

## Jeremy and Jodie Toews

### Spokane Turbine Center

Jeremy and Jodie Toews serve with Proclaim Aviation Ministries at Spokane Turbine Center in Spokane, WA, meeting turbine training needs of missionary pilots and mechanics worldwide. Jeremy grew up on the Hopi Indian Reservation in northeast Arizona, where his family still serves as missionaries. He graduated from the Missionary Aviation Technologies program at Moody Bible Institute-Spokane in the Spring '09 and went on to earn CFI and CFII certificates. He now serves as associate instructor and chief of maintenance at Spokane Turbine Center, his primary focus being the Garmin G1000 integrated flight deck course.

Jodie grew up in Tualatin, OR, graduating from Western Oregon University with a degree in American Sign Language/English Interpreting and a minor in Special Education and Rehabilitation Counseling. She served as the sign language interpreter at her church and in the Salem-Keizer public school district until she and Jeremy were married in April '11, when she moved to Spokane. She is excited to see how the Lord will have her use these skills in the Spokane area.
