Day 1 Welcome to Your Journey to Puerto Rico!

As your plane descends toward the Luis Muñoz Marín International Airport, you catch glimpses of Puerto Rico's diverse landscapes— the deep blues of the Atlantic Ocean, and the golden sands of its many beaches. The anticipation builds as you realize that you're about to experience an island where old-world charm meets vibrant modern culture. Upon landing, the warm Caribbean breeze greets you, carrying hints of sea salt and tropical blooms.

Day 2 Inside the Walls of Old San Juan

After breakfast, we will start the journey with an expert in Puerto Rican patrimony and art history who will lead a walking tour through the narrow streets of Old San Juan to experience five centuries of Spanish Caribbean history and colonial architecture. Called "La Ciudad Amurallada," (The Walled City), Old San Juan was founded in 1521. San Juan is one of the biggest and best natural harbors in the Caribbean and is the second oldest city in the Americas. After lunch we will visit the Governor's Mansion, "La Fortaleza de Santa Catalina".

Day 3 Art and Culture in Puerto Rico

After breakfast we will visit the Art Museum of Puerto Rico. Inaugurated in July 2000, the museum is a modern neoclassical building built in a 1920. At the Museo de Arte de Puerto Rico (MAPR) you'll find extensive collections of Puerto Rican art, from historical to contemporary, set in a beautiful building with lush gardens. After lunch we will visit Las Americas Museum. Museo de Las Américas, founded in 1992 by anthropologist and historian Ricardo Alegría Gallardo, focuses on the history, anthropology, and art of the Americas, emphasizing on the preservation and promotion of Puerto Rico's cultural and historical legacy.

Day 4 The Majestic City of Ponce

After breakfast we will begin our transfer to Ponce, birthplace of our Journey Leader, over the Central Mountains into the Valley of Cayey, then south to Ponce. Our visit to the City of Ponce will expand our understanding of Puerto Rican history and culture, when we explore its unique architectural venues and culture at Plaza of Delights and its surroundings. The architectural splendor and detailed neoclassic and art deco style of the city makes Ponce an essential part in our journey. The city's buildings such as the City Hall, Cathedral and Fire House demonstrate more than 300 years of an elegant tradition. Lunch, will be followed by a visit to the Serrallés Castle, former estate of the wealthy Serrallés family, which were sugar industry barons and the owners of Don Q rum.

Day 5 Beyond the Walls of Old San Juan

Our day will start with a visit to the Capitol Building of Puerto Rico. On our way to the Capitol we will explore the evolution of new San Juan after the walls of the city came down in late 19th century. Neoclassical, Spanish Revival and Beaux Arts architecture flourished outside the old city. For Puerto Ricans, El Capitolio de Puerto Rico stands as a powerful symbol of self-government. After lunch we will visit El Morro Castle.

Day 6 Hasta Luego Puerto Rico!

After breakfast, transfer to the airport for your return flight home. 2
