Behaviour Ethos

Mutual respect amongst all members of the school community lies at the heart of this policy. Good behaviour needs to be taught, modelled, and rewarded. Poor or unacceptable behaviour needs to be sanctioned. Positive relationships between and with students are the key to good behaviour. The self-esteem of all students is enhanced by praise, reward, and celebration. CRLT expects behaviour to be of a high standard throughout the school day, when travelling to and from school and whilst participating on trips and visits.

1. Aims

The school aims to:

- Create a positive culture that promotes excellent behaviour, ensuring that all students have the opportunity to learn in a calm, safe and supportive environment
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the school
- Outline the expectations and consequences of behaviour
- Provide a consistent approach to behaviour management that is applied equally to all students
- Define what we consider to be unacceptable behaviour, including bullying and discrimination
- Encourage positive relationships with parents

2. Legislation, Statutory Requirements, and Statutory Guidance

This policy has been devised in consultation with key stakeholders in school: students, staff, parents, and Trustees and is based on legislation and advice from the Department for Education (DfE) on:

- [Behaviour in schools: advice for headteachers and school staff 2022](#)
- [Searching, screening and confiscation: advice for schools 2022](#)
- [The Equality Act 2010](#)
- [Keeping Children Safe in Education](#)
- [Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)
- [Use of reasonable force in schools](#)
- [Supporting students with medical conditions at school](#)

It is also based on the [Special Educational Needs and Disability \(SEND\) Code of Practice](#).

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its students
- Sections 88 to 94 of the [Education and Inspections Act 2006](#), which requires schools to regulate students' behaviour and publish a behaviour policy and give schools the authority to confiscate students' property
- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires

the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy.

3. Definitions

Misbehaviour is defined as:

- Disruption in lessons, in corridors between lessons, and at break and lunchtimes
- Non-completion of classwork
- Poor attitude

Serious misbehaviour is defined as:

- Repeated breaches of the school rules

- Sexual violence, such as rape, assault by penetration, or sexual assault (intentional sexual touching without consent)
- Sexual harassment, meaning unwanted conduct of a sexual nature, such as:
 - Sexual comments
 - Sexual jokes or taunting
 - Physical behaviour like interfering with clothes
 - Online sexual harassment, such as unwanted sexual comments and messages (including on social media), sharing of nude or semi-nude images and/or videos, or sharing of unwanted explicit content

- Vandalism
- Theft

- Fighting
- Possession of any prohibited items. These are:
 - Knives

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

TYPE OF BULLYING	DEFINITION

Please see our Anti-Bullying Strategy at appendix 1

5. Roles and Responsibilities

5.1 The Board of Trustees

The Board of Trustees is responsible for:

- Approving this policy
- Monitoring the policy's effectiveness

5.2 The Headteacher

The headteacher supported by the leadership team is responsible for:

- Ensuring the policy and school environment encourages positive behaviour and discourages bullying
- Ensuring that staff deal effectively with poor behaviour
- Monitoring that the policy is implemented by staff consistently with all groups of students
- Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all students to participate fully
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- Ensuring this policy works alongside the safeguarding policy to offer students both sanctions and support when necessary
- Students are expected to take responsibility for their own behaviour and misbehaviour and will be made aware of expectations. Students should report incidents of bullying and misbehaviour. Students will be consulted as part of Student Voice
- Reviewing this policy

5.3 Teachers and Staff

Staff are responsible for:

- Creating a calm and safe environment for students
- Establishing and maintaining clear boundaries of acceptable student behaviour
- Implementing the behaviour policy consistently
- Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with students
- Modelling expected behaviour and positive relationships
- Providing a personalised approach to the specific behavioural needs of particular students
- Recording behaviour incidents promptly on My Concern
- Challenging students to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

5.4 Parents and Carers

Parents and carers, where possible, should:

- Get to know the school's behaviour policy and reinforce it at home where appropriate
- Support their child in adhering to the school's behaviour policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly
- Take part in any pastoral work following misbehaviour (for example: attending reviews of specific behaviour interventions)
- Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

5.5 Students

Students will be made aware of the following during their induction into the behaviour culture:

- Students are expected to practise the 5Rs: respect, resilience, reflection, resourcefulness, responsibility. This can be seen in all aspects of the school day and in all areas of the school. The expected standard of behaviour they should be displaying at school
- That they have a duty to follow the behaviour policy
- The rewards they can earn for meeting the behaviour standard, and the consequences they will face if they don't meet the standard
- The pastoral support that is available to them to help them meet the behavioural standards

Students will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Students will be supported to develop an understanding of the school's behaviour policy and wider culture.

Students will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement, and implementation of the behaviour policy.

Extra support and induction will be provided for students who are mid-phase arrivals.

5.6 Rewards

Rewards are more motivational than punishment for students. Praise and encouragement should outweigh the frequency of punishment. Positive behaviour is always recognised by encouraging language and gestures. Staff support the school's rewards strategy. Staff work on praising good behaviour, effort, and positive attitudes. Rewards are considered and developed on an individual basis to meet the needs of particular students, this may involve discussions with specific staff members, including the SENCo, Teaching and Learning Lead and Head Teacher.

Other ways, besides praise, behaviour and effort are rewarded include:

- Displays of work
- Writing or telephoning parent/guardian
- Special Group Trips/Outings

6. Mobile Phones

Please refer to our Mobile Phone Policy.

7. Responding to Behaviour

7.1 Classroom Management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement

7.2 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

7.3 Responding to Good Behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

- Verbal praise
- Communicating praise to parents/carers via a phone call or written correspondence
- Certificates, prize ceremonies or special assemblies
- Positions of responsibility, such as prefect status or being entrusted with a particular decision or project
- Whole-class or year group rewards, such as a popular activity

7.4 Responding to Misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques can be used to help prevent further behaviour issues arising, such as the use of pre-arranged scripts and phrases.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand and reminder of the expectations of behaviour
- Loss of privileges – for instance, the loss of a prized responsibility
- Letter or phone call home to parents/carers
- Agreeing a behaviour contract
- Permanent exclusion, in the most serious of circumstances

Personal circumstances of the pupil will be taken into account when choosing sanctions and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

7.5 Reasonable Force

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents/carers

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

Corporal punishment is never used.

7.6 Confiscation, Screening and Searching

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching a Pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; and
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; or
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but is not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched

- Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil’s co-operation

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the headteacher to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

An authorised member of staff may search a pupil’s outer clothing, pockets, possessions, desk or locker.

‘Outer clothing’ includes:

- Any item of clothing that isn't worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

Searching Pupils’ Possessions

Possessions means any items that the pupil has or appears to have control of, including bags.

A pupil’s possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil’s possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Informing the Designated Safeguarding Lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school’s safeguarding system.

Informing Parents/Carers

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

Support After a Search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Strip Searches

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the [Police and Criminal Evidence Act 1984 \(PACE\) Code C](#).

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should advocate for pupil wellbeing at all times.

Communication and Record-Keeping

Where reasonably possible and unless there is an immediate risk of harm, before the strip search takes place, staff will contact at least 1 of the pupil's parents/carers to inform them that the police are going to strip search the pupil, and ask them if they would like to come into school to act as the pupil's appropriate adult. If the school can't get in touch with the parents/carers, or they aren't able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for information about the role of the appropriate adult).

The pupil's parents/carers will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises, and monitor them for any trends that emerge.

Who will be present

For any strip search that involves exposure of intimate body parts, there will be at least 2 people present other than the pupil, except in urgent cases where there is risk of serious harm to the pupil or others.

One of these must be the appropriate adult, except if:

- The pupil explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**
- The appropriate adult agrees

If this is the case, a record will be made of the pupil's decision and it will be signed by the appropriate adult.

No more than 2 people other than the pupil and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlements and welfare of the pupil
- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the pupil, unless the pupil specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the pupil specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the pupil could be seen by anyone else.

Care after a strip search

After any strip search, the pupil will be given appropriate support, irrespective of whether any suspected item is found. The pupil will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider if, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any pupil(s) who have been strip searched more than once and/or groups of pupils who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.

7.7 Off-site Misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- In any way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school

- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

7.8 Online Misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

7.9 Suspected Criminal Behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, a member of the senior leadership team or pastoral lead will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.10 Zero-tolerance Approach to Sexual Harassment and Sexual Violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:

- Manage the incident internally
- Refer to early help
- Refer to children's social care
- Report to the police

Please refer to our child protection and safeguarding policy for more information.

7.11 Malicious Allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

8. Sanctions

Sanctions are used to promote good behaviour and attendance rather than punish unacceptable behaviour.

Where investigations are required the Operational Leadership Team with consultation with the Head Teacher will normally carry out sanctions. These may include:

- Removal from social time (breaks, functions)
- Letter/email to parents followed by meeting if necessary
- Restricted access to certain activities
- Removal of privileges
- Fixed term exclusion

Fixed term exclusions are for very serious offences, such as bullying, endangering the safety of others, wilful damage to property, open defiance, racism, and repeated failure to meet expected standards of behaviour. Exclusions can only be authorised by the Head Teacher. Fixed term exclusions are followed by a parent/carer interview where an explanation for the reason for the exclusion and decision to re-admit a student is outlined.

9. Safeguarding

The school recognises that changes in behaviour may be an indicator that a student needs help or protection.

We will consider whether a student's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

10. Monitoring Arrangements

10.1 Monitoring and Evaluation School Behaviour

The school will collect data on the following:

- Behavioural incidents and attendance
- Anonymous surveys for staff, students, governors, trustees and other stakeholders on their perceptions and experiences of the school behaviour culture

10.2 Monitoring this policy

This behaviour policy will be reviewed at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour. At each review, the policy will be approved by the Board of Trustees.

11. Links with other policies

This behaviour policy is linked to the following policies:

- Child protection and safeguarding policy
- Mobile phone policy
- Anti-bullying policy

12. Safeguard My School

All behaviour issues are logged on Safeguard My School safeguarding programme.

APPENDIX 1 – Anti Bullying Strategy

Strategies to Reduce Bullying

Connie Rothman Learning Trust has adopted a range of strategies to prevent and reduce bullying, to raise awareness of bullying and support victims and those displaying bullying behaviour, including:

- the consistent promotion of the school's code of behaviour which requires all pupils to respect the rights of others
- the reinforcement of the clear message that violence has no place at CRLT
- consultation with the 'Student Voice' on appropriate action
- take part in initiatives such as Anti-Bullying Week
- training for all members of staff on anti-bullying policy and strategy
- the supervision by school staff of all play areas at lunch times and breaks
- sixth form buddies for KS3 and KS4 pupils when possible
- providing information to all parents on the symptoms of bullying and the steps to take if the suspect their child is being bullied
- a clear policy of mobile phones not permitted to be in use during school hours
- the celebration of all student's backgrounds and cultures through assemblies
- the training of a cross section of students as anti-bullying ambassadors
- during assemblies and PHSE learning sessions discuss and explore bullying issues with the children
- raising awareness of cyber bullying and teaching children to safely use technology (including mobile phones, email, internet)
- all websites accessed in school are screened. This software screens the language used in all documents, emails and websites. Rude or offensive emails, websites, documents are sent to the headteacher. Action will be taken and recorded
- effective recording systems
- work with multi-agency teams including police and children's services as appropriate
- contact the parents of both the child being bullied and the bully

What do we hope to achieve from this anti-bullying strategy?

- **Communication:** to ensure that everyone is aware of what bullying behaviour is, the impact of bullying on people's lives, and what is being done to prevent it. **Commitment:** to promote the values, principles and approaches that will help eliminate bullying behaviour within our schools and learning communities. **Clarity:** to ensure that everyone knows who to go to for help and support
- **Co-operation:** to recognise that it is everyone's responsibility to tackle bullying behaviour. By working together, we can make our schools and communities better places to live and work.
- **Capacity:** to increase the capability of our schools and learning communities in their use of positive approaches through information, training and support to reduce and prevent bullying behaviour
