Founders' Message

Dear Simon,

Every time I reflect on this, I am reminded of God's faithfulness, which you have exemplified through your support. Thank you for being part of this important work.

Your love and generosity have shown God's love to those unreached, especially the children at the Home of the Good Shepherd, where they are nurtured and allowed to grow.

At Little Lambs Academy, we're focusing on each child's talents and interests, shaping the next generation through our intentional approach to education. Our pastors' school offers affordable, transformative education, easing the financial burden for many pastors.

In agriculture, your support is helping to feed children, empower families, and modernize our 5-acre farm, increasing food production and providing training for local farmers. Young women and girls in unreached areas are also being empowered, particularly through menstrual support.

Thank you for being the hands and feet of Jesus in Kenya. We love and value you. You are truly transforming lives.

Bishop Simon Mwaura and Rev. Lucy Thuo.*

Francis Muriithi

HOME OF THE GOOD SHEPHERD

Because You Believed: A Dream in the Making!

My name is Francis Muriithi. I was born on August 3, 2001, in Nyandarua County, Kenya, into a family of three. Life from the beginning was marked by hardship, but it also planted seeds of strength.

In 2009, when I was only eight years old, my beloved mother passed away. My sister and I were thrust into a world of sorrow, facing an uncertain future without her love and care. It felt like everything familiar had suddenly vanished.

AGRICULTURE

A Transformative Journey

Powered by Generosity!

In the quiet village of Limunga in Nyahururu, Kenya, Pastor Samuel Muthee and his wife, Nancy, have faithfully pastored their community for years. Though filled with purpose and guided by faith, their journey was steeped in struggle: uncertain meals, limited resources, delayed education, and a home that barely withstood the seasons.

Three years ago, everything changed. A generous gift of Kshs 50,000 (\$391) arrived as a seed of possibility. What it grew into was nothing short of transformational!

MISSION TO THE UNREACHED

A Transformative SCNV Training Manual!

The Samburu County Nkalup Vision (SCNV) training has become the lifeline for indigenous church leaders who serve without diplomas, degrees, or pulpits.

Their sanctuaries in church buildings and under trees, their

congregations shaped by dust and devotion. Currently, the SCNV leadership is conducting the training in the six Samburu Divisions: Lorroki, Kirisia, Ng'iro, Baragoi, Wamba, and Waso.

Recently, the training was held in Suguta town, Lorroki Division in Samburu Central. This training was designed to reach indigenous leaders—primarily church planters and preaching point leaders. Among these leaders stands Pastor Paul Lekada.
