***INVITATION: Will you visit Atlanta April 4th...
The Memorial Anniversary of Dr. King's tragic death?
Our APPEAL: "Award ATLANTIS to Atlanta!"***

***ENVISION ATLANTIS IN ATLANTA'S GLOBAL PEACE MUSEUM
WE HAVE A DREAM!***

Mr. President and Administrator Bolden,

Greetings from Atlanta: City of Peace...

Our nonprofit is building the global peace legacy of Dr. King's birthplace so it can fulfill its true destiny and become a global capital of peace. We invite you to be "Co-Founders." Atlanta: City of Peace, Inc. (ACP) is a 501(c)(3) organization with 7 major projects (e.g; The Global Peace Museum, The Global Peace Academy, The Global Peace Tower) plus over a dozen minor peace projects in various stages of development. Our DREAM is to formalize Atlanta as a global beacon of peace and to nurture global peace for our entire global family. As esteemed brothers in our global family, each of you is very inspiring and accomplished.

INVITATION #1: President Obama and Administrator Bolden, will you please clear your schedules to attend, on April 4th; the exact 43rd Anniversary of Dr. King's tragic and senseless murder, our organization's ATLANTIS To Atlanta event? Will you, at the least, please publicly acknowledge our DREAM GOAL of bringing ATLANTIS to Dr. King's birthplace? IF you cannot schedule our event at this late date, can you please send an 'Official Statement Letter' that we can read publicly?

INVITATION #2: It is widely publicized the final Space Shuttle Flight of the entire Space Shuttle Program will be flown by **ATLANTIS on June 28**. Will each of you PLEASE support and publicly endorse our goal to have ATLANTIS to actually "Land in Dr. King's Birthplace at the World's Busiest Airport" after mission completion? PLEASE work with Atlanta Airport officials to schedule this historic goal. When ATLANTIS lands IN Atlanta it will essentially transform Dr. King's airport into "The World's First Commercial Spaceport for Peace!" Accomplishing this places an "Exclamation Point" in preparation for the Grand Opening of the MLK Memorial on the National Mall in Washington, DC for August 28, 2011. This is the exact 48th Anniversary of Dr. King's globally respected speech "I HAVE A DREAM!" Also, landing ATLANTIS in Atlanta will honor Dr. King and "garland" the first year of the second decade in the 1000-year period of human history we have termed:

The Peace Millennium (Years 2000-3000)

Our special April 4th ATLANTIS-To-Atlanta event will occur at a venue overlooking the future site of the Global Peace Museum. NOTE: This prime site adjoins "The World's Busiest Airport" with ~100 million annual passengers, plus the Georgia International Convention Center, and all three are connected by the new ATL Sky Train. According to our museum architect, the ATL Sky Train can eventually transect the roof of our \$200 million Global Peace Museum "for unparalleled dramatic architectural affect!" Our primary goal in creating this new international tourist destination is to memorialize Dr. King's life, plus honor Gandhi-his teacher, and to propel forward their globally respected peace & nonviolence teachings. We are inviting each of you, plus every peacemaker throughout the USA and world to see, first-hand and through media coverage, the future location of the Global Peace Museum, plus envision the retired Shuttle ATLANTIS as the cornerstone exhibit. FACT: The Global Peace Museum's website will eventually be **"the world's biggest virtual peace museum!"**

President Obama and Administrator Bolden, on behalf of the HUNDREDS OF MILLIONS of people worldwide, plus the HUNDREDS OF THOUSANDS of organizations and corporations worldwide, plus the hundreds of cities and multi-dozens of nations worldwide that greatly admire the peace teachings of Dr. King and Gandhi, we implore you to acknowledge our ATLANTIS To Atlanta Campaign, whether in person on April 4th, or by an 'Official Statement Letter' for us to read.

We now joyfully labor to build upon Dr. King's dream for "The Beloved Community" and also work hard to transform his birthplace into a global capital of peace. Having ATLANTIS in Atlanta will launch forward our successful mission. ATLANTIS will become "a teaching tool" for generations into the Peace Millennium and help YOU and BILLIONS in the future to clearly HEAR Dr. King's great "call to higher ground" made during his [Nobel Peace Prize Lecture December 11, 1964](#):

***"Modern man has brought this whole world to an awe-inspiring threshold of the future...
His airplanes and spaceships have dwarfed distance, placed time in chains,
and carved highways through the stratosphere...
but we have not learned the simple art of living together..."***

WE, our global family, still has much to learn about "the simple art of living together" and with ATLANTIS in Atlanta that 'peace lesson' will be launched forward as we combine that with Dr. King's "Fierce urgency of now!"

DR. KING DEFINES THE CASE FOR URGENCY:

"This call for a worldwide fellowship that lifts neighborly concern beyond one's tribe, race, class, and nation is in reality a call for an all-embracing and unconditional love for all humankind... We are now faced with the fact, my friends, that tomorrow is today. We are confronted with the fierce urgency of now. In this unfolding conundrum of life and history, there is such a thing as being too late."

"WE HAVE A DREAM!" Dr. King's birthplace has a huge asset that is still much undervalued and it will launch it onto the global stage when "refined." Will you acknowledge our Global Peace Museum project and help us develop this huge asset?
"The Gandhi-King Global Peace Connection"

DR. KING DEFINES THE CASE FOR REMEMBERING GANDHI:

"Gandhi was inevitable. If humanity is to progress, Gandhi is inescapable. He lived, thought and acted, inspired by the vision of humanity evolving toward a world of peace and harmony. We may ignore Gandhi at our own risk."

HIS HOLINESS THE DALAI LAMA SUBSTANTIATES ATLANTA'S GLOBAL PEACE LEGACY: (Note, He is now an official part-time resident of Atlanta, and thereby is our city's #3 Nobel Peace Prize Laureate)

"Atlanta has a great significance, and it is a great joy for me to be with you today, the citizens of Atlanta... Visionaries such as Mahatma Gandhi and the Rev. Martin Luther King Jr. have shown us that successful changes can be brought about nonviolently. I believe that, at the basic human level, most of us wish to be peaceful. Deep down, we desire constructive, fruitful growth and dislike destruction."

STEVEN A. SPIELBERG IS NOW IN PRODUCTION WITH BLOCKBUSTER "KING" FILM:

NOTE: Spielberg is an ideal candidate to assist in co-founding and funding our Global Peace Museum. His epic KING film (probably to be released in 2012) will certainly win multiple Academy Awards and place Atlanta back onto the global map! GANDHI-the movie won 8 Academy Awards and was nominated for 12. Spielberg recently stated:

"DreamWorks studio has acquired the rights to the life of the Rev. Dr. Martin Luther King, Jr. and plans to make an epic film about the civil rights leader."

PRESIDENT JIMMY CARTER SPEAKS AT CORETTA S. KING MEMORIAL, FEBRUARY 2006:

"The efforts of Martin and Coretta, although not appreciated even at the highest level of government, have changed America!"

PRESIDENT BILL CLINTON SPEAKS AT CORETTA S. KING MEMORIAL, FEBRUARY 2006:

"Citizens of Atlanta... what will happen to the legacy of Martin Luther King and Coretta King? What are you going to do to make sure that it grows?"

OPRAH WINFREY SPEAKS AT CORETTA S. KING MEMORIAL, FEBRUARY 2006:

"The Rev. Martin Luther King Jr. and Coretta Scott King were followers of Gandhi's philosophy of non-violent resistance. To me, Coretta Scott King embodied royalty... You knew she was a force... We must continually remember the words of Dr. King: "Everyone can be great because everyone can serve!"

President Obama and Administrator Bolden, in closing please accept our invitation to acknowledge our ATLANTIS To Atlanta Campaign, whether in person on April 4th, or by an 'Official Statement Letter' for us to read. We are committed to **URGENCY**. Our ATLANTIS in Atlanta Campaign is lifting everyone's level of HOPE for the future in an unequivocal way. OUR huge DREAM will greatly honor Dr. King's birthplace, plus nurture Global Peace for our Global Family.

Courage, Peace, Love and Non-Violence in... Atlanta: City of Peace, Globally and Space too!
