# SCHOOL report card<sup>10</sup><sub>11</sub>

## Dear Parent or Guardian,

Our responsibility for educating our children is to work together as a team—the school and district staff, parents, guardians and families, and students themselves. We all need to make our best efforts, individually and as a group, to support our students, believe in their abilities and potential, and create conditions for their success.

The 2010-11 School Report Card, revised with input from various parent and community groups, is a valuable tool for you to learn about your student's school. Bring this document with you when you visit with your student's teacher(s). Learn how your school is working to help your student read, write, think, and speak at or above grade level. Ask questions. Find out how you can help. We are a team, and we need you!

# PROGRESS

Moving toward learning goals

► **How are students moving toward high school graduation?**

To graduate, students must earn 230 course credits, complete required courses, and pass the California High School Exit Exam (CAHSEE).

► **Are students meeting California standards in English language arts and math?**

Students in grades 2-11 are tested annually to assess their achievement of state content standards. California Standards Test (CST) scores fall into 1 of 5 performance levels. The state's goal is for all students to score proficient or advanced, the top 2 performance levels.

Students scoring at the proficient or advanced performance level in...	2009-10	2010-11	LAUSD Average
English language arts	**%	25%	37%
Math	**%	11%	16%

► **How much Academic Growth over Time (AGT) did the school make on standardized tests?**

A method known as value-added analysis helps us know how much students have progressed on standardized tests from one year to the next. The table below provides Grade-Level AGT results for English language arts (ELA) for the past academic year 2010-11.

Find detailed information about your school's AGT results online at <http://agt.lausd.net>.

## ▶ What is Adequate Yearly Progress (AYP) and Program Improvement (PI) Status?

A school must meet targets under No Child Left Behind (NCLB) on standardized tests and graduation rates for all students and for certain groups (economically disadvantaged students, students with disabilities, English learners, and students in different ethnic groups). For information on the specific requirements for your school, visit <http://www.cde.ca.gov/ta/ac/ar/> and click on the link called School Level AYP Reports.

Did this school meet AYP requirements? **No**  
 How many requirements did the school meet? **0**  
 ...out of a possible **11**

A Title I school is in **Program Improvement (PI)** status when it does not meet AYP requirements two years in a row. When this happens, an intervention plan is designed to help the school meet its requirements. Parents are notified when a school enters PI status. You may view a copy of your school's plan at your school.
