

CARPATHIA KICKERS FC

SOCCER DEVELOPMENT FOR TOMORROW'S ELITE PLAYERS

Blue and **Gold** Academy

AGES: U6 – U10

\$105 Registration
\$90/per month

Season runs from September to May

We train players within a fun soccer environment using a structured curriculum designed specifically for their age. Each coach is highly qualified and highly experienced.

Young Jr. Academy players:

- Will have the chance to progress through the ranks of the Carpathia Kickers youth teams.
- Improve their game by learning proper dribbling, passing, and shooting techniques.
- Be placed in a developmentally appropriate environment based on ongoing evaluations.

ABOUT THE PROGRAM

For motivated players born in 2014, 2015, 2016, 2017, or 2018, the Carpathia Kickers FC Jr Academy provides high-quality training and development opportunities. The Jr. Academy of Carpathia Kickers FC offers an introduction to elite level soccer training for U6-U10 players.

Our aim is to provide each player with an environment that builds their foundational skills and helps them develop a love for the game. Our tailored curriculum takes into account age and skill level, to empower individuals while they build confidence in themselves and their abilities on the field. Come join us through this exciting journey!

At our Club, we strive to cultivate talented players with sophisticated ball handling abilities. We prioritize independent thinking, allowing players to make decisions without immediate input from coaches or parents. Our training staff creates an exciting and difficult atmosphere where individuals can pursue their creative potential while developing as a player.
