

## KESER TORAH - MAYAN HATALMUD

### ADMISSIONS PROCEDURES AND REQUIREMENTS

In order to initiate the application process, we encourage qualified students to contact the Yeshiva at:

Keser Torah-Mayan Hatalmud  
218 Joe Parker Rd.  
Lakewood, NJ 08701  
Phone: 732-901-2053  
Email: [office@mayanhatalmud.org](mailto:office@mayanhatalmud.org)

Applicants to Keser Torah-Mayan Hatalmud will be screened by contacting their previous Rebbeim, Menahelim, and other contacts who may be familiar with the applicants. The students must meet our academic standards (have sufficient hebrew language skills and have some background in gemara) as well as our standards relating to Yiras Shomayim and Mentshlichkeit.

Once this is satisfied, the applicant may be invited to Keser Torah-Mayan Hatalmud for an interview and farher with one of the Roshei Yeshiva. This interview covers the many points that the applicant will need to know in order to succeed in the Yeshiva. In the course of the farher, many different skills are assessed.

Upon acceptance, students will be required to complete an admission form.

On the basis of our admission requirements, the student admitted to the Yeshiva is deemed to be prepared to undertake the undergraduate degree program offered by Keser Torah-Mayan Hatalmud. Generally, applicants to the Yeshiva are expected to fulfill the following requirements:

1. Have graduated high school and provide evidence of high school graduation.
2. Have completed homeschooling at the secondary level as defined by state law and provide documentation of homeschooling.
3. Meet one of the recognized equivalents. Recognized equivalents include:
  - a. A GED certificate.
  - b. A certificate or other official completion documentation demonstrating that the student has passed a state-authorized examination (such as the Test Assessing Secondary Completion (TASC) the High School Equivalency Test (HiSET), or, in California, the California High School Proficiency Exam) that

the state recognizes as the equivalent of a high school diploma (certificates of attendance and/or completion are not included in this qualifying category).

- c. An associate's degree.
- d. The successful completion of at least 60 semester or trimester credit hours or 72 quarter credit hours that does not result in the awarding of an associate's degree, but that is acceptable for full credit toward a bachelor's degree at any institution.
- e. Enrollment in a bachelor's degree program where at least 60 semester or trimester credit hours or 72 quarter credit hours have been successfully completed, including credit hours transferred into the bachelor's degree program.

The institution will maintain documentation of the high school diploma or its recognized equivalent.
