

Stephen Auciello

California Baptist University

CFI; CFII
A&P Mechanic

Stephen graduated from Moody Bible Institute with a Bachelor's degree in Missionary Aviation Technology, and shortly thereafter moved to Southern California for an internship with Mission Aviation Fellowship (MAF).

He then relocated to the Long Beach area where he began flight instructing and performing aircraft maintenance before moving back to the Inland Empire.

Although his long-term goal is to serve in the foreign mission field, Stephen is currently flight instructing for CBU with a focus on developing students to their full potential - technically, personally and spiritually.
