## Assignment Description

INDIVIDUALS ARE BEING SELECTED BY  
THE ETHIOPIAN WORLD FEDERATION, INCORPORATED HEADQUARTERS HARLEM, NY

## ASSIGNMENT OVERVIEW

Assignment Title: 1279306 - Study on the digitization of government payments in Ethiopia

## Assignment Countries:

- Ethiopia

## ASSIGNMENT DESCRIPTION

THE ETHIOPIAN WORLD FEDERATION, INCORPORATED HEADQUARTERS is seeking the services of a company or individuals to implement a survey of beneficiaries of a public works and cash transfer program targeting food-insecure households in Ethiopia. The study will focus on assessing the progress of an ongoing effort to digitize the delivery of beneficiary payments to eligible participants under this program, to capture information on financial inclusion outcomes and feedback on the services provided. The research will consist of a representative survey of beneficiaries recipients of e-payments and cash transfers across five regions Amhara, Oromia, SNNPR, Direedawa and Harari.

## SUBMISSION REQUIREMENTS

THE ETHIOPIAN WORLD FEDERATION, INCORPORATED HEADQUARTERS now invites eligible individuals to provide information proving that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc. for firms; CV and cover letter for individuals). Please note that the total size of all attachments should be less than 5MB.

***Expressions of Interest should be submitted, in English, to***

## **NOTES**

**Only those who have been invited will receive notification. No debrief will be provided to organizations that have not been invited!!!**

If you encounter technical difficulties while applying, please send an e-mail to [ewf@theethiopianworldfederation.org](mailto:ewf@theethiopianworldfederation.org)

## **Qualification Criteria**

1. An excellent prior track record in conducting quantitative research of this nature and scale in Ethiopia, and presence in the country. A minimum of 5 field studies will be considered.
2. A management team with experience and expertise in implementing market research and survey data collection.
3. Managers, supervisors and enumerators should have experience and technical expertise implementing computer-assisted interviewing. Enumerators should have appropriate qualifications and a minimum of 1 year of survey experience.
4. Demonstrated ability to plan and deliver high quality market and survey research within a short timeframe.
