

## APRIL 2025 NEWSLETTER

### MESSAGE FROM OUR FOUNDERS

Dear Simon,

Greetings in the name of our Lord Jesus Christ!

On behalf of the entire God's Grace For All Nations ministry, I thank you for your generosity, a great blessing—it's a lifeline that fuels the amazing work of the Kingdom in so many ways.

Because of your strong support, we are starting new preaching points, building

churches, and sharing the Good News with those who are looking for hope. Vulnerable children at the Home of the Good Shepherd are not only being rescued; they are also thriving in a loving and stable environment where they learn about Christ. Pastors are getting important training and support at the GGFAN Pastors' School. Meanwhile, young learners at Little Lambs Academy are being nurtured and educated, discovering their talents to honor God.

It is truly humbling to witness what God is doing through your partnership. You are touching lives in ways that echo into eternity.

I also wish to let you know that I will be traveling to the United States from April 23 to May 9. I will visit Charlotte in North Carolina, Houston in Texas, Charleston in South Carolina, and Atlanta in Georgia. I look forward to connecting with some of you during that time and sharing more about the incredible work that your support is making possible.

May the Lord richly bless you for all you do in His name.

## MERCY MINISTRY

### Empowering Futures

My name is Teresia Wambui, a graduate from the Home of the Good Shepherd (HOTGS), from Nyahururu, Laikipia County. My life's journey is a testament to resilience and the transformative power of your prayers and support. I would like to share my story to inspire you and invite you to be part of a mission that is changing lives, just as it has

changed mine.

## EDUCATION

### Pastors' School: Pastor David's

## Story

David Muturi was known in his village, but not for being wise or kind. Instead, he was notorious for his drinking. For thirty years, he enjoyed life, particularly through alcohol, while neglecting his family. Each evening, he spent time at the local tavern, laughing loudly and stumbling home. During this period, his firstborn daughter was diagnosed with cancer.

## Little Lambs Academy: The Basketball Court

At Little Lambs Academy, we are intentional about nurturing the unique talents God has placed in every child. One of our newest talent-nurturing facilities is the newly constructed basketball pitch, a rare gem in a typical Kenyan

primary school. Though it was primarily built for basketball, it also supports other ball games, making it a multifunctional space for learning, bonding, and fun. In most schools, basketball remains largely unexplored due to the lack of facilities.

## MISSIONS TO THE UNREACHED

### Let's Transform Kandia Village!

The villagers of Kandia reached out to our missionary among the Pokot tribe, Micah Nyakundi, asking him to visit them. It began

with a few ladies who held a baby shower-like ceremony called "chai ya mtoto" in Swahili. During their visits with one another, they realized they didn't have a church or a pastor.

## AGRICULTURE

### A Story of Change

The establishment of the Good Hope Self-Help Group has revolutionized the lives of its members, proving that collaboration and shared vision can unlock new possibilities. At the heart of this transformation is Pastor Stephen Mucunu, a visionary farmer who always believed there was more

to agriculture than mere subsistence. Pastor Stephen oversees the God's Grace For All Nations (GGFAN) Jilet Church in the Kipipiri Region. Initially, he farmed on a small scale to feed his family, earning only a modest income from selling surplus produce. However, he knew that with the right support and structure, farming could become a sustainable source of prosperity.
