EXPERIENCE – We served in Bolivia, S.A. with WGM Wings of Peace 1994-1995. We served with Christian Services International (CSI) in Haiti in 2010 following the earthquake. We served with CSI for a total of 16 months. We served with WGM Choluteca, Honduras teaching English classes, worked alongside work teams, accompanied local church to local prison and headed up a “seed” project to provide personal hygiene products for the 30 female inmates. We enlisted the help of two other local churches.

TESTIMONY – We have experienced God’s faithfulness in our 39 years of marriage. We have witnessed God’s healing from cancer in Sharon and our oldest daughter, Heather. We look forward to all that God has for us as we continue to serve Him as part of the ministry team at MMS Aviation.
