

LETTUM EAT! 2025 Meal Sponsorship and Distribution Program

LETTUM EAT! Inc. is a nonprofit mobile food service providing **free** meals to food insecure individuals and families in local Communities. Our Mission is to provide **Mobile Food Provisions Prepared with Care and Served with Compassion to those in Need.**

Our **Free Meal Sponsorship and Distribution Program** involves strategic **partnerships** with churches, public service organizations, groups and individuals who wish to sponsor the cost of a meal. Lettum Eat offers both **Free Hot and Prepackaged Heat and Serve Meals** for distribution.
