Subject: Mallard Lake v. Simone Reba - **media** info request

Hello Mr. McAllister,

I'm a Delaware-based journalist who spends a lot of time at the courthouse and came across this case you're defending for Ms. Simone Reba. I'm wondering if you or she would be interested in connecting with me to write a possible story?

I'm an independent journalist and haven't pitched this anywhere yet, but if it is worth a story, it would likely be published locally. I have also covered sea-level rise and climate change issues extensively in Sussex, which is why this case also caught my attention.

Looking forward to connecting.

Thanks,
