HANDBOOK HIGHLIGHT

The school motto, Scientia Virtus et Libertas, translated means "Knowledge, Virtue, and Liberty." This expresses the idea supported by the Founding Fathers of our nation: if we want to maintain our individual liberties and our societal freedoms, we must have a well-educated and virtuous citizenry.

BISON PROUD

We're excited to announce our 2023-24 [PTO Council Board](#) and sincerely appreciate all who applied! We'll have lots of opportunities for committees and volunteers and look forward to finding a place for everyone to shine.

The Bison PTO Council fosters excellence in education and builds community through volunteer and fundraising activities at FCAB. We are a service organization (non-profit 501c3) that seeks to unite and encourage families and staff.
