Continued Transformation!

Founders' Message

Dear Simon,

I want to take a moment to thank

you sincerely for your support, your prayers, and your partnership with GGFAN. You are a very important part of this ministry, and I am truly grateful for you.

As you read through this newsletter, let it be a reminder of how much your support means to us. Whether it's a soul reached, a life transformed, or a message of hope shared—your partnership is behind it all. You're not just helping us run a ministry; you're helping us build the Kingdom.

You have helped us reach people with the Gospel, care for those in need, and build up leaders who are making a difference in their communities. Your giving is not just financial—it is spiritual. It is a seed planted in good soil, and we are already seeing the fruit.

Thank you for standing with us. Thank you for believing in the vision God gave us. Thank you for walking this journey with us. Your partnership encourages us to keep going, even when the road is difficult. You remind us that we are not alone.

I pray that God blesses you in every area of your life. May He give you peace, strength, and joy. May He multiply what you have given and return it to you in ways only He can.

We are praying for you, and we are thankful for you. Let's keep building together—for His glory.

With deep appreciation and love,

Bishop Simon Mwaura.

**HOME OF THE GOOD
SHEPHERD (HOTGS)**

**From Silence to Strength: A
Journey of Grace, Grit, and God**

Duncan Maina, a graduate from HOTGS.

My name is Duncan Maina. I was born into love — and loss.

Our home was modest, filled with the laughter of siblings and the quiet strength of my father. He was our anchor, our protector, the man whose presence made the world feel safe. But one day, life unraveled. A tragic road accident stole him from us — and with him, the warmth in our

home vanished. I was still a child, but the world suddenly felt colder, emptier, and far less kind.

MISSION TO THE UNREACHED

From "Donkey" to Disciple: The Redemption of Alfred Napok

Some stories stay with you. They echo in your spirit, reminding you why you give, pray, and believe in transformation. This is one of those stories.

Alfred Napok, a church elder at the GGFAN Chelang'a Church.

In the quiet village of Chelang'a, tucked deep in the Pokot region, lived a man named Alfred Napok. For most of his life, Alfred was known not by his birth name, but by a nickname he gave himself: "punda", the Swahili word for donkey.

It wasn't a joke. It was a confession.

LEADERSHIP DEVELOPMENT

The Second Bell: Teenage

Salome Maina, a student at the GGFAN Pastors' School.

Motherhood to Transformational Ministry

In Kenya, dropping out of high school often means dropping out of opportunity. Young people are locked out of colleges, vocational training, and most formal employment without a diploma. The result is a cycle of poverty, marginalization, and lost potential. While some attempt to re-

enter the education system, the barriers—social stigma, financial hardship, and rigid structures—are often too high to overcome.

Salome Maina's story begins in this very struggle. But her second bell rang—first in a classroom, then in the community, and finally in the GGFAN Pastor's School.

LITTLE LAMBS ACADEMY

Expanding Digital Literacy

Three weeks ago, a quiet revolution began at Little Lambs Academy (LLA). With the arrival of 30 new computers and a transformative partnership with TechLit Africa, our students stepped into a world they once thought was out of reach: the digital age.

Ongoing classes at new LLA Digital Hub.

This isn't our first encounter with computer education—Grades 6, 7, and 8 have long received lessons aligned with the Kenyan curriculum. But this new initiative marks a bold expansion. For the first time, every learner from Grade 2 to Grade 9 is receiving hands-on, skill-based computer training. And it's not just a pilot—it's a one-year renewable program, designed to grow with our students and deepen its impact over time.
