

Riley Stevens

SMAT (School of Missionary Aviation Technology)

I was born and raised in Allendale, Michigan 22 years ago. I have a big family that keeps on growing – 6 sisters and 4 brothers. My parents are in the process of adopting a 5 sibling group from Ecuador.

I am currently studying at SMAT in Ionia, Michigan and will graduate in August of 2019. I know that God is calling me to follow where He leads and I have faith in Him to bring me there – wherever “there” may be.

I love Jesus with everything I am. I am forever grateful for what He has done for me. Whenever given the chance, I share about what God has done in my life.
