

MARCH 2024 NEWSLETTER

MESSAGE FROM SIMON AND LUCY

Dear Simon,

My heart is always overwhelmed by your love, friendship and support towards our vision and mission. Your dedication to sharing God's love with the unreached, least reached and

the vulnerable children has made it possible for us to fulfil the great commission as Jesus commanded us in Matthew 28:19-20, "*Go ye therefore, and make disciples of all the nations, baptizing them into the name of the Father and of*

the Son and of the Holy Spirit: teaching them to observe all things whatsoever I commanded you: and lo, I am with you always, even unto the end of the world.”

Your kindness and generosity have been a source of great inspiration to our ministry. I am deeply grateful for your firm commitment to serving others with love. May the Lord richly bless you for your altruism, and may He continue to guide us as we work together towards the common vision of sharing God’s love and bringing hope, healing, and transformation to those in need. Thank you for your dedication and compassion, and may we always be motivated by love and a desire to make a difference through the salvation of our Lord Jesus Christ.

I wish to extend our sincerest appreciation to everyone who attended our Donors/Partners’ Zoom meeting on February 10th. The meeting provided an excellent opportunity for us to share with you about GGFAN’s vision for the next three years. Your presence and commitment to our shared goal of transforming lives with the Gospel have been a source of immense inspiration for us. We are incredibly grateful for your support and look forward to working together towards achieving our vision. May God bless you.

I wish to thank Curtis and Paula Burnett from Florida, Tom and Cindy Weitzenkamp from Nebraska, Malcolm Green from Arizona, Walter Okullu from the Field of Hope in Uganda, and Bishop Daniel Biamukama and Shammah Biamukama from the Rescue City Church in Uganda. Your recent visit to GGFAN has had a profound impact on us, and we remain grateful for your unwavering support. The insightful feedback will also provide us with insights into potential improvements we can make to existing programs and services.

God bless you all brothers and sisters! We love you.

MISSIONS TO THE UNREACHED

Mission to the Samburu Teenage Mothers

Missionary work in Kenya is not all about bringing the Gospel of Jesus Christ to the unreached and least-reached but also fighting to eradicate primitive cultural practices.

Most of these cultural practices

discriminate against gender and encourage domestic violence. A team of pastors under the Samburu County Nkalup Vision (SCNV) visited the Full Gospel Church in Barsaloi Village to evangelize, disciple, and strengthen the church. In their door-to-door evangelism, the team helped win the souls of many among them were two teenage girls who are victims of these primitive cultural practices.

No Smoke, No School!

Food security is a major issue in Samburu County. Most families spend an entire day hungry; often surviving on a single meal a day. This means that most children often

sleep on a hungry stomach since their caregivers have nothing to feed them. These caregivers often take advantage of school feeding programs to keep their children fed. The children are sent to school on school days not necessarily to acquire education but to get at least a meal. In schools with feeding programs such as the Samburu County Nkalup Vision (SCNV), the enrollment is often high as compared to schools without. Smoke from a school's kitchen is evidence that there is learning.

MERCY MINISTRY

The First Steps Of Our Journey!

Home of the Good Shepherd (HOTGS) is planning to admit ten vulnerable children in March 2024. This will be a new cohort in addition to the last cohort of thirty-nine children admitted in April 2022. The admission process is overseen by the HOTGS Board of Management.

The HOTGS Manager, Reverend Lucy Thuo, and social workers carry out the process which involves a series of steps meant to ensure that transparency and fairness are observed.
