

# Jesse Sipan

## California Baptist University

Jesse Sipan serves at California Baptist University in Riverside, California, on loan from Mission Aviation Fellowship. A 2008 graduate of Embry Riddle Aeronautical University in Prescott, Arizona, Jesse and his wife, Kelly, joined Mission Aviation Fellowship (MAF) in 2013. MAF works in 14 countries worldwide, sharing the love of Jesus Christ through aviation and technology so that isolated people may be physically and spiritually transformed.

Jesse and his family plan to move to Central Asia to serve as a pilot/mechanic family, but they've placed those plans on hold while pursuing medical treatment for their daughter.

Jesse currently works as a flight instructor, aviation department chaplain, and "MAF pilot in residence" at California Baptist University (CBU) in Riverside, California (east of Los Angeles). CBU has been in Riverside for over 50 years and continues to experience tremendous growth. The aviation program launched in 2013 and currently has 30 flight students, with another 30 expected in this fall's incoming class. The program provides training in aviation science, aviation management, and dispatch.

Jesse and his family praise God for the opportunity to partner with two wonderful organizations, Mission Aviation Fellowship and California Baptist University. It is a joy to serve the Lord both here in the United States and around the world through aviation.
