Electrical, Imaging, Manufacturing, Mechanical, Optical or Software Engineering).

Elie Wiesel Prize in Ethics Essay Contest

The Elie Wiesel Prize in Ethics Essay Contest is open to full-time juniors and seniors at accredited four-year colleges and universities in the United States.

Graduate Scholarships

Beinecke Scholarship Program

The Beinecke Scholarship Program is open to college juniors who intend to pursue graduate study in the arts, humanities, and social sciences at any accredited university.

British Chevening Scholarships

The British Chevening Scholarships enable non-UK students to study in the United Kingdom. They are offered in more than 118 countries. (US students are not eligible.) Approximately 600 new scholarships are awarded each year for postgraduate studies and research.

Winston Churchill Scholarship Foundation

The Churchill Scholarship Program enables young Americans to pursue graduate study in science, mathematics, and engineering at Churchill College, Cambridge University. A total of 14 one-year Churchill Scholarships are offered each year.

Davies-Jackson Scholarship

The Davies-Jackson Scholarship provides support for a two-year course of study at St. John's College, Cambridge University, leading to a British B.A. degree (the equivalent of a master's degree in the US). Fields of study include Archaeology and Anthropology, Classics, Economics, English, Geography, History, History of Art, Modern and Medieval Languages, Music, Philosophy, and Social and Political Sciences.

EPA Science to Achieve Results (STAR) Fellowship Program for Graduate Environmental Study

The Environmental Protection Agency's STAR Fellowship Program provides graduate fellowships for master's and doctoral students pursuing degrees in fields of study related to the environment.

Ford Foundation Predoctoral Fellowships for Minorities

The Ford Foundation Predoctoral Fellowships for Minorities program is administered by the National Research Council. Wenner-Gren Fellowships

The Wenner-Gren Foundation awards grants for Dissertation Fieldwork for basic research in anthropology. Candidates for the Dissertation Fieldwork Grants must be enrolled in a program leading to a doctoral degree, and must complete all requirements for the degree other than the dissertation.

National Professional Organizations

National Association of Fellowship Advisors (NAFA)

NAFA is a national professional organization for college personnel who advise students on applying for prestigious scholarships and fellowships like the [Truman, Marshall and Rhodes Scholarships](#).

National Awards

Bonner Program

The Bonner Foundation provides four-year community service scholarships to students each year at [participating colleges and universities](#) across the country. The Bonner Scholars, in turn, commit 10 hours per week to volunteer service and participate in a summer community service internship.

Comcast Leaders and Achievers Scholarship Program

The Comcast Leaders and Achievers Scholarship Program, formerly the Comcast Foundation Leaders of Tomorrow Scholarship Program, awards scholarships for community service and leadership to high school seniors in communities served by Comcast.

Jesse Brown Scholarship

The Jesse Brown Memorial Youth Scholarship Program honors young volunteers who are dedicated to serving veterans. Each year, one outstanding applicant receives the top scholarship.

James H. Parke Memorial Scholarship

James H. Parke Memorial Scholarships can be used to cover tuitions and fees, books and supplies and/or room and board or other educational needs purchased through the school of the students' choice. Applicants are nominated by a medical center where they serve.

Echoing Green Public Service Fellowship

The Echoing Green Public Service Fellowship provides a stipend to graduating college seniors from participating institutions to develop and implement a community service project.

Gloria Barron Prize for Young Heroes

The Gloria Barron Prize for Young Heroes is awarded annually to ten US and Canadian students, aged 8-18, who have developed an extraordinary service project that helped people and the planet. Half of the winners are focused on helping their communities and people, and half are focused on protecting the environment.

The Heroes of the Heart Scholarship Awards Program

The Heart of America Christopher Reeve Award is awarded annually to a student for extraordinary community service.

Kohl's Kids Who Care Program

The Kohl's Kids Who Care Program (www.kohlskids.com) honors students age 6-18 who are involved in community service. Candidates enter by being nominated by an adult age 21 years or older. Nominees are considered by two age groups, 6 – 12 and 13 – 18, with three prize levels within each group.

National Caring Awards

The National Caring Award is sponsored by the [Caring Institute](#) and the [Pay It Forward Foundation](#). Each year 10 adults and 5 young adults (12th grade and below) are recognized through this program.

Prudential Spirit of Community Awards

The Prudential Spirit of Community Awards recognize children in grades 5-12 who have engaged in volunteer activities and have demonstrated exceptional community service. The program is sponsored by Prudential in conjunction with the National Association of Secondary School Principals (NASSP).

Samuel Huntington Public Service Award

The Samuel Huntington Public Service Award provides a stipend to a graduating college senior to pursue a year of public service anywhere in the world. The money may be used for any project that helps others. Candidates submit a proposal as part of their application. US citizenship is not required.

William R. Simms Award for Outstanding Youth in Philanthropy

The William R. Simms Award for Outstanding Youth in Philanthropy is awarded by the Association of Fundraising Professionals (AFP) to individuals and groups of people aged 5-17 and 18-23 who have "demonstrated outstanding commitment to the community through direct financial support, development of charitable programs, volunteering and leadership in philanthropy."

VISTA Volunteers in Service to America

VISTA is part of ACTION, the federal domestic volunteer agency. This program offers numerous benefits to college graduates with outstanding student loans.

Youth Action Net

YouthActionNet awards grants to youth leaders aged 18-29 for projects that promote social change in their communities.

Youth Service America

Youth Service America administers several awards for community service by students.

National Recognition

The Congressional Award

The Congressional Award honors young Americans aged 14 to 23 for excellence in volunteer public service. It is sponsored by the United States Congress.

Daily Points of Light Award

The Daily Points of Light Award recognizes significant contributions to volunteer service by individuals and organizations. A particular emphasis is placed on efforts that identify a community need, take an innovative approach to addressing that need, and make a significant impact on the problem.

Jefferson Award

The Jefferson Award is sponsored by the American Institute for Public Service in conjunction with more than 100 media partners.

College-Specific Awards

Green Mountain's Make a Difference Scholarship

The Make A Difference Scholarships are awarded by Green Mountain College in Poultney, Vermont to up to 10 students each year. The full four-year scholarships cover tuition, room and board for students who have made a "significant positive difference in their communities and/or in the lives of others."

Local Awards

Mary A. Makes Volunteer Scholarship Award

The Mary A. Makes Volunteer Scholarship is awarded by the Beth Israel Deaconess Medical Center in Boston to a Beth Israel Deaconess volunteer who is pursuing a degree or certification in health care.

HCS Donor Recruitment Scholarship

The Miller-Keystone Blood Center sponsors a scholarship for volunteer efforts by a graduating high school senior.
