

Ben and Amber McCammon reside in Spokane, Washington. Ben, a recent Moody graduate from the maintenance specialist program, works at Moody as a seconded Aviation Maintenance Technician from Proclaim Aviation. Amber graduated from Moody's flight program in June and has also joined Proclaim Aviation as a Certified Flight Instructor (CFI). She is currently enrolled in the rigorous instructor training program at Moody, and after her completion of that course she plans to teach at Moody for two years.

Ben was born in Boise, Idaho and grew up in Cascade, Idaho. A sprawling mountain metropolis of nearly 1,000 people, Cascade is renowned for its excellent camping, hiking, hunting, boating, and skiing. Ben surrendered his life to Christ at the age of six, having received the gospel message from his parents and pastor. When Ben turned sixteen, he attended a summer camp hosted by Mission Aviation Fellowship. It was at this time that he felt led to pursue missionary aviation. He applied to Moody Aviation when he turned 18 and was accepted. Graduating as a maintenance specialist in August of 2020, he joined Proclaim Aviation and now works in the Production Maintenance shop at Moody Aviation.

Amber was born and raised in the South, and although her family moved around, most of her childhood was spent in Peachtree City, GA. Amber grew up being taught the gospel by her family and church, both of which love the Lord deeply. Telling her mom that "she didn't want to feel gross on the inside anymore", Amber gave her life to Christ at age eleven. Her dad being a flight instructor for Delta, Amber fell in love with aviation in her teens, and began searching for a way to use her passion to serve the Lord. This led her to Moody Aviation. She attended Moody as a flight major and graduated in June 2021 with her private pilot, commercial, and instrument ratings.

Once when their commitment to Proclaim/Moody ends they hope to serve the Lord overseas. Although which mission they will serve with is still to be determined, they are truly excited for the next step in their journey!

We hope and pray that God would be glorified in whatever path he has for us, that He would be lifted-up in all that we say and do.
