

AUGUST 2024 NEWSLETTER

Thank you for taking the time to read and learn about how God is transforming lives through GGFAN! God bless you!

MESSAGE FROM SIMON

Dear Simon,

.Thanks to your compassion and generosity, we can continue our vital work in building a stronger, more connected community by sharing God's love with many

people. Your dedication to helping us realize our vision and fulfill our mission is truly inspiring, and we are immensely grateful. With your continued support, we are expanding our reach and bringing positive change to even more lives.

We have received a brand-new bus to help ease the transport of our Little Lambs Academy students and staff. A bus that will not only ease the transport but lower the cost of transportation hence more funds for the development of the institution. Our children can enjoy road trips to different sites in Kenya for educational purposes and competitions.

We are providing care to vulnerable children and we have admitted sixteen new children to our rescue center. We are equipping church leaders with skills to transform lives where thirty-nine students will be graduating with certificates and diplomas on 9th August 2024. We are grateful for your kindness in feeding the families in Samburu villages. Thank you for providing a glimpse of hope to these dear ones!

Our dear American friends, we want to express our heartfelt gratitude for the incredible warmth, generosity, and open-hearted welcome you extended to us during our recent journey to the United States. Your genuine hospitality and kind gestures truly made our visit unforgettable, enriching it with countless precious moments and meaningful conversations. We look forward to continue working with you to transform even more lives. Julius and I are forever grateful for your love and kindness!

We are happy to continue working with you in transforming even more lives together. Thank you for your love, your kindness, and your dedication to making the world a better place! God bless you our brothers and sisters!

MISSION TO THE UNREACHED

Relief Feeding in Samburu

In June 2024, the Samburu

Food Distribution in a Samburu village.

County Nkalup Vision (SCNV) distributed relief food to over eighty villages, benefiting

hundreds of vulnerable villagers. Generous donors from the United States provided a grant of \$30,000, which was used to provide thirty-seven tons of maize, over sixteen tons of beans, and rice to households in Samburu and Turkana.

The Njuguna's House Project

Moving to the mission field has not been easy for missionary Julius Njuguna's family, as they have had to struggle to obtain water, education, and other necessities. The family has rented houses from place to place due to the requirements of their missionary work. This has been challenging for their children, who have had to let go of their social lives and friends.

The Njuguna Family.

The family is kindly reaching out for assistance with both financial contributions and prayers to aid in the completion of their three-bedroom house and guest rooms project. This project holds significant importance as it is anticipated to have a positive impact on their lives and will also facilitate increased visits to the region.

Church Planting in Marsabit

We acknowledge the Almighty God for His purpose and plan over mankind. He has established the churches and preaching points in the Marsabit region. Lolukushu, one of our churches in Marsabit, has been doing very well. The church, led by missionary

Henry Wachira and his wife Lydia Muthoni, has been very active in evangelism using videos and audio bibles. They have also been reaching out to schools through pastoral program instructions (PPI).

MERCY MINISTRY

HOTGS 2024 Cohorts

The Home of the Good Shepherd (HOTGS) welcomed sixteen new children into the family on June 29, 2024. This aligns with our mission to provide care, development, and support for orphaned and vulnerable children in society. Some of the children will be residing at HOTGS, while others will receive support while living with their caregivers.

EDUCATION

Blessed Beyond

Measure!

We are beyond words for what the Lord has done for Little Lambs Academy (LLA). We had been in prayers because of the high cost we have incurred due to hiring a bus. The Lord has indeed remembered us and through our donors, we

The new LLA bus.

now celebrate the blessings of a new bus. The bus came at the opportune time when the prices of petrol were high due to the inflation that had affected our nation. We could barely afford to ferry our learners from far distances without doubling the transport cost to cater for the fuel. This led to the loss of seventy students who could not afford this high cost of transport.
