

## LETTUM EAT! Meal Distribution Sponsorship Program

LETTUM EAT! Inc. is a nonprofit mobile food service providing **free** hot meals to food insecure individuals and families in local Communities. Our Mission is **Mobile Food Provisions Prepared with Care and Served with Compassion to those in Need.**

Our **Hot Meal Distribution Program** involve strategic partnerships with a multitude of Churches and public service organizations. The Program involves initiating HOT MEAL food drives and engaging their congregations and surrounding community with events that will offer free meals for recipients of our services. We offer 4 service programs to communities evaluated to have residents most likely suffering from food insecurity. We produce hot meals efficiently and effectively and have them delivered near distribution sites or some cases directly to their door
