# President's Message

Welcome to the 32nd Annual Hacienda Heights "I Love America" 4th of July Parade, sponsored by the Kiwanis Club of Hacienda Heights. It is my honor to recognize our Grand Marshalls Charles and Martha House. They have tirelessly served our community in many capacities. Most memorably as founders of the Concerts in the Park which ran in our community 1995-2018. Also notable for their dedicated work in the Meals on Wheels Program in our community.

I want to express my appreciation to the tireless effort of the entire parade committee lead by David Wallach, sponsors, volunteers and all participants in today's parade. Kiwanis is a Worldwide Community Organization with a motto, "Changing the World, One Child and One Community at a time" The Hacienda Heights Club has been serving Hacienda Heights and surrounding communities for over 55 years. Here in Hacienda Heights the 4th of July Parade is only one of many projects we complete each year.

I invite you to come and join our meetings of the Hacienda Heights Kiwanis Club and get more involved in the community. We meet the 1st, 2nd and 4th Wednesdays at 6:00 PM at Casa Blanca Mexican Restaurant on Gale Avenue between Hacienda Blvd and Stimson Ave.

On this Special Day I wish everyone a "Happy Fourth of July" as we give thanks to the all the Men and Women who have served and currently serving in our Armed Forces who have sacrificed for our Independence. I would also like to thanks all First Responders who help our communities daily. These individuals truly show the Heart of a Hero, which we celebrate today!

I hope you enjoy the parade as you celebrate our Independence Day with family and friends.

## Charles and Martha House

### CHARLES M. HOUSE

**Charles House** was born in Austin, Texas, and moved with his family to Boyle Heights when he was six years old. It was in the culturally rich and diverse East Los Angeles Community that Charles learned that every person, based on individual merit, could excel in his/her chosen endeavor. Charles graduated from Roosevelt High School and served in the U.S. Armed Forces in Fort Benning Georgia. Charles and his wife Martha have resided in Hacienda Heights since 1969. They are involved in community and church activities.

**Charles House** earned a bachelor's degree from California State University at Long Beach with a major in Accounting and a minor in Spanish. He furthered his studies of the Spanish language in Mexico and Guatemala.

**Charles House** served on the Narcotics Addict Evaluation Authority Commission appointed by Governor Wilson from January of 1996- 2000. He has also served as the Executive Director for the Republican Party of Los Angeles County from August of 1994 to April 1996. Prior to that he served twenty-seven and half years with the Los Angeles County Sheriff's Department retiring with the rank of sergeant.

## Martha House

**Martha House** was born in Wilmar, Arkansas. Martha graduated from Dunbar High School in Little Rock, Arkansas at the age of 15. Martha lived in an environment where meaningful work was rare for persons of color and even more rare for those under the age of 16. The lack of funds delayed her entrance into college, however, it was there when Martha began to learn that adversity is not fatal and every person can excel in whatever chosen endeavor on individual merit.

One year after high school, she enrolled and spent one year at Arkansas Baptist College pursuing a major in business, after which, she enrolled in a business college where she completed the necessary requirements to be certificated in general business.

**Martha** moved to Nevada with hopes of finding better opportunities where she also continued working on her college education. The opportunity arose for Martha to move to California in 1960. It was here in California where Martha was able to achieve her objective. She married and became active in civic and church affairs while continuing to work and go to school. With the support of her husband, she earned an Associates of Art Degree from Rio Hondo Community College and a Bachelor of Science degree in Business Administration from the University of Redlands, specializing in accounting.

**Martha House** has served in positions in middle management such as Assistant Controller, Division Controller and Corporate Accounting Manager. She is currently operating her own general accounting practice.

**Martha House** is committed to excel in all her endeavors, both professionally and in community service. She attributes her successes to determination and discipline.

**Martha House** resides with her husband, Charles in Hacienda Heights where they have lived since 1969.

***College: UC Riverside***

***Major: Pre-Business***

Due to my well-roundedness, active involvement in the community and my school, and my commitment to good character, spirit and integrity, I believe I am an excellent representative of the community. Through this experience I would also like to gain more confidence and be exposed to new things.

# *Miss 4th of July Court (first runner-up)*

***High School: William Workman***

***Ambition: Financial Advisor***

***College: UCLA***

***Major: Political Science***

I would like to be Miss 4th of July to be a role model and inspire my peers and younger girls to want to give back to the community. Moreover, this scholarship will help me finance my future to allow me to attend a four year institute and then go to law school. Likewise I will use this new foundation of knowledge to do pro-bono work for our community. Furthermore, as a result of my long history in the K-family I would like to become a Kiwanis member after Circle-K and inspire other youth.

Dear Hacienda Heights Community –

Happy Fourth of July! 243 years ago, a group of colonists in Philadelphia took a remarkable step by declaring their independence of the British monarchy. These brave men and women established a new nation founded upon the ideals of liberty, freedom, and equality for all. Their revolutionary concepts forever changed the world and paved the way for democracy to flourish throughout the modern era.

Since the very first celebration of Independence Day back in 1776 our nation has overcome many challenges, and will certainly face many more as the future unfolds. Yet, on July 4<sup>th</sup>, all Americans join one another in celebrating the birth of the American experiment: *a government empowered by the consent of the governed*. All across our great country, people are coming together, celebrating our independence and freedom, decked out in our red, white and blue, and making great memories with family and friends.

Today is also a time to salute and thank veterans and those who continue to protect our freedoms while serving in our armed forces. Thank you for your service!

On behalf of myself and my fellow members of Upper District’s Board of Directors, happy Fourth of July and we hope that each of you has a safe, prosperous, and enjoyable summer ahead. Just remember, drought or no drought...please be “Water Smart,” and continue helping us make water conservation a way of everyday life!

Sincerely,

Ed Chavez  
President, Board of Directors
