

A young boy stands in the center-left of the frame, looking towards the camera. He is wearing a bright yellow shawl draped over his shoulders and a red skirt with a white geometric pattern. He is barefoot. The background is a dry, open landscape with sparse, yellowish-brown vegetation. In the distance, there is a small white building with a blue door and a tall metal water tower with a solar panel on top. The sky is clear and blue.

# ***GOD'S GRACE FOR ALL NATIONS***

**IMPACT REPORT  
2024**

# INTRODUCTION

God's Grace For All Nations (GGFAN) is committed to making disciples of all nations, as highlighted in Matthew 28:19-20. We believe that everyone deserves to experience God's love and grace. This report shares how our work has impacted the communities in Baringo, Samburu, and Marsabit, where faith, hope, and resilience are creating positive change.

We focus on preaching the gospel to spread the good news and bring light to overlooked areas of these communities. By meeting their physical needs too, we alleviate the burden of hunger and illiteracy, sharing God's love with them and providing hope.

Our children's rescue center provides a safe place for vulnerable and orphaned children. We offer shelter, love, and support that helps them heal from trauma and envision a brighter future. Each child receives care, educational opportunities, and encouragement to thrive, transforming their lives.

Our pastor's school trains the next generation of church leaders. We help dedicated individuals build their theological knowledge, leadership skills, and ability to engage with their communities. This training prepares them to lead their congregations with confidence and integrity, supporting the growth of the church in these areas.

Our agricultural initiative addresses food security and economic independence. We train community members in best farming practices, promoting sustainable methods that improve crop yields and encourage responsible use of land and resources. This approach empowers individuals and strengthens entire communities.

As we reflect on our 2024 achievements together, we invite you to celebrate the transformations we have seen. This report showcases the ongoing work of the Holy Spirit in our communities, promoting hope and a shared vision for a future filled with God's grace and love for all nations.

# *Church Empowerment*

Strong and healthy congregations are vital for spiritual growth and community change. The Church Empowerment initiative helps leaders, strengthens congregations, and improves outreach so that churches can grow in numbers, faith, and impact. We focus on developing leaders, organizing seminars, and planting new churches. Our goal is to build a strong and spiritually active community that offers hope and guidance.

*"So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness." – Colossians 2:6-7*

## **Impact Achieved:**

Through the grace of God, the Church Empowerment initiative has made significant strides in strengthening congregations and expanding the reach of the Gospel. Over the past year, we have planted new churches, increased membership, and equip leaders with the knowledge and skills to disciple their communities effectively. By investing in leadership training, youth and women's ministries, and community engagement, we are fostering a spiritually vibrant and self-sustaining network of churches.

*"And I tell you that you are Peter, and on this rock, I will build my church, and the gates of Hades will not overcome it." – Matthew 16:18*

# *Missions to the Unreached*

This department is deeply and passionately dedicated to sharing the Gospel with unreached and least-reached communities while simultaneously addressing their critical physical needs. Our work spans the varied and often challenging landscapes of Samburu, Marsabit, and Baringo Counties, where the team engages in a range of activities aimed at community transformation.

One of our primary focuses is the establishment of new churches that serve as spiritual havens, fostering community and providing a foundation for worship. We are committed to empowering dedicated missionaries who tirelessly work within these areas, equipping them with the resources and training necessary to effectively spread the message of hope and love. Our team actively provides nourishing food to vulnerable populations, helping to alleviate hunger and improve health outcomes. This holistic approach is designed not only to bring immediate relief but also to encourage long-term development and sustainability within these communities.

Through our initiatives, we aim to bring hope and spiritual growth to those who have often been overlooked. Our efforts are centered around fostering transformation, building resilient communities, and nurturing relationships that honor the dignity of every individual we serve. Together, we aspire to create a brighter future for the people of Samburu, Marsabit, and Baringo Counties, where both their spiritual and physical well-being are prioritized.

# *Agriculture Department*

The Agriculture Department aims to improve lives by promoting sustainable farming, increasing food security, and empowering the community economically. We offer training, develop cooperatives, and teach modern farming techniques to help individuals and families enhance their livelihoods. By combining faith and farming, we trust that God will bless the land and provide a plentiful harvest, allowing communities to thrive both physically and spiritually.

## **Impact Achieved:**

We have made significant progress across our various initiatives. Through focused programs, hard work, and faith, we have changed lives, empowered communities, and created better opportunities for the future. As we celebrate these achievements, we stay committed to our goals, ensuring that every person we touch continues to grow.

*"And let us not grow weary of doing good, for in due season we will reap if we do not give up." – Galatians 6:9*

Our agricultural programs have exceeded many of our goals. This is in line with our commitment to improving the lives of the communities we serve. Through training programs, community involvement, and partnerships, we have helped individuals and families adopt sustainable farming practices. This has strengthened their economic stability and food security.

# *Administration Department*

The Finance and Administration department is essential for keeping our ministry financially healthy and running smoothly. We carefully track financial transactions, manage budgets, and make sure we follow the rules. This helps us provide accurate and timely financial information for better decision-making. Our dedication to transparency and honesty builds trust with our stakeholders, which helps the organization accomplish its goals effectively. By managing resources well and improving our administrative processes, we aim to support all departments and contribute to their success.

*"So then, each of us will give an account of ourselves to God." – Romans 14:12*

## **Impact Achieved:**

The Finance and Administration Department is essential for keeping the ministry's finances in order and ensuring smooth operations. We carefully manage our finances and follow best practices to guarantee transparency and accountability in all transactions. This helps us deliver timely and accurate financial reports, manage our budgets well, and meet all regulations. By establishing strong internal controls and promoting ongoing improvement, we make it easier for the organization to run efficiently and effectively, supporting the successful implementation of our mission-driven programs..

We are committed to putting God at the center of everything we do. We understand that being responsible for the resources we have is a divine calling. We ask for His guidance in every decision we make.
