Teacher Appreciation Week

HELLO NEW FOUNDERS FAMILIES!

Welcome to our school, and thank you for your investment in our growing community!

As representatives of our school's Parent Teacher Organization, we'd like to tell you about some ways you can get involved at Founders Bastrop and come alongside your student(s) and their educators.

In our PTO--if you're a parent or guardian of a Founders student, or on staff, you're automatically a member! There are no membership dues.

Our meetings are infrequent, but there are lots of opportunities to volunteer and support. Whether you're serving as a room parent, bringing a week of snacks for the staff break room, heading a committee, or signing up to help at an event--every effort makes a huge impact!

We'll send out notifications for these needs in monthly newsletters and on the [Founders Families Facebook page](#), and they can always be found on our [Bison PTO website](#).

SERVICE COUNCIL

In preparation for our 2023-24 school year, we are building up our PTO Service Council. This small group of 6-8 parents serves as a board of directors for the general PTO, meeting monthly to plan encouragement for our staff, connection for families, and support for our scholars.

As Founders grows, we are looking for more Service Council talent in the following areas: treasury, secretarial, special event planning, fundraising, staff support and hospitality, and volunteer coordination!

If you fit any of these skill sets, we urge you to [apply for our team](#) by July 15! Council positions will be announced July 30, and our first meeting will be August 1.

Contact fcabastrop.pto@gmail.com with any questions you might have about these roles.

BISON STRONG

We're so excited about this school year and look forward to meeting each one of you in person. Together, let's make this a year to remember!
