

ID	What best describes your home?	How many people live in your household?	How many bedrooms does your house have?	How many DVLA registered vehicles are in your household?	Over the next 5 years do you expect the numbers of cars etc. in your household to increase?	Are you thinking of replacing petrol/diesel powered vehicles with electric ones within 4 years?	How many usable garages and other off-road parking space(s) does your home have?	Would your off-road parking space(s) be able to facilitate the charging of an electric vehicle?	Does your household routinely park vehicles on the street?	If you are parking on the street, how many vehicles	and are there enough spaces available outside your home?	Do you feel that people adhere to the speed limit outside your home?	Which modes of transport are used in your household to travel to work?								Do you have any comments relating to traffic and travel issues in Coldean?
