HOME OF THE GOOD SHEPHERD

Happily Ever After!

One of our oldest residents, Teresiah, married Paul Maingi on October 9th. After losing her parents, Teresiah was cared for by her grandmother. She joined HOTGS in 2008 with dreams of becoming a teacher.

Through dedication and education, she graduated with a Bachelor's degree in Education Arts, fulfilling her dream. She went on to pursue her Master's degree while finding the love of her life. After three years of dating, they decided to tie the knot.

Golf for Charity!

God connected us with the Ngotho family, who were seeking a charity home to support in honor of their late father, Mr. Ngotho, through a golf tournament. They organized the event at the Nyahururu Country Club on November 16th. Seventy-two golfers from across Kenya participated in the tournament.

The weather was chilly, with continuous rain throughout most of the day. Despite these unfavorable conditions, the tournament proceeded as planned. The commitment of the golfers was evident as they began playing as early as 8 a.m. With assistance from the caddies and support from the gallery, the golfers persevered through the rain, dedicating their energy to the game. The synergy and enthusiasm among the golfers shone through, demonstrating their resilience despite the setbacks.

CHURCH EMPOWERMENT

When the Time is Right!

Paul Mwaura, the youngest pastor of GGFAN, ministers at the GGFAN Mukindu Church in Olkalou. He has been a member of GGFAN for nearly ten years. For a long time, Mwaura was the only unmarried pastor in the ministry. Bishop Simon often recognized his dedication as a pastor and prayed for him, gently encouraging him to consider marriage and start a family.

In a joyful turn of events, Mwaura's dreams came true when he married his beloved Naomi on November 2nd. The ceremony was a heartfelt celebration presided over by Bishop Simon and was filled with love and support from the GGFAN ministry.
