Our Solution

Our gaming park: ADaptive Gaming

3

What our Company Provides

Technology; Team Camaraderie; Dining; Ambience

WHY CARE?

SURVEY

**What do you do with your
friends/family on a night off?**

Results

Question:

What planning goes into a night out with your family/friends?

Extra Concerns for the Disabled Community:

- **Physical Accessibility/Cognitive Ability**
- **Sensory overload/ if the space will feel safe and comfortable**
- **Unwanted attention/judgment**
- **Unpredictable Symptoms**
- **Emergency Plan/Risk Management**
- **Ability to customize experiences**

DISABILITIES

- A condition one is born with that affects activity
- Every 1 in 4 adults in US has a disability (26% of population)
- Types of disabilities:
 - Vision/Hearing
 - Movement
 - Thinking/Learning
 - Communicating
 - Mental Health
- Dimensions:
 - Impairment - body functions
 - Activity Limitations - vision, hearing, walking, etc
 - Participation restrictions - daily activities, working, recreational activities

Why ADA-ptive?

American with Disabilities Act (ADA) protects people with disabilities from discrimination.

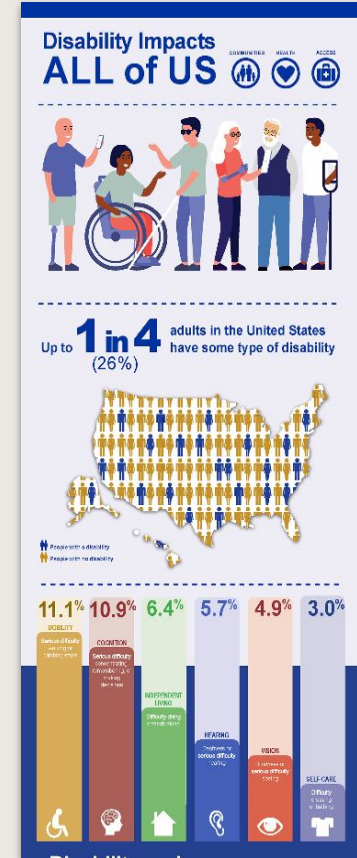

- Physical Access
- Attitudinal Access
- Effective Communication
- Human Resources
- Access to Services
- **Community Change and Action**

» STATISTICS

1/4 Adult Americans
live with a Disability

Over 3 Million Children
in the U.S. live with a
Disability

RESEARCH

Real Ideas

ADaptive Gaming is a hub for people who know what it's like to have a disability.

**REAL PEOPLE =
REAL IDEAS**

Donations

Themed Nights and other fundraising events donate all proceeds to gaming research.

\$\$\$\$\$

Advanced Science

ADaptive Gaming is a great location for game creators to do research and test their products.

Opportunities for Professionals

Education & Outreach

- Adaptive Gaming will also provide an educational school program which will provide seminars and workshops to educate people about awareness of disabilities and how it affects people in schools, camps and workplaces
- Lesson plans, ice breakers, games, meet professionals, etc
- We also value safe spaces and will have people to talk to for those who need professional help

CONCLUSION

- **ADaptive Gaming, Inc.:** Making gaming accessible for people with disabilities.
- **Our goal:** Inclusive gaming environments for everyone
 - Increasing gaming options
 - Welcoming those with disabilities
 - Teaching technology, critical thinking, and practical applications.
- **Avant-garde gaming:** Cost-effective, meets specific needs.
 - Expert knowledge, cutting-edge technology
- **Improving lives:** Fun and enjoyment for disabled individuals.
