Dear Mr. Buzzetti:

An investigation into your complaint that was reported on November 7, 2016, regarding the conduct of employees of the Los Angeles Police Department, has been completed. The investigation has gone through several levels of review, including myself and the command staff of Internal Affairs Group. Your allegations that the Department failed to implement the Internal Affairs Cooperative Agreement, that employees failed to take your complaint against Los Angeles School Police Department and Los Angeles Unified School District employees, that members of the Los Angeles Police Board of Commissioners erased Police Commission meeting audio recordings from the Los Angeles City View website, and that unknown employees denied your right to make telephone calls while in police custody have been classified as *Non-Disciplinary - No Misconduct*. This means that the acts alleged did not rise to the level of misconduct and the named employees' actions were protected by law or found to be consistent with Department policy or procedure.

Thank you for bringing this issue to our attention. It is the goal of the Los Angeles Police Department to provide the highest level of quality service to every member of the community. Should you have any questions concerning this matter, please contact Police Officer III Cynthia Bello, Complaint Classifications Unit, Internal Affairs Group, at (213) 996-2739.

Very truly yours,

CHARLIE BECK
Chief of Police
