

LOGIROSCOPE PRIVACY POLICY

New York Shows Off created the LOGIROSCOPE App as a Free App to offer the general public two (2) Free Quotes per day with the option to subscribe to have unlimited quotes (within the six-hundred-and-forty quotes offered) or to watch reward ads to see other quotes during the same day beside the two offered.

This page is used to inform visitors on our policies regarding the collection, use, and disclosure of Personal Information if anyone decided to use Logiroscope.

If you choose to use Logiroscope, you agree to the use of Personal Information that we collect only to improve our App; we will not use or share your information with anyone except as described in this Privacy Policy.

Logiroscope survives by using Google AdMob; Google may collect your data to offer you personalized ads.

Payments are handled by Google or Apple depending on your device. Logiroscope does not have access to your credit card information, purchase history or any other personal data.

Logiroscope does not use “cookies” explicitly. However, Google AdMob may use “cookies” to collect information and improve their services.

If you click on a third-party link, like an Ad, you will be directed to that site. Note that these external sites are not operated by Logiroscope or New York Shows Off. Therefore, we strongly advise you to review the Privacy Policy of these websites. We assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
