

## LET TUM EAT! 2024 Meal Distribution Sponsorship Program

LET TUM EAT! Inc. is a nonprofit mobile food service providing **free** meals to food insecure individuals and families in local Communities. Our Mission is **Mobile Food Provisions Prepared with Care and Served with Compassion to those in Need.**

Our **Free Meal Distribution Sponsorship Program** involves strategic **partnerships** with a multitude of Churches and public service organizations who sponsor the cost of the meals allowing those with food insecurities to receive a Pre-packaged/Cooked, Ready to Heat or Fresh Hot Meal. Lettum Eat’s Sponsorship Program offers 6 options in providing meals to those in need. Sponsors can elect to provide a FREE MEAL distribution for their community or sponsor a meal at your local food co-op, soup kitchen, civic outreach event, etc. We offer **6** service programs to communities evaluated to have residents most likely suffering from Food Insecurity. We produce meals efficiently and effectively and have them delivered to distribution sites or in some cases directly to their door. All clients/recipients receive their meals at no charge.

### Meal Distribution Sponsorship Plans:
