SECTION 1. MEMBERSHIP. Every person or entity who or which is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including Declarant and any affiliated entity, shall be a voting Member of the Association. The foregoing is not intended to include persons or entities who hold an interest in a Lot merely as security for the performance of an obligation. Such Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. On all matters which the Membership shall be entitled to vote, the Member(s) owning each lot shall be entitled to one (1) vote. ARTICLE IV

COVENANT FOR MAINTENANCE AND ASSESSMENTS

SECTION 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. The Declarant, for each Lot owner within the Properties, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay: (a) to the Association: (i) annual and other assessments and charges provided for herein, together with interest and late fees, costs and reasonable attorney's fees; (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided (iii) like assessments that are due the Master Association, if any; and (b) to the appropriate governmental taxing authority: (i) a prorata share of ad valorem taxes levied against the Common Area; and (ii) a pro rata share of assessments for public improvements to or for the benefit of the Common Area if the Association shall default in the payment of either or both for a period of six (6) months. All assessments and charges provided for herein, together with interest, any late fees, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made when a claim of lien is filed of record in the Office of the Clerk of Superior Court of the county in which the land lays. Each such assessment, together with interest, any late fees, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner, including his heirs, executor, devisees and/or personal representative, of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title when title is conveyed by deed unless expressly assumed by them provided a lien therefore has not been filed.

SECTION 2. PURPOSE OF ASSESSMENTS.

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to the purpose and related to the use and enjoyment of the Common Area or the Lots, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of any taxes assessed against the Common Area; the maintenance of open spaces, private streets, water distribution and sewer outfall located in the common area and streets which have not been accepted for dedication by a public authority, roadway medians and islands (including medians and islands located in dedicated right of ways within the Properties), drives and parking areas within the Common Area excluding those areas constituting limited common area associated with a Lot(s) which will be handled by the Lot Owner(s); the procurement and maintenance of liability insurance; payment for the maintenance of biofiltration areas, retention or detention ponds, or other bodies of water located within the Common Area or on land of another used by this association by agreement, deed or declaration, if any; the maintenance of entranceways, landscaping and lighting of Common Area, road medians and islands and entranceways; the cost of operating, maintaining and repairing any street lights erected by the Association or the Declarant, which are not maintained by a governmental authority, in the rights-of-way of streets (whether public or private) or in any other easement provided therefore within the Properties; the payment of charges for garbage collection and municipal water and sewer services furnished to the

Common Area; the exterior maintenance of the Lots and the dwellings located thereon as herein provided; maintenance and replacement of common fencing or retaining walls; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, repair and replacement of private water supply lines and private sewer outfall lines excluding the connection lines running from a dwelling to these mains; and any other major expense for which the Association is responsible; obtaining and maintaining such liability and casualty insurance the Association deems necessary or desirable and such other needs as may arise and expense deemed common by the Members.

(b) The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area and those other portions of the Properties which the Association may be obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.

(c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation, the By-Laws of the Association and agreements of record. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the members of the Association, no Member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his Membership interest therein, except as an appurtenance to his Lot. When any Owner shall cease to be a Member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Properties.

SECTION 3. ADOPTION OF BUDGET AND FIXING OF ANNUAL ASSESSMENTS; MAXIMUM ANNUAL ASSESSMENT.

(a) At least thirty (30) days in advance of each annual assessment period, the Board shall establish an annual budget and fix the amount of the annual assessments in advance for the following year. Within thirty (30) days of the adoption of any proposed budget, the Board shall provide to all of the Owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The Board shall set a date for a meeting of the Owners to consider ratification of the budget, such meeting to be held not less than 15 nor more than 60 days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at the meeting the Owners of a majority of the Lots present reject the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the Board.

(b) Until December 31 of the year of the conveyance of the first Lot improved with a dwelling to an Owner, the maximum annual assessment shall be Eight Hundred Forty and No/100 Dollars (\$840.00) per lot, and may be collected in monthly installments of Seventy and 00/100s Dollars (\$70.00) per Lot.

The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter shall be established by the Board and approved by the majority of the members present at a meeting where a quorum is present (excluding the annual meeting handling of the budget as set forth in (a) above), provided the meeting notice stated the budget and/or assessment increase would be an item on the agenda. The annual meeting shall not require a specific reference to budget approval and resulting assessment as it shall be deemed to most likely be on the agenda for such annual meeting.

SECTION 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of the Members entitled to cast at least eighty percent (80%) of the votes of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose; provided, however, during the Period of Declarant's Control, Declarant must also consent to such action. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or annual basis.

SECTION 5. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 AND 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast twenty percent (20%) of all the votes of the Association shall constitute the quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the proceeding meeting. No such subsequent meeting shall be held more than sixty (60) days following the proceeding meeting.

SECTION 6. RATE OF ANNUAL ASSESSMENT. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or annual basis; provided, however, that so long as the dwelling on any Lot owned by Declarant or any affiliated entity, is unoccupied as a residence, the amount of the assessment for each such Lot shall be an amount equal to twenty-five percent (25%) of the regular assessments fixed for each Lot improved with a dwelling by the Declarant. Until the initial improvement of the lot with a dwelling no assessment shall be due.

SECTION 7. DATE AND COMMENCEMENT OF ANNUAL ASSESSMENTS; DUE DATES. The annual assessments provided for herein shall commence as to each Lot on the first day of the month following the date of substantial completion of the dwelling unit constructed thereon, as evidenced by the issuance of a certificate of occupancy (or equivalent) for that dwelling unit. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The due dates shall be established by the Executive Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

SECTION 8. DUE DATE OF ASSESSMENTS. The assessments authorized above shall be due in advance unless the due date is otherwise stated or approved by the Board or Association.

SECTION 9. EFFECT OF NONPAYMENT OF ASSESSMENTS; REMEDIES OF THE ASSOCIATION. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at a rate from time to time established by the Association not to exceed eighteen percent (18%) per annum. In addition, the Association may charge a reasonable late fee, the amount of which shall be established from time to time by the Executive Board of the Association, for assessments not paid within thirty (30) days after the due date. After notice and an opportunity to be heard, the Association may suspend privileges or services provided by the Association (except the rights of access to Lots) during any period that assessments or other amounts due and owing to the Association remain unpaid for a period of thirty (30) days or longer, which suspension may continue without further hearing until the delinquency is cured. The Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the lien created herein against the property and in accordance with N.C.G.S. 47F-3-116, and all late fees, costs and reasonable attorney's fees for representation of the association in such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or abandonment of his Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein.

SECTION 10. EFFECT OF DEFAULT IN PAYMENT OF AD VALOREM TAXES OR ASSESSMENTS FOR PUBLIC IMPROVEMENTS OR GOVERNMENTAL REQUIRED DEVICES BY ASSOCIATION. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Area or assessments for public improvements to the Common Area, failure to maintain biofiltration areas, detention or retention ponds or other governmental required devices located on the common, if any, which default shall continue for a period of six (6) months, each Owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments or repair in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development using or being authorized to use the area or device. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the Lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

SECTION 11. SUBORDINATION OF THE LIEN FOR ASSESSMENTS TO THE LIEN OF FIRST MORTGAGEES. When the holder of a first mortgage or first deed of trust of record, or other purchaser of a lot obtains title to the lot as a result of foreclosure of a first mortgage or first deed of trust or deed in lieu of foreclosure, such purchaser and its heirs, successors, and assigns, shall not be liable for the assessments against such Lot which become due prior to the acquisition of title to such Lot by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all Owners including such purchaser, its heirs, successors, and assigns. Such sale or transfer of any Lot which is subject to any such first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which became due prior to such sale or transfer; provided, however, no such sale or transfer shall relieve such

Lot or the Owner thereof from liability for any unpaid assessment commencing prorata with the date title is taken and assessments thereafter becoming due or from the lien thereof.

SECTION 12. EXEMPT PROPERTY. All property dedicated to, and accepted by, a public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE V

ARCHITECTURAL CONTROL

SECTION 1. IMPROVEMENTS. No improvements, additions, alteration, repair, reconstruction, change in paint color, excavation, change in grade, planting, landscaping, exterior decoration (including, without limitation, yard ornaments, figurines, statues, bird baths, houses and feeders, flags and similar items) or other work which in any way alters the exterior of any Lot or the improvements located thereon from their natural or improved state existing on the date such Lot was first conveyed in fee by the Declarant to an Owner other than Declarant shall be commenced, erected or maintained upon any Lot and no building, fence, wall, residence or other structure shall be placed, commenced, erected, maintained, improved, altered, reconstructed or removed, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Executive Board of the Association or by an architectural committee composed of three (3) or more representatives appointed by the Board (the "Architectural Control Committee"). Temporary seasonal exterior decorations shall not require the prior approval of the Board or the Architectural Control Committee, but if any such decorations are determined, in the sole discretion of the Executive Board or the Architectural Control Committee, to be distasteful or otherwise disruptive of the aesthetics or visual harmony of the community, the Board or the Architectural Control Committee may require that such decorations promptly and permanently be removed. In the event that an Owner neglects or fails to remove any such decorations at the request of the Board or the Architectural Control Committee, the Association may provide such removal. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Lot at all reasonable times for such purpose and the cost of such removal shall be added to and become a part of the assessment to which such Lot is subject. Notwithstanding the foregoing, nothing herein contained shall prevent or interfere with the right of Declarant to improve and develop the Properties, including the Lots, as Declarant chooses, so long as said development follows the general plan of development of the Properties approved by the appropriate governmental authority(ies) having jurisdiction or as the same may be amended. Accordingly, Declarant need not seek or obtain the approval of the Architectural Control Committee for improvements erected on the Properties by or at the direction of Declarant. Declarant shall have the right to appoint the members of the Architectural Control Committee until all the lots it owns in the Properties have been built upon. In addition, for so long as Declarant or any affiliated entity owns any Lot or has the right to annex any Additional Property pursuant to this Declaration, Declarant or its affiliate may approve any plans and specifications rejected by the Executive Board or the Architectural Control Committee for the construction or alteration of improvements on any Lot provided the construction or alteration approved by Declarant or its affiliate comply with the general scheme of development approved by the appropriate governmental authority(ies) having jurisdiction as the same

may be amended from time to time. Such approval by Declarant or its affiliate shall operate and have the same effect as approval by the Board or the Architectural Control Committee.

SECTION 2. PROCEDURES.

(a) Any person desiring to make any improvement, addition, alteration, restoration or change described in Section 1 above shall submit two copies of the plans and specifications therefore, showing the nature, kind, shape, height, materials and location of the same, to the Board of the Association or the Architectural Control Committee which shall evaluate such plans and specifications in light of the purposes of this Article. The Committee may amend, add to, delete or otherwise amend or alter the plan as submitted and may place conditions upon the Owner and his successors in title concerning the changes and/or additions.

(b) Upon approval by the Architectural Control Committee of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specification, as approved, shall be deposited for permanent record with the Architectural Control Committee and a copy of such plans and specification bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot of any plans and specification shall not be deemed a waiver of the Architectural Control Committee's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included herein if such plans, specifications, features or elements subsequently submitted for use in connection with any other Lot. Approval of any such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specification, as approved, and any conditions attached to any such approval. As a condition to the granting of approval of any request made under this Article, the Association may require that the Owner(s) requesting such change be liable for any cost of maintaining, repairing and insuring such alteration shall be a part of the annual assessment or charge set forth herein, and subject to the lien rights described herein. If the Architectural Control Committee does not respond within 30 days of the delivery of the request (a written receipt to be obtained from the committee member or a return receipt if forwarded by certified or registered mail) then such request shall be deemed approved, provided if additional information is requested by the Committee then such time shall be extended to 30 days following the receipt of the additional information requested by the Committee.

(c) Neither Declarant, nor any other member of the Association's Board or Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specification approved by them, nor for any structural defects in any work done according to such plans and specifications. Further, neither Declarant, nor any member of the Association's Board or Architectural Control Committee, shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specification or the exercise of any other power or right provided for in this Declaration. Every person who submits plans or specifications for approval agrees, by submission of such plans and specifications, and every owner of any Lot agrees, that he or she will not bring any action or suit against Declarant, or any member of the Association's Board or Architectural Control Committee, to recover any such damage.

ARTICLE VI

EXTERIOR MAINTENANCE

SECTION 1. EXTERIOR MAINTENANCE TO BE PERFORMED BY THE ASSOCIATION.

The Association shall repair, maintain and replace the improvements upon the Common Area and shall maintain the grounds of each Lot which is subject to assessments hereunder (except for any enclosed privacy area, which area shall be maintained by the Owner(s) of the Lot on which the residence is located and the landscaping, driveway and sidewalk located upon the Limited Common or Common Area which services the residence on a Lot, as set forth in Section 2 below), as follows: mow, seed and fertilize all grassed areas, mulch, remove dead or diseased trees or shrubs if such trees or shrubs existed at the time Declarant initially conveyed the Common Area or the Lot on which the tree or shrub is located, replace dead or diseased trees or shrubs planted by the Declarant or the Association and prune all trees or shrubs planted by the Declarant or the Association. In addition, the Association shall repair and replace the roofing materials, gutters of the dwellings, and water mains and sewer collector lines from the public maintained lines to the lines running from the dwellings to the collector or distribution main, if any such lines are installed. Routine watering of grass and landscape items on or adjacent to a lot shall be the obligation of the Owner(s). The Association shall replace the vinyl siding on each dwelling, however such obligation shall not include maintenance of same which will be the obligation of the owner(s). Such exterior repair, maintenance and replacement shall not include that to be performed by the Owners as provided in Section 2 below. In the event that the need for any maintenance, repair or replacement required hereunder to be performed by the Association is caused through the willful or negligent act of the Owner, his family, guests or invitees, or is caused by fire, lightning, windstorm, hail, explosion, riot, riot attending strike, civil commotion, aircraft, vehicles or smoke, as the foregoing are defined and explained in the North Carolina Standard Fire and Extended Coverage insurance policies, the cost of such maintenance, replacement or repairs shall be added to and become a part of the assessment to which such Lot is subject. An Owner shall advise the Association in writing of any repairs and replacements needed that are the obligation of the Association. The Association shall perform the same within a reasonable time but shall not be liable or responsible for any resulting damage to the dwelling or the contents thereof if it performs within a reasonable time and manner under the circumstances.

SECTION 2. EXTERIOR MAINTENANCE TO BE PERFORMED BY THE OWNERS. Each

Owner shall be liable and responsible for the maintenance, repair and replacement, as the case may be, of all interior and exterior improvements located upon his lot, including that area which is limited common area, with the exception of those the Association is to perform set forth in Section 1, above. Owner shall do all necessary maintenance repair and replacement located within the enclosure of a privacy fence or wall; shall maintain the vinyl siding on the dwelling with the Association being responsible for the repair and replacement of the siding; routine watering of landscaping on the Lot and common area adjacent thereto associated with the Lot as limited common area; and all other exterior maintenance, repair and replacement not specifically set forth for the Association to perform. In the event that the Owner neglects or fails to maintain his or her Lot and/or the exterior of his or her dwelling in a manner consistent with other Lots and dwellings within the Properties, the Association may provide such exterior maintenance and all cost incurred by the Association in providing such exterior maintenance shall be immediately due and be added to the annual assessment for such Lot and subject to the lien rights

described in Article IV; provided, however, that the Association shall first give written notice to the Owner of the specific items of exterior maintenance or repair the Association intends to perform on behalf of the Owner and the Owner shall have twenty (20) days from the date of mailing of said notice within which to perform such exterior maintenance himself or herself or a longer period of time if such item cannot be done within twenty days, provided the performance thereof is being diligently pursued. The determination as to whether and Owner has neglected or failed to maintain his or her Lot and/or dwelling in a manner consistent with other Lots and dwellings within the Properties shall be made by the Board of the Association, in its sole discretion after giving the owner an opportunity for hearing.

SECTION 3. EASEMENT TO PERFORM EXTERIOR MAINTENANCE. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Lot at all reasonable times to perform maintenance and replacement as provided in this Article.

ARTICLE VII

No Lot shall be used except for single-family residential purposes; provided, however, Declarant, or any affiliated entity may use any Lot owned or leased by Declarant or any affiliated entity as a temporary sales office and/or model for the purpose of carrying on business related to the development, improvement and sale of the Properties or the Additional Properties.

SECTION 2. DWELLING SPECIFICATIONS. SECTION 7. SUBDIVISION OF LOTS. No Lot shall be subdivided into a lot smaller than or different from the Lot shown on the recorded plat and no street shall be laid out across or through any Lot, except with the written consent of Declarant and Declarant reserves the right to subdivide lots, replat the same and use any lot or part thereof for street or access purposes for any lot(s) owned by Declarant or lots or land adjacent that is not a part of the townhome development, until full development and sale of all the lots improved structures.

ARTICLE VIII

EASEMENTS

SECTION 1. UTILITIES. Easements for installation and maintenance of utilities (including cable television and data service) and drainage facilities are reserved as indicated on recorded plats and as have been granted by the Declarant some of which may be exclusive for a period of time and cover wiring and outlets installed within the walls of the dwelling. The lot is conveyed subject to such easements. Within these easements no structures, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the drainage easements, or which may obstruct or retard the flow of water through drainage channels in the easements. An easement is hereby established for the benefit or the appropriate governmental entity (and any other person or firm providing services to the Properties under agreement with or at the direction of the Association) over all Common Area as may be reasonably necessary for the setting, removal and reading of water meters, and the maintenance and replacement of water, sewer, gas, cable and drainage facilities and for the fighting of fires and collection of garbage. The Association shall have the power and authority to grant and establish upon, over and across the Common Area such additional easements as are necessary or desirable for the providing of service or utilities to the Common Area or Lots which are not in conflict with those previously granted. The Declarant has reserved the right to grant easements over the common in the furtherance of the development of townhomes and other uses for land adjacent or a part of the Properties even though all of such land may not be subjected to this declaration.

SECTION 2. SIGNS. The Association shall maintain all subdivision signs and landscaping and lighting surrounding same now or hereafter erected within the Common Area. The costs of all such maintenance, repair and replacement of such signs, landscaping and lighting shall be part of the common expenses of the Association, payable by the Owners as set out in Article IV hereof. Further, for so long as Declarant or any affiliated entity owns any townhome lot shown on the Plan, Declarant and any affiliated entity shall have (i) the right to erect within the Common Area additional subdivision signs and landscaping and lighting surrounding the same to be maintained by the Association as herein provided and (ii) the right to erect within the Common Area signs advertising the sale and promotion of Lots or any portion of the Additional Property.

SECTION 3. EASEMENT RESERVED BY DECLARANT. Declarant hereby reserves such easements on, across and over the Common Area as shall be reasonably necessary for (i) the exercise by Declarant or any affiliated entity of any right herein reserved, including, without limitation, Declarant's right, should Declarant elect, to annex Additional Property, as hereinafter defined and (ii) the development by Declarant or any affiliate, their respective successors and assigns, of Additional Property, should Declarant elect not to annex the Additional Property, including without limitation easements for ingress, egress and regress over private roads and streets now or hereafter erected on the Properties and easements for the use of all utility lines, fixtures and/or their connections located within the Common Area for the purpose of providing water, light, power, telephone, sewage and sanitary service to the Additional Properties.

SECTION 4. ENCROACHMENTS. In the event that any improvements on a Lot shall encroach upon any Common Area or upon any other Lot as a result of the initial improvements constructed by Declarant or for any reason not caused by the purposeful or negligent act of the Owner or agents of such Owner, then an easement appurtenant to such Lot shall exist for the continuance of such encroachment upon the Common Area or other Lot for so long as such encroachment shall naturally exist; and, in the event that any portion of the Common Area shall encroach upon any Lot, then an easement shall exist for the continuance of such encroachment of the Common Area into any such Lot for so long as such

encroachment shall naturally exist and the obligation to maintain and repair the encroaching elements shall be that of the Owner and Association respectively.

ARTICLE IX

RIGHTS RESERVED UNTO INSTITUTIONAL LENDERS

SECTION 1. ENTITIES CONSTITUTING INSTITUTIONAL LENDERS. "Institutional Lender" as the term is used herein shall mean and refer to banks, savings and loan associations, insurance companies or other firms or entities customarily affording loans secured by first liens on residences, and eligible insurers and governmental guarantors.

SECTION 2. OBLIGATION OF ASSOCIATION TO INSTITUTIONAL LENDERS. So long as any Institutional Lender shall hold any first lien upon any lot such Institutional Lender shall have the following rights provided such lender has requested the information and has furnished a current address to the Association:

- (a) To inspect the books and records of the Association during normal business hours and to be furnished with at least one (1) copy of the annual financial statement if requested in writing.
- (b) To receive notice of any condemnation of casualty loss affecting the Common Area or any portion thereof.
- (c) To be notified of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.
- (d) To be given notice of any delinquency in the payment of any assessment or charge which delinquency remains uncured for a period of sixty (60) days by any Owner owning a Lot encumbered by a mortgage held by the Institutional Lender.

ARTICLE X

PARTY WALLS

SECTION 1. GENERAL RULES OF LAW TO APPLY. Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between Lots or is the dividing wall between dwellings shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence, or willful acts or omissions shall apply thereto.

SECTION 2. REPAIR AND MAINTENANCE. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make the use of the wall in proportion to such use.

SECTION 3. DESTRUCTION BY FIRE OR OTHER CASUALTY. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owner to call for a larger

contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

SECTION 4. WEATHERPROOFING: Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements and repairing any damage resulting from such exposure.

SECTION 5. RIGHT TO CONTRIBUTION RUNS WITH LAND. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

SECTION 6. ARBITRATION. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

ARTICLE XI

GENERAL PROVISIONS

SECTION 1. ENFORCEMENT. The Owner(s) of each Lot shall be governed by and shall comply with the provisions of this Declaration, the Bylaws of the Association and all rules and regulations of the Association adopted pursuant thereto, as any of the same are now constituted or as they may be amended from time to time. A default by any Owner shall entitle the Association or the Owner(s) of any of the other Lots to the following relief:

(a) The Association, or any Owner, if the Association is not pursuing, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the Bylaws of the Association and all rules and regulations of the Association adopted pursuant thereto. Failure to comply with any of the terms of this Declaration or other restrictions and regulations contained in the Bylaws of the Association, or which may be adopted pursuant thereto, shall be grounds for relief including without limitation an action to recover sums due for damages, injunctive relief, foreclosure of lien, or any combination thereof. The Association shall have the right to request that law enforcement, health, public safety and animal control officers come on the Properties to facilitate the enforcement of the laws, codes and ordinances of any governmental authority.

(b) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to assess reasonable fines against an Owner for violations of this Declaration the Bylaws of the Association or the Association's published rules and regulations by such Owner, or such Owner's family, guests, invitees and lessees in an amount not to exceed \$150.00 for each violation, and collected in same manner as assessment under this Declaration and if not paid within thirty (30) days after notice and demand therefore, the Association shall be entitled to the remedies set forth in the Declaration for the enforcement and collection of delinquent assessments.

(c) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to suspend privileges or services provided by the Association (except rights of access to Lots) for reasonable periods for violations of this Declaration or the Bylaws, Articles or rules and

regulations of the Association. If it is decided that a suspension of privileges or services provided by the Association should be imposed, the suspension may be continued without further hearing until the violation is cured.

(d) If an Owner is legally responsible for damage inflicted on any Common Area, the Association may direct such Owner to repair such damage, or the Association may itself cause the repairs to be made and recover damages from the responsible Owner. If damage is inflicted on any Lot by an agent of the Association in the scope of the agent's activities as such agent, the Association is liable to repair such damage or to reimburse the Owner for the cost of repairing such damages. When any such claim for damages against an Owner or the Association is less than or equal to the jurisdictional amount established for small claims by North Carolina General Statute 7A-210, any aggrieved party may request that a hearing be held before an adjudicatory panel appointed by the Board of the Association to determine if an Owner is responsible for damages to any Common Area or the Association is responsible for damages to any Lot. If the Board fails to appoint an adjudicatory panel to hear such matters, such hearings shall be held before the Board. Such panel shall accord to the party charged with causing damages notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. This panel may assess liability for each damage incident against each Owner charged or against the Association not in excess of the jurisdictional amount established for small claims by North Carolina General Statute 7A-210. When the such claim exceeds the jurisdictional amount established for small claims by North Carolina General Statute 7A-210, liability of any Owner charged or the Association shall be determined as otherwise provided by law. Liabilities of Owners determined by adjudicatory hearing or as otherwise provided by law shall be assessments secured by lien under Section 47F-3-116 of the Planned Community Act. Liabilities of the Association determined by adjudicatory hearing or as otherwise provided by law may be offset by the Owner against sums owing to the Association and if so offset, shall reduce the amount of any lien of the Association against the Lot at issue.

(e) In any proceeding arising because of an illegal default by Owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees as may be determined by the Court.

(f) The failure of the Association or any Owner to enforce any right, provision, covenant or condition which may be granted by this Declaration or the other above mentioned documents shall not constitute a waiver of the right of the Association or of the Owner to enforce such right, provision, covenant or condition in the future.

(g) All rights, remedies and privileges granted to the Association or the Owners, pursuant to any terms, provisions, covenants or conditions of the Declaration or other above mentioned documents, shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to be cumulative, and the exercise of any one or more shall not be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

(h) The failure of Declarant to enforce any right, privilege, covenant or condition which may be granted to it by this Declaration or other above mentioned document shall not constitute a waiver of the right of Declarant to thereafter enforce such right, provision, covenant or condition in the future.

SECTION 2. SEVERABILITY. Invalidation of any one of the covenants or restrictions by judgment or court order shall in no wise affect any other provision which shall remain in full force and effect.

SECTION 3. AMENDMENT. The covenants and restrictions of this Declaration shall run and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated as hereinafter provided. This Declaration may be amended with the consent of the Owners entitled to cast at least sixty-seven percent (67%) of the votes of the Association and may be terminated with the consent of the Owners entitled to cast at least eighty percent (80%) of the votes of the Association; provided, however so long as Declarant or any affiliated entity owns any Lot or may annex Additional Property pursuant to the provisions hereinafter set forth, this Declaration may not be amended or terminated without Declarant's consent; no amendment purporting to revoke or curtail any right herein conferred to Declarant shall be effective unless executed by Declarant; and no amendment relating to the participation in the maintenance or ownership of any permanent detention or retention pond, if any, shall be effective unless reviewed and approved by the governmental office having jurisdiction for watershed protection. Any amendment must: (1) be executed on behalf of the Association by its duly authorized officers; (2) contain an attestation by the officers executing the amendment on behalf of the Association that the requisite Owner approval has been obtained and is evidence by written acknowledgement(s) signed by the Owners approving the amendment and made a part of the Minute Book of the Association; and (3) be properly recorded in the Office of the Register of Deeds where the land lays. For the purpose of this section, additions to existing property by Declarant pursuant to Section 4 of this Article shall not constitute an "amendment". In the event this Declaration is terminated in accordance with the provisions hereinabove provided, Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay a pro rata share of the cost of the maintenance of all permanent retention or detention ponds on the property or on property the Association is authorized to use for such purpose by agreement, if any. The Declarant reserves the right without the joinder of the Association or its Members to amend this Declaration and any other Association document in order to comply with any requirements of the FHA to meet guaranty standards or requirements, to further the development of the land owned by Declarant and to make additions, deletions, corrections and clarifications of the content of the documents as Declarant deems necessary or desirable.

SECTION 4. ANNEXATION.

(a) Except as provided in Subsection (b) of this Section 4, Article XI, additional residential property and Common Area may be annexed to the Properties only with the consent of the Members entitled to cast two-thirds (2/3) of the votes of the Association, who are voting, in person or by proxy, at a meeting duly called for such purpose; provided, however, during any Period of Declarant Control, Declarant must also consent to such action.

(b) Additional land located adjacent to the Properties may be annexed by the Declarant without the consent of Members or the Association within ten (10) years of the date of this instrument, provided that, in the event FHA or VA insured loans have been obtained to purchase Lots, FHA or VA may determine that the annexation is in accord with the general plan from time to time approved by them. For the purpose of determining whether property is adjacent to the Properties, the rights of way of public roads and utilities, as well as rivers and streams, shall be deemed not to separate otherwise adjacent property.

Declarant shall have no obligation of any kind to annex any Additional Property, and should Declarant elect to annex all or any portion of the Additional Property, Declarant shall have no obligation of any kind to annex the Additional Property in any particular sequential order. Should Declarant elect to annex all or any portion of the Additional Property and accordingly to subject such property to the terms and conditions of this Declaration, with regard to all or any part of the Additional Property annexed by Declarant, to make such complementary additions and/or modifications of the covenants and restrictions contained in this Declaration (including, without limitation, those contained in Section 2 of Article VII hereof) the design, size or appearance of which may be different as may be necessary or convenient, in the sole judgment of the Declarant, to and reflect the different character, if any, of the added properties and as are not inconsistent with the plan of this Declaration, but such additions and/or modifications shall have no effect upon the properties previously subjected to this Declaration. With regard to any portion of the Additional Property, if any, not annexed by Declarant, Declarant makes no representations with regard to the use of such property or the exterior appearance, design, size, or intended purpose of improvements now or hereafter erected on such property.

SECTION 5. FHA/VA APPROVAL. During and Period of Declarant Control, the following actions will require the prior approval of the Federal Housing Administration of the Department of Veterans Affairs provided that FHA or VA loans have been obtained to purchase a Lot(s) and remain outstanding: annexation of additional properties, dedication of Common Area and amendment of this Declaration of Covenant, Conditions and Restrictions of the Articles of Incorporation or the Bylaws for the Association.

SECTION 6. INSURANCE: Each Lot Owner shall obtain and maintain a hazard insurance policy with extended coverage with a replacement cost endorsement so that the improvements upon the lot will be covered in the event of loss or damage. All proceeds from the policy or policies received due to damage the real property shall be applied to the repair and replacement of the unit. Failure of the Owner to so maintain such coverage shall allow, but not obligate, the Association to obtain coverage, file lien for such cost and collect the costs in the same manner as other assessments.

SECTION 7. AMPLIFICATION. The Provisions of this Declaration are amplified by the Articles of Incorporation and Bylaws of the Association; but no such amplification shall alter or amend any of the rights or obligations of the Owners or Declarant set forth in this Declaration. Declarant intends that the provisions of this Declaration on the one hand, and the Articles of Incorporation and Bylaws of the Association on the other be interpreted, construed, and applied to avoid inconsistencies or conflicting results. If such conflict necessarily results, however, Declarant intends that the provisions of this Declaration control anything contained in the Articles of Incorporation or Bylaws of the Association. The declaration is not intended to conflict with the North Carolina Planned Community Act and should a conflict appear the Act shall control.

IN WITNESS WHEREOF, the duly authorized President of the Declarant herein, has executed this instrument for and on behalf of the corporation this 28 day of October, 2005.
