BA(Hons), MEd, NPQH

Dear Parents and Carers,

As we begin a new academic year, I would like to extend a warm welcome to all our students and families. To our returning Year 13 students and their parents and carers, welcome back. To our new Year 12 students and families, welcome to Connie Rothman Sixth Form. We are delighted to have you join our community and look forward to supporting all students as they progress through this important stage of their education.

Mobile Phone Policy

Sixth Form students may bring a smartphone into school and may use it within designated sixth form areas (sanctuary, hall and the emerging classroom). However, phones should not be visible or used in any area where younger students may see them.

Student Dress Code Policy

We ask parents to support us with ensuring that students come to school in appropriate clothing and footwear ready to learn. Please find a link to our student dress code: [Student Dress Code Policy](#)

Reporting Absence

If a student has a planned absence or is unable to attend due to illness or another emergency, a parent or carer must email absence@crlt.org.uk by 09:00 am on the morning of the absence. If there is no other alternative then a student may send the email, but they must also copy a parent or carer into the email. Please fill in the request for absence in the event of a future commitment. [Parents Page Information | Connie Rothman School.](#)

All students must sign in/out if they leave site during the day.

Looking Ahead

We are excited about the opportunities that this year will bring and are committed to helping every student achieve their academic and personal goals. Strong partnerships between students, parents, and staff are central to this success, and we thank you in advance for your support throughout the year. If you have any questions, please do not hesitate to contact Adrian astones@crlt.org.uk or George gleighton@crlt.org.uk. We wish all students a successful and enjoyable start to the new academic year.

Best wishes,

Adrian Stones

Assistant Head Teacher – Curriculum and T&L
