Description of the ways in which this child communicates through creative activities:

Developmental Screenings

Developmental screening is a brief, formal process used to identify children who may be at risk for developmental delays. Permission may be requested if a potential delay is identified to refer the child for an evaluation to determine if the child qualifies for additional services.

Growth and accomplishments:

We will continue to work on:

Individualized Education Plan (IEP)

If applicable, parents may share their child's IEP with the NM PreK teachers so that collaboration can occur to support their IEP goals with appropriate activities in the classroom setting. Permission may also be sought from the parents to request that communication be allowed between the Special Education staff and the NM PreK staff to further support the child.

Family Goals:

Program Goals:

Family Well-being

Follow up from home visitation. We invite you to please provide any needs or resources we can help you with at this time.

Family Feedback:

Feedback from the Family

We invite you to share your thoughts about your child's strengths as well as any areas where you feel your child would benefit from additional support.
