Bulldogs HC 2026-27 Fall Registration Guide

Welcome

Welcome to the all-new Bulldogs HC 2026-27 Fall season. This guide gives every family a clear, transparent overview of fall fees, payment options, recoverable costs, uniforms, league participation, and the TeamSnap ONE registration process. We are excited to begin this new chapter with a renewed focus on player development, disciplined competition, family value, and a cleaner registration experience from start to finish.

2026-27 Registration Highlights

- **All-new Bulldogs HC.** The 2026-27 season launches a new era for the club with updated branding, a new website, new uniforms, a new registration system, and a clear commitment to building a stronger foundation for players and families.
- **New three-tier pricing structure.** Families may register during Early Registration 1 (June 2026), Early Registration 2 (July 2026), or Regular Registration (August 1 and after). The earlier you register, the lower the tuition and the lower the required down payment.
- **Best value in June.** June registrants receive the lowest pricing, a \$99 down payment, and access to up to nine (9) total interest-free payments.
- **Lower costs across Squirt through Midget.** Bulldogs HC has reduced fees across Squirt through Midget levels while maintaining a transparent, development-focused program model.
- **Hardship assistance requests.** Financial hardship assistance requests will only be considered for families who register during the June registration window. Registering early gives families the best available price and payment terms and gives the club time to evaluate requests before rosters, budgets, and payment schedules are finalized. Send hardship requests to finance@thebulldogshockeyclub.com.
- **New uniforms at every level.** All players will be outfitted in new Bulldogs HC uniforms for the 2026-27 season. Uniforms and helmet stickers will be ordered directly through Offensive Zone, the official Pro Shop and uniform provider of Bulldogs HC.
- **League play.** Mite teams will compete in CUHL. Squirt through Midget teams will compete in CSDHL and/or CSDHL Prospects, as applicable, with final placement based on team level, league acceptance, and competitive fit.
- **TeamSnap ONE registration.** Registration, waivers, payment plans, account management, and receipts will be handled through the TeamSnap ONE registration system.

Please review the full registration guide carefully before registering so you understand the fee schedule, recoverable costs, uniform process, payment options, and TeamSnap ONE registration steps.

2026-27 Pricing Matrix

Bulldogs HC is committed to delivering the best possible hockey experience at the best possible value. For the 2026-27 Fall season, fees have been reduced across Squirt through Midget levels. Although the club will no longer offer a free Mite program, this structure creates a stronger, more sustainable foundation that better serves players, families, and the club for years to come.

Parent Volunteer Program (PVP) Fee	\$150 Recoverable
Fundraising - Club Raffle	\$200 Recoverable
2026-27 Fall Tryout Fee	\$149
Uniform Cost (Pee Wee-Midget)	\$380
Uniform Cost (Mite House-Squirt)	\$185

Transparent pricing is a core Bulldogs HC value. The following items are separate from program tuition so families can clearly understand the full registration cost before checkout.

Club Raffle Program

Each family will participate in the mandatory club raffle. The \$200 raffle fee is 100% recoverable: each player receives ten (10) \$20 raffle tickets to sell, allowing the family to fully offset the cost. Sold ticket stubs will be entered into the club-wide drawing for cash prizes of \$4,000, \$2,500, and \$1,000. The drawing will be held at the rink the week before Thanksgiving.

Parent Volunteer Program (PVP)

The \$150 PVP fee is also 100% recoverable. Families who complete at least six (6) hours of approved volunteer service will receive a \$150 credit to their TeamSnap ONE account. Volunteer opportunities will be posted throughout the season. The PVP fee is charged once per family. If you register more than one player, a \$150 discount for each additional player will be applied before checkout so the PVP fee is not charged multiple times to the same family.

Tryout Fee

The 2026-27 Fall Tryout Fee is \$149 per player. This fee becomes non-refundable once a player participates in Bulldogs HC Fall Tryouts.

Uniforms

Bulldogs HC will debut all-new uniforms for the 2026-27 season.

- Two (2) game jerseys
- Two (2) sets of game socks
- One (1) game shell
- Cost: \$380*
