

# Wedding Planner

Make wedding planning easier by using this template to keep your information in one place. Track to-dos, compare vendors, monitor your budget, and plan the ceremony.

Each sheet tab is organized by category. You can fill them out in any order you wish. Feel free to add, delete, or customize each one based on your specific needs.

Collaborate with friends and family by sharing this sheet with them.

## NOTE

Some cells contain formulas. Try not to edit them; they'll recalculate automatically based on other values you've entered.

**Congratulations, and have fun planning your big day!**
